Islam at the OK Coral 1-6

When we talk about Islam and Islamic ways we tend to think with a Western mindset, we cannot make sense of why Muslims think the way they do. Consider that I am speaking English and the other person is speaking French. I may pick up a few words here and there and discern somewhat from the body language and facial expressions but unless I understand the underlying concept being conveyed we are both talking at cross-purposes. We are not dealing with a dysfunction of languages but a dysfunctional understanding of perceptions, values and ideologies.

In a recent case in Saudi Arabia the following case came to light;

Dubai, Dec 6 (PTI) The Indian embassy in Saudi Arabia is going to make an appeal for royal clemency for a jailed expatriate worker following a court order that his one eye be gouged out for partially blinding a Saudi national in a fight.

Abdul Lateef Naushad, 34, from Kerala got into a fight with a Saudi man and injured him in 2003. The Saudi man reportedly lost sight in one eye several weeks later.

According to the sentence by a court in Dammam, one of Naushad's eyes should be gouged out as punishment for causing the injury to the Saudi. The case has now been transferred to the Higher Court in Riyadh following an appeal.

Muslims want to implement justice the Islamic way therefore we can see that we are actually arguing cross purposes and cross cultures neither one can make sense of the other. Muslims are indignant that the Western people are clueless and do not understand that they are simply trying to follow Allah and the Western people think that the Muslims are still living like barbarians and need to reform themselves.

Islamism and the West are at war with each other, the war is of ideals, right or wrong the only problem is that the Western powers are in denial about this and want to call this a friendly dialog yet we know guns are being drawn at the OK Coral.

The idea of justice in Islam has been taken from the Bible, an eye for an eye and a tooth for a tooth (Deuteronomy 19:21) but this is a misunderstood concept amongst many. God was not saying if someone makes you blind then you should also blind the other person, what was at the heart of this judgment was fair justice for the victim and the due punishment for the guilty party. The Jewish sages agree with this as the central issue and not requiring to pluck the eye out of the aggressor. We

Ps 81:15

The haters of the Lord would pretend submission to Him, but their fate would endure forever.

Islam at the OK Coral!

know this is the case because we see that in Deuteronomy 19:18 Judges were to sit and to make diligent enquiry before any judgement was committed.

However in Islam many other laws are added that have nothing to do with the Biblical model of justice such as amputation of hands and feet. At least we can say that the Muslims are honest with their goals since they make it quite clear that they want to setup a worldwide Caliphate (one central leader) and bring every country of the world under Islam. They have also promptly issued edicts against Israel that it would be better for Israel to cease to exist as a nation since they want to call that land Falastine (Palestine) not Israel. This is why we see the leader of Iran Mahmoud Ahmadinejad declaring to wipe Israel away and the sooner the better in the eyes of the Islamic world. Ahmadinejad also said if Germany and Austria feel responsible for the holocaust then they should relocate her to their lands. He has offered to help with relocating costs though. Well if this was to be the case then are not the Muslims of Germany and Austria going to be offended. Maybe they have to relocate also.

Psalm 2:12

Kiss the Son, lest He
be angry, And you
perish in the way,
When His wrath is
kindled but a little.
Blessed are ALL
those who put their
trust in Him.

The only problem is that Europe's record with the Jews has been appalling to say the least.

589 Spain - The III council of Toledo ordered children born of Jewish/Christian mix marriages were to be baptised by force. Jews were forcefully converted, many thousands Jews fled and thousands of others were forced to convert.

680 Spain— the Christian king Egica orders to convert Jews or to expel them.

694 Spain - the Christian King Egica accused the Jews of treason. This caused the Jewish properties to be confiscated, the Jews were declared slaves and forbidden to practice Judaism. A decree was issued that the Jewish children could be taken away from the Jewish families at the age of seven and raised as Christians.

Was God pleased?

He moved in with a fierce judgement and brought the Muslims into Spain who ravaged and ruled Spain with an iron rod for almost seven hundred years. The Muslims reversed the decrees against the Jews set by the king.

848 France—Jews were accused of betraying the city to the invading Danes. In the city of Toulouse on Easter a Jew was publicly slapped by the Bishop as punishment for his people's betrayal of Jesus to the Romans.

876 France—Jews expelled from the Southeast of Paris.

1144—This is the year in which the first charge of ritual murder known as the blood libel brought against the Jews of Norwich. Even today we see the Arab world makes movies of this implicating the Jews and we can thank England for its inception.

1190 England—In York a mob of crusaders attacked the Jews, the Jews took refuge in a tower and committed mass suicide. The Jews were ordered to be made slaves of King Richard I and the Pope Innocent III approved of this and applauded the decree.

1215 A 4th Lateran council was called by Pope innocent III. He was instrumental in the formation of the coming up inquisitions upon the Jews and the Muslims and ordering them to wear distinctive clothing.

1290— Jews were expelled from England.

Islam at the OK Coral!

What did God do in Europe after this?

He allowed the black death to come and ravage Europe.

The persecutions continued because the Jews were blamed for the black death, it is believed that the black death arrived from Constantinople (Istanbul) in Turkey on ships. Well the judgment if true also came from Islamic lands.

1469 Spain—Mass expulsion of the Jews under queen Isabella.

God moved in judgement using tiny England to defeat the Great Armada of Spain so it can never rule the seas again.

1543 Martin Luther published a pamphlet against the Jews called "On Jews and their lies". This supposed hero of the Christian faith was an out and out anti-Semite.

Luther writes about the Jews like this;

'First, to set fire to their synagogues or schools and to bury and cover with dirt whatever will not burn so that no man will ever again see a stone or cinder of them. This is to be done in honor of our Lord and of Christendom, so that God might see that we are Christians, and do not condone or knowingly tolerate such public lying, cursing, and blasphemy of his Son and of his Christians.'" (Martin Luther, Luther's Works, trans. by Martin H. Bertram (Philadelphia, 1971), 288).

Some of the information is gathered from this website with thanks.

http://www.nmhschool.org/tthornton/mehistorydatabase/christian_persecution_of_the_jew.htm

The persecutions continued in Europe finally culminating in the holocaust in 1938 when sixty million Germans were brainwashed to allow the Jews to be slaughtered like animals and Jews were treated with the utmost humiliation and contempt that anyone can give was actually delivered by the so called cultured Europe!

Although we tend to think that the Muslims are living like Barbarians and were running around with diapers (pun intended) on their heads but one could argue that the Europeans in the old era were also backward in their lifestyles and one only has to look at Spain's history to realise how the Muslims transformed it.

In his book, "The Day The Universe Changed," we see what James Burkes writes about the typical European people.

"The inhabitants threw all their refuse into the drains in the center of the narrow streets. The stench must have been overwhelming, though it appears to have gone virtually unnoticed. Mixed with excrement and urine would be the soiled reeds and straw used to cover the dirt floors. (p. 32)

This squalid society was organized under a feudal system and had little that would resemble a commercial economy. Along with other restrictions, the Catholic Church forbade the lending of money - which didn't help get things booming much. "Anti-Semitism, previously rare, began to increase. Money lending, which was forbidden by the Church, was permitted under Jewish law." (Burke, 1985, p. 32) Jews worked to develop a currency although they were heavily persecuted for it. Medieval Europe was a miserable lot, which ran high in illiteracy, superstition, barbarism and filth.

At first, the land resembled the rest of Europe in all its squalor. But within two-hundred years the Moors had turned Al-Andalus into a bastion of culture, commerce and beauty. "Irrigation systems imported from Syria and Arabia turned the dry plains... into an agricultural cornucopia. Olives and wheat had always grown there. The Arabs added pomegranates, oranges, lemons, aubergines, artichokes, cumin, coriander, bananas, almonds, pams, henna, woad, madder, saffron, sugar-cane, cotton, rice, figs, grapes, peaches, apricots and rice." (Burke, 1985, p. 37)

Now looking over this let me identify some key points to bring to illumination in this picture.

Islam at the OK Coral!

Why did God use the Muslims? I asked this question and God showed me something remarkable. I love the Europeans but I did not succumb to this corrupt pagan form of Christianity where Jesus is a blond haired, blue eyed European with anti-Semitism sky high and replacement theology in churches. Many Pastors are clueless about who Yeshua of Nazareth is, they all know the German Jesus. Ask yourself this, would God allow the so called German Christians who were under the authority of the Popes to enter heaven on Judgment day or would he allow the killed Jews redemption?

Would He allow the Crusader rioters in 1190 claiming to be Christian into heaven who massacred the Jews in York or would He allow the Jews?

You know I found my answer in the Bible, the Messiah Yeshua sitting on the throne of Judgment and judging the nations on account of His brethren (the Jews) not Christians as most want to believe these brethren are Christians.

You can find the answer to what He says to the ones who persecuted and killed His brethren in **Matthew chapter 25:41-46**

(41) "Then He will also say to those on the left hand, `Depart from Me, you cursed, into the everlasting fire prepared for the devil and his angels: (42) `for I was hungry and you gave Me no food; I was thirsty and you gave Me no drink; (43) `I was a stranger and you did not take Me in, naked and you did not clothe Me, sick and in prison and you did not visit Me.' (44) "Then they also will answer Him, saying, `Lord, when did we see You hungry or thirsty or a stranger or naked or sick or in prison, and did not minister to You?' (45) "Then He will answer them, saying, `Assuredly, I say to you, inasmuch as you did not do it to one of the least of these, you did not do it to Me.' (46) "And these will go away into everlasting punishment, but the righteous into eternal life."

It is quite evident from this scripture that in God's sight the righteous Christians are those that helped His brethren when they were in most need. It would take me another article to explain why Israel is a separate entity in the nations that are gathered. In fact the answer lies in the book of Numbers and I will let you find it for yourselves.

Ishmael and Isaac

These two sons of Abraham is what is at stake and the blessings that God had promised to Abraham. Look how God has blessed one with the oil and mineral wealth and the other with technological ability and redemption. Without these two we would starve to death both physically and spiritually.

God has used Ishmael's progeny to help Isaac's children, well why not since they are cousins. He sent the Muslims into Spain, He allowed the Jews to go to the Ottoman Empire (Islamic) to find safety, even though they were not treated as equals but at least they were given prominent positions and allowed to live in relative peace. Even in the final battle plan it is God who will allow the Muslims to gather together to fight on the mountains of Israel when God will show the Muslim world who He is so they can find their true Father in Heaven alongside the rest of the world.

Psalm 83:18 That men may know that You, whose name alone is the Lord [Yahweh], Are the Most High over all the earth.

Let me explain, without the oil the world economies would fail and we could not invent new technology fast enough to allow our economies to survive so what would happen if several countries economy failed? How about high unemployment, poverty and death as a result. The reality is this, like it or not, that the world is dependent on gulf oil and cannot survive without the oil so is forced to take sides. Furthermore, we could not attain redemption without the Jewish Messiah from the tribe of Judah, obviously this Messiah does not have blue eyes and blond hair, the Jesus of most European churches is completely out of place with Biblical Judaism. Well I myself converted to follow the Jewish Messiah the one called Yeshua of Nazareth, I did not give up everything for a pagan Messiah. I have no idea of the Messiah they put up Christmas trees for because what has a Jewish Messiah to do with trees?

Islam at the OK Coral!

Jeremiah tells us that putting up trees is futile and not good. In fact it goes back to the times when people worshipped sun, moon and stars, believing that their gods and kings re-incarnated themselves as these objects and the evergreen tree is also included in this category. Their obsession with fertility is apparent and thus the evergreen (eternal) tree was exalted to this level. Since then the tree remains a soft spot for Christians and naturists alike.

Jeremiah 10:5 They are upright, like a palm tree, and they cannot speak; they must be carried, because they cannot go by themselves. Do not be afraid of them, **for they cannot do evil, nor can they do any good.**"

God has also written for us to support and comfort the Jewish people yet all Christendom is interested in doing is shoving a European Jesus down Jewish throats, whom they hate in whose name they were expelled, murdered, forcefully converted inhumanly treated etc etc etc. Come on ask yourself seriously would you accept such a Messiah if you had suffered the things they did? To make matters worse Christendom adopted pagan practices such as eating swine and created a stumbling block for the Jews and Muslims alike i.e. for both Isaac and Ishmael. And then we wonder why both groups are not coming to faith and then conclude with our decrepit understanding that God has abandoned and cursed the Jews for eternity and the Islamic culture is simply too entrenched to reach. Christendom is guilty of abrogating God's holy laws in favour of heathen practices and simultaneously bemoan that the Muslims have distorted Mosaic law.

Isaiah 40:1-2 "Comfort, yes, comfort My people!" says your God. (2) "Speak comfort to Jerusalem, and cry out to her, that her warfare is ended, that her iniquity is pardoned; for she has received from the Lord's hand double for all her sins."

My dad was six years old when he had to leave Punjab in India for Pakistan in the 1947 partition and he saw the massacres that were committed by the Sikhs and vice versa. My great grand father Nawab Din was a great fighter and he gave up his life to allow his children to escape from the village where the Sikhs came to kill the Muslims, if I am here today it is because of the bravery of my great grand father. Even today my dad remembers the violence and holds animosity thinking about the past events though I must say I do not since I am a believer in Yeshua. Offences were committed by the Muslims also so why should I hold only one side responsible? What about the Sikh/Hindus that were massacred by the Muslims?

God allowed the Muslims to sort Spain out in the 7th century but our society is overfed, forever dissatisfied and into open homosexuality. These are our times. Homosexuals seem to be coming out of the woodwork wanting to get married, its disgusting to say the least, and the Europeans as usual cannot decide on these key issues yet it is the Muslims who are the most vociferous on these issues. Most of the Christian community on the other hand does not want to offend and so they remain tight lipped, they have forgotten that it is God who is offended the most not people. As a whole they may disapprove but how many Christian demonstrations have we seen lately? This problem is not new because it was the same in Sodom and Gomorrah who were overfed, affluent and material wealth drove that society to grave sins also.

Ezekiel 16:49 "Look, this was the iniquity of your sister Sodom: She and her daughter had pride, fullness of food, and abundance of idleness; neither did she strengthen the hand of the poor and needy.

Then God brought the judgment.....

The Islamists are back again, the progeny of Ishmael, to strike Europe and they are already delivering devastating blows like the train bombings in Spain, riots in France and the 7th July 2005 bombings in London. God does indeed call them the hammer of the earth and behind it God's goal is not only the redemption of the whole world but the redemption of Ishmael and his progeny since one day his seed will know the Messiah. Remember the name is Ishma-EL that means that "God the mighty one has heard" and one day they will hear His voice. The truth is with Isaac and so God is going to use the Muslims once again not only to wake up Israel from her slumber but also Europe from its degenerative behaviour. Since some Christians refuse to listen to the voices in the wilderness crying that Christ-mass is not Biblical and that they should be celebrating Yeshua's birth on the feast of Tabernacles (Tishri 15) and come out of their ignorance. Christians who want to celebrate Christ-mass cannot give up their trees and pagan idolatry but I am quite confident that the Muslims will put a stop to this as they have got objec-

tions and are quick to point out the pagan origins to unsuspecting Christians.

Jeremiah 50:23 How the hammer of the whole earth has been cut apart and broken!
