tan Woman** 1/11

1 John 1:1

**That which was from
the beginning, which
we have heard, which
we have seen with our
eyes, which we have
looked upon, and our
hands have handled,
concerning the Word of
life**

Whenever I am called to witness for the truth I am never popular but alas in spite of the bad publicity I have to speak the truth so those of you who will become offended I am sorry to tell you the truth but it must be told. Either you line up with YHWH's will or you line up with the world's but in the end you will have to answer for yourself on the day of resurrection that is if you are worthy to be raised in the first resurrection.

The much misunderstood and maligned Character of the Samaritan woman! Hand anything to the West and they will end up making a completely new theology that lines up more with the Platonic worldview than with the Hebraic worldview. The woman from Samaria is one such character in John chapter 4 which is very misunderstood. Many in the Churches are content to use her to commit their acts of whoring. That is right Whoring!

The couples who live together and do not marry are committing what the Torah terms whoring. The word fornication is a softer word in comparison but YHWH's Hebrew word Zannah is the one that best describes the attitudes held by many in Christendom today.

In fact where I come from we have the same word in the Urdu language being a dialect of Aramaic Zannah conveys the same meaning. A woman who would sleep around. It can be used for adultery, Idolatry and harlotry though whoring is its best description.

The punishment in Torah for such an act is death followed by burning, such a punishment would send chills in our back yet we are quite happy today for our daughters and sisters to live in such relationships wrongly calling it new covenant freedom. In Islamic lands when a girl is caught in such an act she is stoned to death. We heard some recent cases of stoning both in Pakistan and Afghanistan. Islam's model actually came from the Bible but it got corrupted by S.A.tan who used the truth to corrupt it to his own end. Obviously S.A.tan wanted to counter YHWH's truth so produced his own.

Leviticus 21:9 The daughter of any priest, if she profanes herself by playing the harlot, she profanes her father. She shall be burned with fire.

The Samaritan woman

Now we understand why the Samaritan woman could not be a whore because she would not only be stoned to death but burnt afterwards and would not be standing there having a conversation with Yahushua. Shame on Christians who call themselves Priests yet live like this and promote such behaviour.

Deuteronomy 22:21 "then they shall bring out the young woman to the door of her father's house, and the men of her city shall **stone her to death** with stones, because she has done a **disgraceful thing in Israel**, to play the harlot in her father's house; so you shall put away the evil person from among you.

Why was such stoning done? The woman had been sleeping around with somebody before her marriage and later her husband rejected her for uncleanliness and whorish behaviour so if a woman was proven in such a behaviour then the judges would gather to pronounce the punishment.

1 John 2:4

He who says, "I know Him," and does not keep His commandments, [Keep Torah] is a liar, and the truth is not in him.

I can guarantee you today that if we were able to apply Biblical laws in our society then adultery would be non-existent. Murder would be a thing of the past. Who would want to commit such crimes when the person is executed and hung for all to see.

YHWH's Torah stands today just as it did back then but we cannot act the punishment since we have no Temple, no Sanhedrin, no High Priest visibly present on this earth and until the return of our High Priest and Messiah this law is in suspension but not annulled CONTRARY to dispensationalist error!

When you sleep around with someone who you are not married to then this act of whoring is being committed hence why the land becomes defiled with wickedness and then the land must be cleansed. Guess how YHWH cleanses the land?

The passage has a much deeper meaning than most think following the 7 rules of Hillel but only YHWH is able to open up the meaning to those whom He wills. Amen.

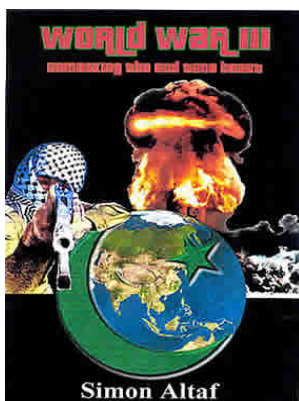

John 4

A Samaritan Woman Meets Her Messiah

1 Therefore, when Yahushua knew that the Pharisees had heard that Yahushua made and baptized more disciples than John 2 (though Yahushua Himself did not baptize, but His disciples), 3 He left Judea and departed again to Galilee. 4 But He needed to go through Samaria.

The first interpretation is literal where Yahushua did indeed travel to Galilee via Samaria. Looking at the other rules of interpretation we find very interesting things going on here. This might be new for you so bear with me as I write what the Spirit of YHWH reveals. It is obvious that we as believers His disciples will Baptise more people than our master that is shown in the text clearly.

Yahushua departed from Judea because He was not accepted by the large majority of the Jewish people in the Southern area where the splendour of the Temple was. They failed to recognise their Messiah while only a minority faithful followed after Him. This was prophesied by Isaiah 53.

The Samaritan woman

He goes to Galilee because this is in the North, this area by the way is referred to by Rab-bis as the seat of conscience. Satan attacks the North and if he can overcome man's conscience (North) then he has defeated man from believing in the supreme creator YHWH and attaining salvation through repentance and believing in Messiah. The Messiah came from the South which is the area of the Temple of YHWH meaning the area of adoration where Yahushua should be adored not rejected. Look in any country today and the North-ern areas are usually the hardest areas where the most unbelievers or false religions are active. Check England – Largest Muslim community is in the North. Check the US, gay bishop ordained in the North, towers fell in the North east and the New York being a very liberal atheist state also North East. Pakistan has the North West Frontier that is a hard area full of Taliban activity. The point of reference we make is North of Israel. North of Israel is a large number of unbelievers today when you look at the world map.

The North is also the area of the Heavens where YHWH dwells. Now you would understand why S.a.tan wants to capture this area. In the Synagogues the Scrolls were often kept in the North.

Job 26:7 also says, "He stretcheth out the north over the empty place."

There is an empty space in the North and it possibly contain 2000 milky ways and the milky ways are probably about 100,000 light years apart.

Psalms 48:1-2 Great *is* YHWH, and greatly to be praised In the city of our Elohim, *In* His holy mountain.(2) Beautiful in elevation, The joy of the whole earth, **Is Mount Zion on the sides of the north**, The city of the great King.

Ever wondered why it is **in the North** and why S.a.tan wants to climb to the sides of the North? He wants to sit on the throne of YHWH.

Isaiah 14:13 "For you have said in your heart, 'Let me go up to the heavens, let me **raise my throne** above the stars of Ėl, and let me sit in the **mount of meeting on the sides of the north**;

Salvation also comes from the North since YHWH is in the North then where would He come from?

Psalms 75:6 For exaltation *comes* neither from the east, nor from the west nor from the south.

The East (false Eastern religions), the West (atheism, agnosticism and liberalism) and the South (Desert dry regions inhabited by demons) but salvation comes from **the North** the true throne of YHWH.

5 So He came to a city of Samaria which is called Sychar, near the plot of ground that Jacob gave to his son Joseph. 6 Now Jacob's well was there. Yahushua there-

The Samaritan woman

fore, being wearied from *His* journey, sat thus by the well. It was about the sixth hour.

Actually the city is Shechem and in Hebrew it means "shoulder". In Eastern cultural terminology the weight of the dead or the weight of the family is carried on the shoulder so Yahushua came here to do exactly that with the sin that He was to carry upon His shoulders.

Isaiah 9:6 For a Child shall be born unto us, a Son shall be given unto us, and the rule is on His shoulder [Shechem].

7 A woman of Samaria came to draw water. Yahushua said to her, "Give Me a drink." 8 For His disciples had gone away into the city to buy food.

Interesting that He meets a woman and not a man! The Ecclesia or Assembly is described as a feminine entity. The woman here represents the partial Bride of Yahushua and also the epitome of the Northern Tribes for which He said He had come for the **lost sheep of the House of Israel** (Matt 15:24). In other words the Northern tribes had become mixed and were living a mix culture of gentile non-Hebrew origin and they had devised their own ways of worship and places of worship almost like today's churches each having its own set of hymns and rules and regulations of prayer and think that their way is superior to worship than others especially the Jewish way because of the inbuilt centuries of hatred.

Many Christians are anti-Semitic without even knowing it and I bet you won't they won't even admit it, next time hear their comments about the law/Torah. The woman personified as the returning gentiles (Ephramites) to freely accept the Messiah without objection. Yahushua personally came to the Northern areas to start His ministry because His disciples would still be carrying resentment of the Samaritan people as were the Jewish people at the time this is why He particularly asked His disciples not to go there (Matt 10:5) as He was personally going to deal with this region.

9 Then the woman of Samaria said to Him, "How is it that You, being a Jew, ask a drink from me, a Samaritan woman?" For Jews have no dealings with Samaritans.

She reminds Yahushua that Jewish people hate the Samaritans then why would He ask a drink from her because the Jewish people had classified the Samaritans almost as Gentiles/heathens and unclean. They would even avoid passing through their areas in the North at certain times.

It's also true that even today the Jewish people think the gentiles are unclean people. You cannot blame them for this since the gentiles live very unclean lives.

10 Yahushua answered and said to her, "If you knew the gift of Elohim, and who it is who says to you, 'Give Me a drink,' you would have asked Him, and He would have given you living water."

Yahushua here gives it away that He is the Messiah quoting Isaiah.

Isaiah 12:3 And you shall draw water with joy from the fountains of deliverance.

The Samaritan woman

The name YeshaYahu (Isaiah) means YHWH saves or YHWH's Salvation so He was identifying Himself to the woman who being a prophetess was interested to know the truth. She was not an immoral woman as wrongly taught by many. The "assembly" or today's Christian Church also stands in the position of a prophetess identifying itself physically and spiritually with Ephraim.

11 The woman said to Him, "Sir, You have nothing to draw with, and the well is deep. Where then do You get that living water? 12 Are You greater than our father Jacob, who gave us the well, and drank from it himself, as well as his sons and his livestock?"

As can be seen the woman identified with Jacob as a forefather of her faith, many in the Church know this truth but never really think of the connection. They know something about the roots possibly being connected to the patriarchs and matriarchs of Israel but the knowledge they have is only rudimentary.

She tried to compare Yahushua with Jacob almost like most Christians compare themselves with the Jewish nation and who is better, they might say we are saved and they are not, we are blessed and they are accursed. While Yahushua was speaking Remez (hinting) applying the second rule of Hillel actively used by Rabbis at that time **G'zerah Shavah** she was drawing on a completely different conclusion. Its like banging your head on a wall telling a Christian about the Hebrew roots and Torah being eternal but he/she just does not get it so in the end you just give up shake the dust of your feet and leave.

This is the state of the church today they think their ancient symbols their liturgies hold sway over 1st century truth while they use many pagan symbols such as the cross, fish and many other symbols that have nothing to do with the faith of Nazarene Israel. I bet if Yahushua came before Christians today they would not even recognise Him since they are into rote worship rather than the real relationship which He offers. They will reject Him as too Jewish guaranteed.

13 Yahushua answered and said to her, "Whoever drinks of this water will thirst again, 14 but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life."

(Hillel rule number three **Binyan ab mikathub echad**) Yahushua speaking in Drash (Allegory) tells her that while she is more interested in physical water as are most people concerned with day to day more than spiritual but He was talking about salvation (living water) that only this can satisfy her thirst to the innermost desires. People run around searching for spirituality in Tarrot cards, horoscopes, palm reading and all sorts of worldly nonsense and still thirst yet the living water is only a call away.

Jeremiah 2:13 "For My people have done two evils: they have forsaken Me, the fountain of living waters, to hew out for themselves cisterns, cracked cisterns, which do not hold water.

(15) The woman said to Him, "Sir, give me this water, that I may not thirst, nor come here to draw." (16) Yahushua said to her, "Go, call your husband, and come here."

Yahushua was not calling her real husband, the language He spoke the woman grasped per-

The Samaritan woman

fectly after He mentioned to her about the living waters but she was still confusing this in her flesh while Yahushua was in the Spirit. Many find the term born again confusing when the term really means regeneration of the spirit which can only happen when YHWH does it through His word (seed) so there needs to be a revelation which is missing in many Christians lives, no wonder they run from one miracle to the next what I call miracle chasers.

Five husbands, five divorces an adulterous or is this a wrong conclusion all along by the Church

17 The woman answered and said, "I have no husband."

Yahushua said to her, "You have well said, 'I have no husband,' 18 for you have had five husbands, and the one whom you now have is not your husband; in that you spoke truly."

The woman was a prophetess as I will demonstrate later, she was being honest that she had no husband presently as Israel was being ruled by the Romans and YHWH was not their ruler at that time. The five husbands Yahushua mentioned were:

The Egyptian Empire

The Assyrian Empire

The Babylonian Empire

The Medo/Persian Empire

The Grecian Empire

All five were not her husband as it was only YHWH that was the rejected husband! Serving other nations was akin to taking on the role of husband and Israel or the House of Israel (The Ten tribes) were guilty in this that they were punished for serving other false elohim. Today marry believers marry into forging gentile cultures which have no faith in the Messiah of Israel this is the same as marrying their false Elohim e.g. Christian marrying a Muslim, or marrying a Hindu. Such marriages can never be happy marriages.

19 The woman said to Him, "Sir, I perceive that You are a prophet. 20 Our fathers worshiped on this mountain, and you *Jews* say that in Jerusalem is the place where one ought to worship."

The woman states truthfully that the Judaen people say they worship YHWH in Jerusalem and that is where He must be worshipped while these Ephramites had setup a Temple in Mount Gerazim and so were guilty of displacing the true place of worship and also the true feasts similar to Christianity replacing Tabernacles with Christmas and Passover with Easter. She now realises Yahushua could be that Messiah spoken of they were expecting. Rome is guilty of setting up new places for worship with the Vatican and Lourdes in France. Anglican Christianity is also guilty that aligns with Rome and does replacement theology to replace Israel with herself and calls herself the new Israel.

21 Yahushua said to her, "Woman, believe Me, the hour is coming when you will neither on this mountain, nor in Jerusalem, worship the Father.

The Samaritan woman

Yahushua clearly predicts the coming judgment because not only the Temple the Ephramites thought sacred would be removed but also the Temple the Jewish people thought sacred would also be removed because of Idolatry and unfaithfulness.

22 You worship what you do not know; we know what we worship, for **salvation is of the Jews**.

We cannot escape Yahushua's conclusion that no matter how big a church we build but salvation is through the Jewish nation of Israel through **her Messiah** and not through **our creeds and traditions**. Did Yahushua ask the thief next to Him to **recite a creed to be saved** but how many in Churches will repent of their sin of pushing creeds down people's throats?

23 But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him. 24 Elohim is Spirit, and those who worship Him must worship in spirit and truth."

Worship at either place in the North or down South were useless because people's hearts were not right so the Father in heaven was really seeking those people who worship in Spirit and Truth rather than dry ritual. Yahushua was right that the present form of worship was not acceptable as the High Priest seat had been bought out highest bidder wins while the REAL High Priest was outside the Temple. How does one worship in Spirit and Truth? For that you would have to be reborn. What does that mean. It means you would need to be regenerated else you were simply still in the flesh.

25 The woman said to Him, "I know that Messiah is coming" (who is called Christ). "When He comes, He will tell us all things." 26 Yahushua said to her, "I who speak to you am *He*."

The woman now tests Yahushua by saying "I know" the Messiah is coming to which Yahushua simply acknowledges that He is that Messiah they have been seeking. The woman who was expecting the Messiah was no hooker because why would a harlot wait on a Messiah? The text has this in here to reveal the nature of the woman. This is the absurdity if you want to believe what the churches teach about the Samaritan at the well.

The Whitened Harvest

27 And at this *point* His disciples came, and they marveled that He talked with a woman; yet no one said, "What do You seek?" or, "Why are You talking with her?"

Of course they would since a Rabbi talking to a woman was not common behaviour since women were shunned in society and also the fact she was a Samaritan made it a double whammy for the disciples. Being Jewish they carried all the prejudices of the local population as we also saw in Peter's speech in Acts 10 until he was rebuked by YHWH.

28 The woman then left her waterpot, went her way into the city, and said to the men, 29 "Come, see a Man who told me all things that I ever did. Could this be the Christ?" 30 Then they went out of the city and came to Him.

The woman/church demonstrated immense amount of faith that not to even care for her wa-

The Samaritan woman

ter pot (Just as many men went away to preach the gospel to the nations) but go and tell the people in the city. No one would listen to a harlot or an adulterer but she was a prophetess so the people came to listen and come to meet this man who is the Messiah. How many times have you gone to enquire to a prostitute what the Bible teaches on some aspect of prophecy? If not they why do you believe when the church makes her a harlot and also the church wrongly teaches that since Yahushua did not condemn the woman you too can live in partner relationships which are fornication, the church has truly missed the boat

31 In the meantime His disciples urged Him, saying, "Rabbi, eat."

32 But He said to them, "I have food to eat of which you do not know."

33 Therefore the disciples said to one another, "Has anyone brought Him *anything* to eat?"

34 Yahushua said to them, "My food is to do the will of Him who sent Me, and to finish His work. 35 Do you not say, 'There are still four months and *then* comes the harvest'? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest! 36

While the disciples are concerned about physical needs of the body but Yahushua is concerned with the spiritual needs of the people. His allegory is to do with the great harvest, the feast of Tabernacles both of the Birth of Messiah and the final ingathering.

And he who reaps receives wages, and gathers fruit for eternal life, that both he who sows and he who reaps may rejoice together. 37 For in this the saying is true: 'One sows and another reaps.' 38 I sent you to reap that for which you have not labored; others have labored, and you have entered into their labors."

*It is not necessary that the same person who sows would reap so one sows, in other words teaches the ways of Yahushua and another sees the fruit of it. The process was started by our forefathers and the prophets of Israel followed through by the Messiah for us to continue teaching the besoroth gospel of truth.
The Savior of the World*

39 And many of the Samaritans of that city believed in Him because of the word of the woman who testified, "He told me all that I *ever* did."

The woman personifies the church so by her simple faith filled testimony many come to faith in the King of Israel, remember if the woman is a harlot no one would care to come listen to her.

40 So when the Samaritans had come to Him, they urged Him to stay with them; and He stayed there two days. 41 And many more believed because of His own word.

Yahushua stayed with the Samaritans two days that is important as that personifies the two thousand years that He has been in the Western world but now the time has come for Him to revive Israel as a whole unit.

Hosea 6:1 'Come, and let us turn back to יְהוָה. For He has torn but He does heal us, He has stricken but He binds us up. (2) **After two days He shall revive us**, on the third day He shall raise us up, so that we live before Him.

42 Then they said to the woman, "Now we believe, not because of what you said, for

The Samaritan woman

we ourselves have heard *Him* and we know that this is indeed the Christ,^[a] the Savior of the world."

People in the Church/Woman did not just believe because the church testified but because they saw the manifestations of the gifts and miracles and many people heard His voice personally. The world in the Bible translated in the Greek is Christ or christos but in the Hebrew framework it is simply Messiah or deliverer. The word in the Greek Christos or Christus can be applied to their false elohim too.

43 Now after the two days He departed from there and went to Galilee. 44 For Yahushua Himself testified that a prophet has no honor in his own country. 45 So when He came to Galilee, the Galileans received Him, having seen all the things He did in Jerusalem at the feast; for they also had gone to the feast.

Notice His own did not receive Him and many still don't but the gentiles mixed race does receive Him and though He had no honour with His own people but He has honour with us those of us who may not necessarily be blood line Jewish or we simply do not know our identity due to being mixed.

Hosea 7:8 "Ephrayim mixes himself among the peoples, Ephrayim has become a cake unturned.

46 So Yahushua came again to Cana of Galilee where He had made the water wine. And there was a certain nobleman whose son was sick at Capernaum. 47 When he heard that Yahushua had come out of Judea into Galilee, he went to Him and implored Him to come down and heal his son, for he was at the **point of death**.

Sickness of the Church

Although Yahushua did fine miracles but who is the nobleman and his son?

The nobleman personifies our Father YHWH

His Son personifies the church or the prodigal son Ephraim who left home to squander his wealth..

What is Capernaum? It is Kfar Nahum or the village of prophet Nahum and that word Nahum means "comfort", the village of comfort. How will the son be comforted? He needed healing and that healing could only be given by the Messiah. Do you see it? Thus the prodigal son could be comforted hence kfar Nahum. The prophet Nahum was given incredible prophecies that can only be filled at the end of times.

The son is also at the point of death, this shows us the church would be at the point of death just as it is today, the fault is theirs for writing to Torah for the Jewish people and living a lawless life. Today beautiful church buildings but empty fit this description perfectly. Also the point of death arose because Ephraim (church) did not heed the voice of YHWH and did not obey His Torot (commandments).

Yahushua came out of Judea and then into Galilee in other words rejected by Yahudah now it was Ephraim's turn. Ever heard of the term Galilee of the Gentiles? Now you might just see what I am trying to show you because the Ephramites for all practical purposes were referred to as the gentiles.

Then Yahushua said to him, "Unless you *people* see signs and wonders, you will by no means believe."

The Samaritan woman

The propensity for many is only to believe if they see signs and miracles, typical of many today in and out of church.

49 The nobleman said to Him, "Sir, come down before my child dies!"

50 Yahushua said to him, "**Go your way; your son lives.**" So the man believed the word that Yahushua spoke to him, and he went his way. 51 And as he was now going down, his servants met him and told *him*, saying, "**Your son lives!**"

The people who are the sons of Elohim will not die away even if they have a little faith left **they will live** (HalleluYah) and this is the truth that the Qahal (assembly) would be a witness of the true faithful people.

52 Then he inquired of them the hour when he got better. And they said to him, "Yesterday at the **seventh hour** the fever left him."

The number seven is the number for completeness. Remember the seven thousand years is the time when S.a.tan with his armies will completely be removed from this earth and thrown in to the lake of fire so he is like this "fever" that has a set time to depart at the seventh hour. Yahushua was speaking not only of the present but also of the future.

53 So the father knew that *it was* at the same hour in which Yahushua said to him, "Your son lives." And he himself believed, and his whole household.

54 This again *is* the second sign Yahushua did when He had come out of Judea into Galilee.

Although there is heavy onslaught against the sons and daughters of YHWH but they will live, the noble man believed in other words had faith and his whole house, this whole allegory is about YHWH and His House that He is building and all these in this house will be saved. YHWH described His house like this in the first chapter of Genesis 1:1.

בְּרֵאשִׁית בָּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ:

Note the Bet is raised in Genesis 1:1 the first word of Bersheet, like this YHWH hides incredible truth in His letters hidden in the Hebrew language. This is how the scribes have been copying this time after time because it is YHWH's house not man's so start living according to His rules not your own.
