**Patriarchal marriages the pattern of end of days clearly prophesied**

**Patterns of Scripture our blueprint for ALL time**

**Warning this is not an allegory**

**Isaiah 54:1** Sing, O barren, thou *that* didst not bear; break forth into singing, and cry aloud, thou *that* didst not travail with child: for more *are* the children of the desolate than the children of the married wife, saith YHWH.

Who is the barren woman and who is the married woman? Scripture interprets scripture so let's see who was barren.

**Isaiah 54:4** "Do not fear, for you shall not be put to shame, nor hurt, you shall not be humiliated. **For the shame of your youth you shall forget**, and not remember the reproach of your widowhood any more.

So who was put to shame in her youth?

**Jeremiah 3:6-7** And יהוה said to me in the days of Yoshiyahu the sovereign, "Have you seen what backsliding Yisra'el [House of Israel] has done? She has gone up on every high mountain and under every green tree, and there committed whoring. And after she had done all these, I said 'Return to Me.' But she did not return. And her treacherous sister Yehud<sup>ah</sup> [Sister wife Yahudah was not divorced] saw it.

Clearly this was the House of Israel and not Judah. Judah remained married to Yahuweh and was at least faithful that after the return of the Babylonian exile she left her whoring and idolatry for idols and other false elohim. Yahuweh divorced the House of Israel His

second wife clearly issuing her a writ because she became adulterous.

**Isa 50:1** Thus says הוה', "Where is the certificate of your mother's divorce, whom I have put away? Or which of My creditors is it to whom I have sold you? Look, you were sold for your crookednesses, and your mother was put away for your transgressions.

Yahuweh was the Patriarch of two wives and one rebelled going after foreign lovers and ended up in adultery so Yahuweh asked her to repent and return.

**Jer 3:7** "And after she had done all these, I said 'Return to Me.' But she did not return. And her treacherous sister Yehudah saw it.

She refused to return then divorce followed.

**Jer 3:8** "And I saw that for all the causes for which backsliding Yisra'el had committed adultery, I had put her away and given her a certificate of divorce; yet her treacherous sister Yehudah did not fear, but went and committed whoring too.

The House of Israel was sent away with a clear cut divorce while Judah even though was playing hanky panky did not receive a divorce and that was nothing to do with Judah's righteousness or special standing but everything to do with Yahuweh's promise to King David who was also a Patriarch after the pattern that Yahuweh had revealed in Heaven. Yahuweh sending away the Ten tribes the House of Israel was in mercy because the promise given to father Abraham had to be fulfilled and this was the way it was going to be done. In YHWH's judgement is hidden mercy.

**1Ki 11:36** 'And to his son I give one tribe, so that My servant Dawid shall **always have a lamp before Me** in Yerushalayim, the city which I have chosen for Myself, to put **My Name there**.

**Even all the whoring that goes on in Jerusalem YHWH's name is still in Jerusalem as it is meant to be there eternally.**

Clearly the name preservers and people to keep Jerusalem established was Judah as they were also prophesied first to return to Israel and not the House of Israel and Judah was to keep the feasts while Ephraim lived her worldly ways. The only problem with Judah was that trying to protect the Name of Yahuweh she became over zealous and hid it completely under the false traditions rife in Israel under oral law also known as rabbinic Judaism.

Now let's look at the end time prophetic implementation of this prophecy.

**Isaiah 54:1** Sing, O barren, thou *that* didst not bear; break forth into singing, and cry aloud, thou *that* didst not travail with child: for more *are* the children of the desolate than the children of the married wife, saith YHWH.

More are the children of the desolate...

We have identified that the children of the married are less if so then how can this satisfy the end times?

Judah went into what is termed self imposed monogamy. The edict was set by Rabbi Gershom ben Judah to have one wife and so we can see that she (Judah) was not going to be able to have **many** children with this style of living clearly marked in the prophecy of Isaiah while this is not true for Ephraim who would not follow any such non-Torah ban.

[1]

Gershom help fulfilled part of the prophecy in Isaiah 54:1. Yahuweh knew this already its news to us but no news to Him who sees all things past present and future.

Even though Gershom's ban was to expire 1260 CE but the Ashkenazim Jewish people still do not marry more than one wife at a time clearly reflected in the prophecy of Isaiah that the children of the married woman will be few hence we see why this prophecy is not allegory but quite literal.

While Ephraim (The Ten tribes) will start to have many wives and produce many children and will go back into the true ancient Israel pattern. Of course some brave souls in Judah will also follow with this as they will lead the way since Judah produced the King Messiah the Head they must also lead even if not exceed the House of Israel.

When will this happen?

The time is NOW and not two hundred years from now. As the restoration takes place many pains will be faced by the leaders but

they will come through some bruised and battered but all this will help many in the flock to lead correct kadosh marriage lives with their plural wives. The experience of the few will help the many.

The Patriarchal model will establish more successfully in the East and will happen in Islamic lands automatically since Yahuweh has allowed His children to produce seed and prosper and knew ahead of time where they would be least hindered to carry out the work that is His divine will.

In fact many as I demonstrate are Muslims today yet with Hebrew bloodlines. This will also happen in the West but may not be as successful as in the East because of the choking bureaucracy and red tape and immorality that people actually enjoy living in sin in the West. Why marry when you can have a corrupt Patriarchy supported by Satan where you have six girl friends and a child or two from each with no marriage ties. Live with one woman produce two children and date nine others secretly. This is Europe's gift to the world their corrupt lifestyle inherited largely from the vulgar Romans and Grecians where alongside marriage they also have homosexual relationships unknown to the wife.

We know the Patriarchal movement in the West suffered many setbacks simply because the people lacking understanding and we are dealing with godless nations that have no concept of morality whatsoever. Many women in the believing communities in the West are nothing short of rebellious and dictate law to husbands rather than obey Yahuweh's set-apart laws. Because the headship is broken the end result is divorce on demand in the believing communities also.

These kind of women will have no rewards in the Kingdom to come but we know that more successes will come from the East why because Ephraim is to be found predominantly in Islamic lands and the plural marriage laws already exist to allow this to take place so no need to argue or quarrel over this law and that law and the women in the East are reared to obey and submit to their husbands. Sorry women in the West this does not mean slavery, in fact women are very happy in the East I know as I came from there and my own sisters even though Muslims love their husbands and submit. It's a

Shame that you ladies call yourself believers yet usurp the authority of your husbands, you have no reward in the world to come and you can count on that. Disobedience can never be rewarded whether on the wife side or husband side.

Unfortunately many people paint Muslim people as evil but Muslims are no more evil than any other race. In fact amongst Muslims are many Israelites of true blood origin and the only other people who live Semitic lives after the Jewish people are the Muslims in large numbers demonstrating it shamelessly while many in the Israelite have to hide their faith from their churchy folks.

#### **UK: Muslim Polygamy To Be Subsidized By Government**

The Sunday Telegraph has confirmed what has long been suspected - the British government has decided that it will officially recognize polygamous marriages. The only proviso is that these marriages have taken place in countries where this is not illegal. As a result, men with more than one wife can claim welfare benefits for extra spouses.

In May last year, the Department of Work and Pensions declared that there were fewer than 1,000 polygamous marriages in Britain. This is what we wrote on May 29, 2007:

#### **UK: Taxes Fund Muslim Polygamy**

On April 18, the *Daily Mail* revealed that even though polygamy is illegal in Britain, guidelines from the Department of Work and Pensions approved the funding of such illegal unions. DWP guidelines on council and housing benefits state: "If you were legally married to more than one partner under the laws of a country that permits this, then your relationship is called a polygamous marriage. In this case your household consists of you and any partners who live with you and to whom you are married."

When the Daily Mail made the report, it stated that DWP officials were reviewing whether the state should "continue to pay out income support, jobseeker's allowance and housing and council tax benefits to 'extra' spouses."

Yesterday, the Times reported that the UK government has finally admitted for the first time that almost 1,000 men are currently living in polygamous unions in Britain. Apparently, the government has been assailed for years to provide figures, but has only now responded as a request from the Times was answered under the terms of the Freedom of Information Act.

The DWP stated: "It is estimated that there are fewer than 1,000 valid polygamous marriages in the UK, few of whom are claiming a state benefit. Because of the small numbers concerned, our IT systems do not specifically record such information."

Muslim wives who were married in countries where such unions are legal can enter Britain as students or tourists. A Home Office rule book on immigration states: "Entry clearance may not be withheld from a second wife where the husband has divorced his previous wife and the divorce is thought to be one of convenience. This is so, even if the husband is still living with the previous wife and to issue the entry clearance would lead to the formation of a polygamous household."

A statement released under the terms of the Freedom of Information act asserted: "A polygamous marriage is the only circumstance in which an adult dependency increase is payable in income-related benefits. In any other circumstances an adult 'dependent' would have to make a separate claim."

Conservative MP Humphrey Malins, founder of the Immigration Advisory Service, requested from the government three years ago information on how many unregistered polygamous marriages took place in Britain. He

never got an answer. Now, the officials admit that they do not know the number.

He said: "I've not been able to find out from the Government what the extent of the problem is. It's a very serious issue." Malins demanded that action was taken to prevent women being encouraged to enter into unrecognized "marriages". He said: "The Government has no grip on the situation. This is quite clearly exploitation of women."

Housing benefit can be claimed for polygamous wives (where the marriage took place in a country where such cases are legal) even when she is abroad, for up to a whole year, as long as the departure from Britain is judged to be temporary and for necessary reasons.

It is now official - Britain makes bigamy illegal, but supports Muslim polygamy.

So if Muslims are able to do it then why can't Hebrews?

There are estimated 650 million people in Europe natives and migrants and it is estimated that in fifteen years that at least twelve percent of that figure would be Muslims. Applying the figures if the estimates are correct then we realise that we will have over 100 million Muslims then pray tell what will happen to Europe?

What laws will be provisioned for?

It won't take a genius to figure that Islam has a most dominant role to play in Europe and the rest of the world. Now that Barak Hussain Obama has become the first black President of the US it will make things easier for the Mullah boys now so allow prophecy to be fulfilled written millennia ago. Christianity goodbye, Islam welcome and thank you YHWH for your set-apart word that Muslims are the lynchpin!!! Now you see what the book of Revelation says and why in Rev 13:7? The Bible is a closed book for all those that refuse to obey YHWH and His revealed Torah no matter what label they give themselves, Muslims, Christians or Jewish it makes no difference.

Next time you laugh at any of us you only laugh at yourself because corrupt Christianity is doomed as is corrupt Judaism and any other ism.

If Turkey is allowed to enter Europe then that figure of 100 million can be easily doubled. If they are not allowed entry then we can safely say we are looking at a Muslim population of about hundred million though depending on demographics I might opine that figure to be slightly less. There is another backdoor to Europe unbeknownst to the world and that is Albania.

Scripture says Islam will dominate the lands and there is nothing that anyone can do about it, except to be obedient to Yahuweh and find rest in Him else you will learn the hard way. Islam is here to stay and you are not going to do away with it in fact it will still be here when our Master Yahushua returns. Shocked? You should be and stop wasting time thinking you are going to convert the whole Muslim world because you are not. Only the remnant will return out of Islam who belong to the Father in heaven while the rest will stay put where they are and happily enter eternity without any salvation.

Should this make us happy? No, when I came to understand some of the Father's plan it was bittersweet to me but I have to be faithful and obedient at the price of my own life and things of this world. I know because I have suffered less at the Muslim hands and suffered more from those that claim to follow Messiah. Some of the most hypocritical backstabbing comes from the ones you love the most and they are the ones least willing to extend grace. Was this prophesied? Yes sadly it was and it is more painful when you go through it yourself learning some hard lessons and you get humbled out of the experience. I know because for believing some precepts of Torah I have been excluded, reviled, laughed at, scorned at, called a Yehudi by Christians because you may not know that it is a bad words amongst the Christian Asian populace and used in a derogatory way but I stand firm because Yes I am a Yehudi (Cohen) and Yes I firmly believe in the Torah and will die believing in it and The Messiah and no one on this earth is going to change that.

**Mat 5:11-12** Blessed are ye, when *men* shall revile you, and persecute *you*, and shall say all manner of evil against you

falsely, for my sake. (12) Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

Yahushua was not talking about heathens but believers who had persecuted and killed the prophets of old.

The pagan church AKA (also known as) Christianity has proved how weak it is and how incompetent they are in dealing with Islam. Yes go on have some more meetings what shall we do. Since you only have tickling ears you won't get anywhere. The knowledge and wisdom of YHWH lies with His servants who are in many places serving Him and helping those of His people who have the hearts of flesh to obey Him.

Christianity had 2000 years to convert the whole world to Christianity and they have failed and now have lost their steam into all sorts of idolatry and false doctrines. Never convert a Muslim or Jewish man into Christianity, lead them back to the King Messiah where both sons of Abraham are completed and reconciled, that was your mistake and that is why you still do not understand Truth!!!

Am I surprised? No, not one bit because they failed to read and understand prophecies that say an army of two hundred million (Rev 9:16) will gather at the Euphrates river in Iraq and march towards Jerusalem. If all the Muslims were to convert to paganised Christianity then who is this army? It certainly is not Romans or Christians. Yet scripture is clear they are Islamic and are assembling and marching from a Muslim land while the anti-nomians argue Torah not for us the Muslims march on and all they can do is watch.

Patriarchy has been successfully proven to work in FLDS (Fundamentalist Church of the Latter Day Saints) yet Messianic believers who are called to it shy away from it. Islam has proved this to work and now stands to 1.6 Billion people one of the largest faiths in the world and Patriarchal marriages will work successfully for the Hebrew people who were given this commandment if they exercise their divine right and Scripture is CLEAR THE CHILDREN OF THE DESOLATE WILL BE MANY. Patriarchal marriages are not evil but the evil exists in the Western platonic mindset and as Islam takes

over Christian places of worship and embeds itself in institutions of the West the Christians will realise their error of not having many children to defend their status quo.

I am sure many of us will look on just as when Babylon invaded Jerusalem and took them captive many looked on to the horror and could not do anything. Judgement is swift and Europe is long overdue. The believers who are sincere in walking with Yahuweh and His kadosh laws fear not because you will be safe.

**Deu 10:12** “And now, Yisra’el, what is יהוה your Elohim asking of you, but to fear יהוה your Elohim, to walk in all His ways and to love Him, and to serve יהוה your Elohim with all your heart and with all your being, 13 to guard the commands of יהוה and His laws which I command you today for your good? 14 “See, the heavens and the heaven of heavens belong to יהוה your Elohim, also the earth with all that is in it. 15 “יהוה delighted only in your fathers, to love them. And He chose their seed after them, you above all peoples<sup>1</sup>, as it is today. Footnote: <sup>1</sup>See also 7:6, 14:2, 26:18, Ps. 135:4 and Amos 3:2.

Why did the Father love our fathers? They were Patriarchal and faithful to the Father in heaven. What is the very first commandment in scripture?

**Genesis 1:22** And Elohim blessed them, saying, "**Be fruitful and multiply**, and fill the waters in the seas, and let birds multiply on the earth."

The ones who will stand blessed will be those who obey and follow Yahuweh and His divine will and that means patriarchal Marriage and other laws of Torah which are foreign to many Christians looking for a quick escape in their rapture buses which will never arrive because there is no bus station left in the credit crunch!

Actually the Muslims following that precept have been blessed in numbers even if adversely against the rest of the world, the positive commandments of YHWH will affect any nation and any colour.

If we calculate India and Pakistan alone we are talking about one Billion and one hundred sixty million people, this is more than all of Europe and the US put together in just two nations.

Ephraim and Judah will establish the ancient Torah pattern. Israel in captivity with Pharaoh of Egypt and in slavery so the end time pattern is the same and no different if one applies sound past patterns to present and future. The average number of children there for Israel was 54 with about 8 wives whichever way you look at it.

Ephramites are not going to be hindered by any laws as Yahuweh already knows the laws of the land in Islamic lands clearly allow this to take place and this will happen in the West like it or not Yahuweh's laws stand. The trouble with the West is self imposed and not divine. People need to break out of their self imposition simple as that. Hence why Yahuweh is now raising up leaders with a Patriarchal mind for the East because His children need to hear His call and divine will.

**Isaiah 54:1** Sing, O barren, thou that didst not bear; break forth into singing, and cry aloud, thou that didst not travail with child: for more are the children of the desolate than the children of the married wife, saith YHWH.

So the prophecy of Isaiah 54:1 is clear that the divorced will get remarried and have more children than the one already married hence symbols used:

- Barren - Jerusalem in the narrow context and Israel in the wider.
- Desolate - House of Israel aka the Ten tribes
- Married – House of Judah in self imposed monogamy married to Yahuweh.

So when the Messiah died and rose again He could take his divorced Bride (House of Israel) back and so He has therefore they can now produce many children through the Patriarchal order in the East and

in the West. The first Patriarch is not Abraham but Yahuweh Himself with two wives the House of Judah and House of Israel.

Yahuweh demonstrates in Drash (Allegory) the Patriarch figure with two wives the Northern wife and the southern wife. The pattern of heaven must follow through on earth and is following as I write this article. Abraham was also a Patriarch so we see Paul beautifully giving weight to the prophecy in the book of Galatians.

**Galatians 4:27** For it is written: "Rejoice, O barren, you who do not bear! Break forth and shout, you who do not travail! for the desolate has many more children than she who has a husband."

Even Paul in his time understood that the prophecy is now about to come to pass while he was quoting Isaiah 54:1 and he talked about the bond woman and the free woman, the two covenants allegory of the children of Israel of promise verses flesh.

The ancient pattern will follow:

Remember: Israel in captivity producing many children when Pharaoh tried to have the children killed. They were a Patriarchal order.

So now also they will be a Patriarchal order. ALL things MUST be restored (Acts 3:21).

There were plagues sent to the Egyptians...

Yahuweh will send plagues to the Islamic armies whom will come up to fight. Yahuweh will send earthquakes and tremors to the Islamic nations and start to shake them as is already taking place.

The children of Israel were freed and able to travel to Israel.

The children of Israel in the end of days will also be free and able to travel to Israel proof is in the text of Jeremiah. NO pre-trib rapture and no Rapture bus?

**Jeremiah 50:4** "In those days and in that time," says YHWH, "The **children of Israel shall come, they and the children of Judah together**; with continual weeping they shall come, and seek YHWH their Elohim.

Where are they coming from and why have they not been raptured?

Many alleged scholars of Christianity and prophecy teachers with their minions of book will simply have to acknowledge they were wrong all along with the other deceived in Christianity and that Jeremiah puts them straight in one if anyone cares to read it. Thank you Jeremiah.

They are coming from the EAST just as Hosea said they would and there is no such thing as rapture but there is such thing as travel on foot back to Israel and a return to the land in great numbers just as it was in the time of Pharaoh of Egypt. So what is it going to take to bring them back the sons of the lion of Judah? It is going to take Lions not mice who feed on chickens... This is what it will take brave leaders to stand up and go and setup bases in East and to raise the flocks there and to bring the children back when it is Yahuweh's set time. They will be taught Patriarchal order and it is starting to happen now, I know because I am one such leader who was chosen for this task and prepared since the last ten years. This is why Yahuweh asked me to build a Synagogue in Pakistan.

The Pattern MUST follow.

The marriage ban for Biblical polygyny was brought about by a Rabbi and it will take Rabbis to break the ban but since Judah is in a self imposed ban but Ephraim is free to be fruitful and multiply to produce many sons and daughters for Zion. Therefore scripture is clear that this ban although not accepted by Yemenite and Sephardic Jewish people but clearly reveals that Judah will not increase in large numbers according to the end time prophecy of Isaiah 54:1.

...for **more are the children of the desolate** than the **children of the married wife**, saith YHWH.

It is Ephraim's destiny to fulfil the end times plan and no one can stop this so all the Rabbis and Pastors that have accepted the plural marriage model as valid for all times, congratulations to you all for hearing the call of YHWH because you have just helped to set in motion the prophecy that YHWH said will come to pass with the House of Israel having lots and lots of children and they do not come with one wife but with several and you are going to be the leaders who will get a pat on the back from YHWH from hearing His divine will.

How come the prophecy is literal?

**Gen 22:17** that I shall certainly bless you, and I shall certainly increase **your seed as the stars of the heavens** and as the sand which is on the seashore, and let your seed possess the gate of their enemies.

This was given to Abraham that his children will be like the stars of heaven. If we only apply this to Judah then we can count the total number of Jewish people to be around about sixteen million people in the world. Hardly like the stars of heaven but the Ephramites are truly numerous and scattered far and wide. Yahuweh has already a plan through which many of these would live in diverse cultures and intermarry and they would adopt the Patriarchal marriage model in many nations to produce many children.

The plan for the East let me show you.

**Hos 9:3** They shall not dwell in the land of יהוה, but Ephrayim shall return to Mitsrayim, and eat unclean *food* in Ashshur.

Where is Ephraim?

Scripture details they are in Muslim lands. Mitsrayim is Egypt and Ashshur is The Assyrian regions which at one time encompassed from Asia Minor Turkey to Pakistan including Afghanistan and are ALL Muslims today.

Today we have twenty million people from the tribe of Judah in Afghanistan who became Muslims centuries ago, we also have

twenty million in Pakistan who are Muslims that alone is forty million of the tribe of Judah and Benjamin mixed in one region alone. On top of that we have several million in Pakistan from the other Ten northern tribes who do not know their roots since they lost their identity.

There are possibly sixty to seventy million blood line Israelites in Pakistan and Afghanistan alone. Now what about India? There are millions in India as the tribe of Manasseh was found there recently. Then you have Burma, China, Syria, Iran, Iraq, Turkey and many other nations. What about Tajikstan, Uzbekistan as these were also part of the Assyrian Empire so they also encompass in the return of the Israelites.

The majority of these nations are Muslims so we should be seeking the seed in these nations hence why it is paramount to go to these nations to seek the **lost sheep of the House of Israel** as commanded by Messiah.

**Deu 28:36** “יהוה brings you and the sovereign whom you set over you to a nation which neither you nor your fathers have known, and there you shall serve other mighty ones, wood and stone.

There they serve Allah another mighty one made of wood and stone.

**Deu 28:42** “Locusts possess all your trees and the fruit of your ground.

The allegory of a locust is the perfect fit for the Muslims as that is how they are numerous in the various lands. So why is Yahuweh sending people to the East to search for His lost sheep and evangelism or the gospel of the kingdom should focus in Islamic lands not Western lands.

Jer 5:15 and Jer 4:13 is the specific details about this nation given in Deut 28:49. This nation is not Roman as most had thought, in ancient times this nation was ascribed to the Babylonians and Assyrians and not much has changed. The reference is to the Muslims though they are far wider established now then before

occupying the same lands if not more now. Europe is not part of this picture.

Question how can the sons of Ephraim come trembling from the West if Europe is not part of the picture?

**Hos 11:10** “Let them follow יהוה. Like a lion He roars. When He roars, then sons shall tremble from the west.

That is easy as some of the Ephramites traveled West from the East and then spread in the Western hemisphere nations such as the UK, Europe and US, Australia and New Zealand etc but this has nothing to do with British Israelism or all of the US being Manasseh which cannot be concluded from Scripture or history unless you want to call the US the Assyrian Empire and I am sure plenty of teaches are doing that too.

Let me propose another way to translate the prophecy in Hosea 11:10 in my opinion.

**Hos 11:10** “Let them follow יהוה. Like a lion He roars. When He roars, then sons shall **tremble from the [Sea]**.

Hosea 11:10 'axareey Yahweh yeelkuu k'aryeeh yish'aag kiy-huu' yish'ag wyexerduu baaniym miyaam.

This is what I propose it should read if we strictly followed the Hebrew order and not the location “West” as Baaniym Mi-Yaam simply and literally translates to “Sons from the Sea” not “sons from the West”. However you will find pretty much in every Bible this translated as “West” because the translators assumed it was the Mediterranean Sea so in my opinion all these translations followed each other where error was made in the beginning. Yes the Hebrew word “Yam” can apply to the Western sea or the location “West” at times but not in the context of Hosea it cannot because in the context of Hosea it is not talking about the Mediterranean Sea at all as that is referred to as the Great Sea.

**Hosea 11:1** When Israel was a child, then I loved him, and called my son out of Egypt.

So Yahuweh starts with when Israel was a child He led him out of Egypt the concept is related back to the East not West.

**Hosea 11:5** "He shall not return to the **land of Egypt**; but the **Assyrian shall be his king**, because they refused to repent.

So if the Assyrian shall be king over him where is Ephraim?

We do not call the European leaders Assyrians unless your schools started teaching that they are well I know the Seminaries teach all sorts of error regards to this but Assyria is very much East and that is where the large part of Ephraim is also as Hosea proves it.

If the context of verse 10 of Hosea was the West then why in verse 11 would Yahuweh tell us they are coming from East? It would make no sense to switch like that as the thought is continuing from the previous verse.

**Hosea 11:11** they shall come trembling like a bird from Egypt, like a dove from **the land of Assyria**. And I will let them dwell in their houses," says YHWH.

Quite clearly each Bible translator simply followed the one before him without paying any due diligence to the fact that scripture cannot contradict scripture and the word could be used for the location of "West" but here at least this is simply not the case.

**Hosea 11:10**... then sons shall tremble from the [Sea].

The question is which sea?

Unless Israel crossed over from the Mediterranean sea we know from historical data they didn't then this reference to the sea is both literal and a Drash. The sea here is the Gulf of Aqaba which Israel crossed over or the sea of Reeds whichever you want to take it and they are East not West. Also the Sea is the Drash (Allegorical) reference to

the fact they are **mixed in the nations** so the sea is also a corporate reference for the “**NATIONS**”.

**Psalms 68:22** YHWH said, "I will bring back from Bashan, I will bring them back from the **depths of the sea**,

Yahuweh’s people are lost without Him so He will bring them back from the **NATIONS**.

Unless Europe was part of the Assyrian Empire which we know it NEVER was then we can conclude by Hosea himself in verse 11 they will come from the Assyrian Empire hence EAST and not WEST is in the mind of YHWH.

**Genesis 14:3** All these joined together in the Valley of Siddim (that is, the Salt Sea).

Here the same Hebrew words are used for Yam... So which sea is it?

**Genesis 28:14** And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west [Yam], and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed.

As shown earlier the context of the word “Yam” can be the West but at least in the context of Hosea he is identifying the seed coming from the Assyrian Empire and not the European colonies as demonstrated in verse 11 so my translation is very consistent with scripture and not biased in anyway.

The nail in the coffin

**Isa 11:10** And in that day there shall be a root of Jesse, which shall stand for an ensign of the people; to it shall the Gentiles seek: and his rest shall be glorious.

The “gentiles” are Ephramites and as stated categorically by Hosea they are from Muslim nations.

**Isa 11:11** And it shall be in that day that יהוה sets His hand again a second time to recover the remnant of His people who are left, from Ashshur and from Mitsrayim, from Pathros and from Kush, from Ėylam and from Shin□ar, from Ḥamath and from the islands of the sea.

**What is Mitsrayim? Egypt**

**Where is Pathros? Area of Egypt**

**Where is Cush? Sudanese area**

**What is Ashshur? Assyria**

**What is Shinar? Iraq**

**What is Elyam? Iran**

**What is Hamath? Area of Syria**

**Islands of the sea? Take a guess which Islands.**

Now this prophecy tallies 100% with Hosea indicating very clearly the return of the exiles from Muslim lands. We cannot contradict scripture and scripture cannot be broken.

Now what about Europe? There was a prophecy as I stated earlier that if we take the view that they are in Europe where YHWH said that He will also scatter them over the Euphrates which means they would end up in Turkey and then Eastern Europe then migration patterns would lead them to Western Europe followed by travel to the wider Western world.

**1Ki 14:15** “And יהוה shall smite Yisra’ēl, as a reed is shaken in the water, and shall pluck Yisra’ēl from this good soil which He gave to their fathers, and shall scatter them **beyond the River**, because they made their Ashērim, provoking יהוה,
