

Prologue

The purpose of this book is simply to illustrate where we are in YHWH's plan and to look at what has been written about Bible prophecy by helping the reader understand Bible prophecy. There are perhaps thousands of Bible prophecy books written by thousands of different authors all with good intentions. I do not have the time and resources to look at all of these writers, but I will mention a few key authors who are well known in Christian circles.

This book is for the body of Yahushua for this last generation, as well as to promote understanding about the faith of Islam and why it wants to dominate the world. The purpose is not hatred for Muslims since much of my own family remain Muslims and I do love the Muslim people, that there are good Muslims in the world. The first human was created in the image of the one true YHWH while the rest of humanity followed the image of Adam Genesis 5:3 thus inheriting sin. My prayer is that many Muslims will come to know Yahushua of Nazareth as their living and personal Savior as I myself have found.

All the quotes in this book are referenced from the King James Version (KJV) or the New King James Version Bible (NKJV) and where this differs it will be quoted as such. This has been done since most everyone is familiar with them and can get a copy of them, but I personally recommend the *Restoration Scriptures True Name Edition Study Bible* as the closest to preserving the original meanings of the Hebrew and Aramaic texts. My comments in the biblical verses are in square brackets, or parenthesis where appropriate.

When Yahushua the Messiah is used, I speak of the one commonly, but incorrectly known as Jesus. When YHWH, or Yahweh is used, I speak of the one commonly, but incorrectly known as simply God.

Chapter 1

The Revival of Global Jihad

What we are seeing today in the world is clearly a revival of **FANATIC ISLAM** and the Bible puts it something like this.

Revelation 13:3 I saw one of his heads as if it had been **mortally wounded**, and his **deadly wound was healed**. And all the world marvelled and followed the beast.

The last Empire that was brought to a close by the British, French and with the help of the forgotten Australians in 1924 was Islamic, this was the beast that was MORTALLY WOUNDED but not eradicated completely, the Bible called this the **1st beast of Revelation** (Revelation 13:1a) and the Bible also calls this “**another beast**” (Revelation 13:11a) that is really the 1st beast and a literal revival of Islam out of the different parts of the earth. This 2nd beast is really the same 1st beast and carries ALL the hallmarks of the 1st beast, remembering that both of these BEASTS are the one and the same playing the same role, the only difference being the 1st beast
