1 John 3:4

Anyone who commits sin violates Torah, for sin is the transgression of the Torah. (RSTNE)

Therefore most believers who consider themselves "saints" are still sinning sinners. It may be a great time for a personal reality check, based on Scripture's definition of sin and sinful behavior.

I was chosen for such a time as this, out of Islam, to be given understanding of many of the things written in the Bible. Things that Daniel the prophet spoke about and to connect the book of Revelation with the book of Daniel. The two compliment each other and fit the end time prophesies of the 4th Beast (Dan 7:7) with the ten horns with the last kingdom to rise and to try and break many nations and cause much chaos and mayhem. Unfortunately many acclaimed teachers are still selling the Pope and Rome which have passed their sell by date and hold no value to any end-time scenario.

Daniel 12:4 "But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase."

Yahushua said *If anyone has an ear, let him hear **Revelation 13:9***

I did not completely understand eight years ago why He said to me "Follow Me" but when I asked Him what about my family and He said again "Follow Me". He began to show me what I was to do and when I set my first website upon His instructions not understanding the reasons which were revealed later. After eight years of my salvation in the eighth year He has made known the great day to me. The 8th day is the day of new beginnings and the day of King Messiah, we have the 8th day after the great feast of Tabernacles called Shemini Atzeret which is all about Him. The renewing of the world after the Millennium reign is all about His Kingdom when the heavens and the earth will be renewed which is the 8th day also.

Isaiah 65:17 "For behold, I create new heavens and a new earth; and the former shall not be remembered or come to mind.

The Circumcision of our Master took place also on the eighth day (Luke 2:21), the last day of the Feast, the "Great Day of the Feast" John 7:37.

Luke 2:21 And when eight days were completed for the circumcision of the Child, His name was called Yahushua, the name given by the angel before He was conceived in the womb.

On the 8th day, the great day the sacrifices were to be 1 bull, 1 ram, 7 lambs and 1 goat. This equals 10 which is the number for judgment, remember ten tribes and judgement upon them? So on the 8th day (after 7000 years) the great white throne judgement will be set in future also.

Deuteronomy 28:1

"Now it shall come to pass, if you diligently obey the voice of the YHWH your God, to observe carefully all His commandments which I command you today, that the YHWH your God will set you high above all nations of the earth.

All signs and all feasts point to Yahushua yet many Christians are disobedient and only pay lip service to the feasts and do not understand why circumcision was an important covenant commandment given to father Abraham for ALL times and demonstrated in Master Yahushua.

As a Muslim I was like a stone I would never cry but after receiving the heart of flesh from Yahuweh (Ezekiel 36:26) I shed a few tears for my brethren who were martyred brutally by the Islamists there and the grief of their families to lose their loved ones.

None of these three men knew that what awaited them at the Bible study was the ultimate testing and application of their faith, which would conclude with their entrance into glory to receive their crown of righteousness from Christ and honor from all the saints awaiting them in the Yahushua's presence.

[Details of the torture--

- ◆ Tilman was stabbed 156 times, Necati 99 times and Ugur's stabs were too numerous to count. They were disemboweled, and their intestines sliced up in front of their eyes. They were emasculated and watched as those body parts were destroyed. Fingers were chopped off, their noses and mouths and anuses were sliced open. Possibly the worst part was watching as their brothers were likewise tortured. Finally, their throats were sliced from ear to ear, heads practically decapitated.]

What was their crime? Translation and printing of Bibles to reach the darkness!

I remember the time I debated Jacob Prash in Bridge Lane Chapel last year when he stood their unable to answer any of my Biblical questions simply mocking my character and the whole church laughing at me at Jacob's jokes.

Now hopefully that the laughter has stopped that Islam is The Beast not just the spirit of the anti-Messiah but The Anti-Messiah which prophet Daniel described. It is important to understand all seven churches in Turkey in the book of Revelation say something such as all of these will come in persecution by the Islamists. Much of the present church remains in blindness over this and still is adamant that the Pope is evil and Vatican is the city of harlot misinterpreting scripture and blinding the believers with science.

Trip to Italy and US

My first stop was Italy Naples where I taught on the feast of Passover and on end times, my second trip was to the city of Puteoli now known as Puzzoli pronounced Pussoli mentioned in the Bible where Rabbi Paul of Tarsus stayed for seven days.

Acts 28:13 From there we circled round and reached Rhegium. And after one day the south wind blew; and the next day we came to Puteoli,

I believe Yahuweh took me to Italy to show fulfilment of a prophecy yet to take place but I was the shadow and the real deal is to come. Why was I the shadow, He revealed that to me en-route to Italy on the plane. When Yahuweh judges the Islamic nations then many Muslims who would get saved would go far into the European nations glorifying Yahuweh just like I went to do. Javan is a clear mention to the place of Italy as his sons ended up in southern and northern Italy.

Isaiah 66:19 "I will set a sign among them; and those among them who escape I will send to the nations: to Tarshish and Pul and Lud, who draw the bow, and Tubal and Javan, to the coastlands afar off

who have not heard My fame nor seen My glory. And they shall declare My glory among the Gentiles.

Next stop was New York. The group that I spoke to included at least one Muslim and her boyfriend who claimed to be a Christian though in my personal opinion he did not know who Yahushua is at all. He vehemently objected to me labelling many Muslims with Jihadi intent to kill and protested that Muslims don't teach this, but sadly he had no backing for his convoluted beliefs and superfluous claim.

Surah 5:76 They are pagans who say 'God is the Third of Three'. No god is there but the One God.

Quite clearly he does not realise that the Qur'an even calls the Ahleh Kittab (people of the book that is both Jews and Christians) pagan.

I had to show him how I was brought up steeped in an Islamic environment to fight and kill the infidels, it was only a miracle from Yahuweh that kept me joining the so called freedom fighters of Islam and that his so called Islamic knowledge could not contradict the clear statements in the Qur'an which were regurgitated to us as children.

Sura 9.29 Fight those who do not believe in Allah [Allah is not the Elohim of the Bible], nor in the latter day [atheists, polytheists, humanists and animists], nor do they prohibit what Allah and His Apostle have prohibited [this includes all people who do not comply with food restrictions and general laws of Islam], nor follow the religion of truth [that means "Islam" and applies to all non-Muslim people], out of those who have been given the Book [Includes Jews and Christians especially], until they pay the tax in acknowledgment of superiority [submission tax called Jizya for those who do not believe in Muhammad and Allah] and they are in a state of subjection [humiliate them in subjection i.e. until they feel the only path for them is to become Muslims to avoid this over taxation and humiliation in their daily lives].

I told him you better believe that what you believe is nothing but a lie that Islam is peaceful and that our teachers did not say go kill Americans in those days, in fact it was easier in that they labelled everyone as an infidel who was not Muslim to be slaughtered or converted.

What disturbed me most was the fact that he cited someone he could not remember the name of someone who appeared on a TV station saying Islam is peaceful and that was enough to convince him. In other words the American public can be fooled so easily. I explained to him that such statements of peace have been abrogated in the Qur'an long ago and since he has no knowledge of Islamic jurisprudence he should not tout such claims. The topic was about what the Bible taught about end of days and make note our final clash is with Islam, even Muslims know this. I heard this guy said afterwards that he wanted to punch me but that is sadly the state of our world today, when you speak the truth in love you might actually get punched: -) I dread to think what they will call a Caucasian man teaching Islamic objective and goals, more than likely they will say he belongs to the klu klux klan or British National Front. By the way I was labelled as a dangerous man by this particular person after my talk on Bible prophecy, I believe he is correct as I am very dangerous for Satan's kingdom as it be being exposed all the time.

I guess Mahmood Ahmadinejad must be his ultimate hero alongside Hitler and Stalin. The word Mahmood Ahmadinejad means "praise worthy Messiah". I am not surprised that he is in a hurry to bring in the Mahdi.

My next stop was California, the visit to the US was totally planned by the Holy Spirit and brought much fruit and joy visiting the brethren in different churches and teaching them things of the end. It was a great pleasure to teach alongside Brad Scott and Bill Cloud, two well known teachers of the Hebrew roots, and to reinforce the message of Yahuweh and His eternal holy laws. It was good to see how the different communities are fairing and glorifying Yahushua our Master and Saviour.

I toured Sacramento and the neighbouring churches in California alongside the local Ukrainian/Russian church, appearing on the Radio and TV making a real impact so that many will come to know what was written so long ago by Daniel the prophet and written down by John of the things and their final fulfilment now ready to be fulfilled in our time. For the full story you will have to get

Muslim Evangelism - a few thoughts

the book world war III—Unmasking the end times beast from www.abrahamic-faith.com.

One lady was so excited she said I prayed is Simon for real? The voice of Yahushua told her **“I have raised a prophet from the deep sands of the Desert”**, after she heard this voice she was at every meeting I went to so she would not miss anything as I spoke in different areas of Biblical prophecy and Muslim evangelism.

I met another lady who got saved by Yahushua is now ministering to many drunkards and vagabonds those that no church wants as they make the church image look bad. She said the royal dude (referring to King Yahushua) told me in my ear to take for Simon North Indian food and she brought loads of northern Indian food as it is spicy and my favourite (my parents came from Northern India) and she said He kept telling me to go buy this and take it to him and also told her to bring the best white and red grapes in town with the soft pears. Wow Praise Yahuweh He really is great not that I would want any bribe to praise His Holy Name but it was very humbling for me to know that the God of Infinite love knows me personally and loves me, I thank my Master and Saviour my King to whom I always bow my head.

My thanks to the brethren there who helped organise this trip which really was not according to any of my plans.

Muslim evangelism—a few thoughts

A new acronym for Islam equals **“I should love ALL Muslims”**, this is what a brother suggested from Ukraine and I totally agree to that many Muslim people may come to know and accept Yahushua and His sacrifice for their sins.

Isn't it ironic that many Christians are still being taught false doctrines and are stuck in a rut misinterpreting and misrepresenting Rabbi Shaul/Paul of Tarsus who was obedient to ALL these things and understood the reasons and what they demonstrated admonishing the believer community to be obedient and put obedience before customs of the many Rabbis which were burdensome to the people.

Here are Yahushua's own words for us to be Torah obedient for righteous living

RSTNE

Matthew 23:1-3 Then spoke יהושע to the multitude, and to His talmidim, (2) *Saying, The Sopherim and the Prushim sit in Moshe's kesay: (3) All therefore that Moshe's kesay will invite you to observe, that observe and do; but do not do after their mitzvoth: for they say, and do not.*

The Hebrew Shem Tov reads yomar, which literally means what “they” will declare in future rulings. The future rulings of those in Moses Seat that do not contradict Torah must be done. All Aramaic and Greek manuscripts without exception, speak of these leaders in the plural, as opposed to just two out of nine existing Hebrew Matthew Shem Tov manuscripts that seem to speak of Moses in the singular. Yet even in these two exceptions, the word that should be used if it was referring to Mose's teachings in the past would be amar and not yomar, as used in those two cases. Yomar is best understood as future consensus rulings by Yisrael's leaders based only on Mose's teachings. In addition all verbs and pronouns in verse three are plural.

This does not mean as some teach that all things that Judaism teaches, even when wrong, believers must follow. That is not what Moshiach is teaching.

Eight years ago when I received the “seed” for the new birth in the kingdom of Yahweh I knew many things that the Christian community had adopted were ill conceived and misjudgements however it was not my business at that time to go around correcting and admonishing the brethren, however I feel as a teacher now it is my duty to tell the brethren whether they listen or not is for them to decide and for Yahuweh to judge. Yahushua asked me to be obedient to His ways and His works and thus I remain at least in my flesh trying to do what pleases My Master. In Christendom many do not realise that the Muslims say two strikes and you are out, in other words they judge the body of Yahushua by how they behave and what they eat! Muslims will often see Christians eating pork and wearing inappropriate attire and will rule out any chance of them having truth because even they know what the Bible teaches on these things and they do not see dispensationalism as God given truth. In fact I call it abrogating scripture and none of us can stand and prove that this is not abrogating the commandments of Yahuweh which is exactly what dispensationalism does. It is another ism of many that takes away and subtracts from Yahuweh's holy laws, making people live disobedient lives calling it freedom while this is exactly the opposite which I would call men's doctrines and legalism to break Yahuweh's holy commandments.

Another look at the Tree in Romans 11

Pork alone is a big stumbling block for Muslims, the fact that the Bible says one thing but many Christians are adamant on doing another when there is not one clear scripture to annul this commandment. Two and two is not five but this is what many Christians are being taught and led to believe. The biggest stumbling block for both Jewish and Muslim people coming to salvation is table fellowship. Are we surprised that this was the stumbling block in the 1st century church when Paul, Peter and Barnabas were also wrestling with these issues which were brought to the first Jerusalem council!

The Muslims do not see the food laws as a separate issue from salvation thus they shun people who they see claiming to follow Yahushua who was/is **Jewish** and never touched pork or ever even thought about eating it.

Yahuweh is concerned about the two sons of Abraham and one the elder was Ishmael for whom Abraham asked Yahuweh Genesis 17:18 "And Abraham said to God, "Oh, that Ishmael might live before You!" Abraham was not only talking about Ishmael at that time only but future also of the progeny of Ishmael who at some point went worshipping false gods and today worship Allah the deity that is deceiving them. It is our duty to give the Muslims the message of the gospel that is the only thing that can save their lives from the bondage and slavery that they are in. Let's pray that new warriors will be raised to witness to the Muslims with love and real understanding that they see the master and give their lives to Him for their only eternal hope.

Another look at the Tree in Romans 11

Romans 11:17 And if some of the **branches were broken off**, and you, being a **wild olive tree**, were grafted in among them, and with them became a **partaker of the root** and **fatness of the olive tree**,

Paul identifies the returning gentiles as "wild olive tree branches" being grafted into the natural olive tree (ALL twelve tribes). He says we have become partakers of the "root" and **fatness** of the olive tree. By the way it is believed that Messiah Yahushua carried a wild branch of the olive tree or the beam of the cross made from it which He carried to Mount Olives where He was hung on the natural Olive tree thus grafting the wild into the natural.

So we have

- Natural Green Olive Tree - Israel
- Branches - the children of Israel (12 tribes)
- Branches broken off (Judah and House of Israel cut off for disobedience)
- Wild Olive tree - Gentiles/pagans worshipping a false god.
- Wild branches - Gentiles returning to the natural tree when they begun worshipping the God of Israel.
- Fatness of the Tree - Blessings of the covenants only available if you are in this Tree.
- Root - used interchangeably for the Messiah and God of Israel.

Agriculturally speaking you would graft a natural olive tree when it is lacklustre in energy and vigour with the wild olive tree to make it stronger and more productive and this is what had happened to Israel, their lacklustre attitude and ritual had led to dry individuals not really seeking after God or serving Him as He desired. We need to be careful of how Paul identifies different words at different times e.g. here Paul talks about the "root" and us becoming "partakers" of the "root". Clearly the word "root" is used in dual usage for the **covenants of Israel cut with our forefathers Abraham, Isaac and Jacob** because we became partakers of the covenants of Israel by being grafted in since the word "root" is also the covenant maker Master Yahushua without whom there is no one to make

the covenant with.

The "**fatness**" of the olive tree are the blessings that can only come from within Israel's right to her relationship with Yahweh the God of Israel, the blessing was conditional upon obedience whenever Israel obeyed Yahweh He blessed them tremendously but when they backslid He punished them.

Jeremiah 11:16-17 The Lord called your name, **green Olive Tree**, Lovely and of Good Fruit. With the noise of a great tumult He has kindled fire on it, and **its branches are broken**. (17) "For the Lord of hosts, who planted you, has pronounced doom against you for the evil of the house of Israel and of the house of Judah, which they have done against themselves to provoke Me to anger in offering incense to Baal."

The green Olive tree represents all 12 tribes, the House of Israel and House of Judah as in Jeremiah 11: 16 so our validating text is this one for what is the olive tree.

Romans 11:18 do not boast against the **branches**. But if you boast, remember that you do not support the **root**, but the **root** supports you.

The use of "Branches" here is applicable to Judah (Including Benjamin) but in its wider context can also apply to the House of Israel so Paul here says that the returning gentiles (Lost sheep of the House of Israel) are also "Branches but albeit wild ones". We must remember that the term "Branches" applies to all 12 tribes the two divided houses of Israel that were being reunited but Paul's usage here determines the context as he switches in and out of the text.

What is the word "Root" here? Clearly as he relayed the "Root" here no longer refers to the "covenants made with the Patriarchs" of Israel. Some teachers see the "root" as Judah but this is contradictory to scripture and the way Paul is reasoning here. If the "Root" was Judah then how is Judah supporting me or anyone else for that matter? The answer is it isn't. The word "Root" here can only refer to the God of Israel as the word is *sheresh* in the Hebrew which has the two letter root *resh* and *shin* which really applied only to King Messiah taking the various text of the Tenach into consideration who supports all the branches including the unbelieving ones in Judah. If it was not for His grace and mercy they would all be finito.

Romans 11:19-20 You will say then, "Branches were broken off that I might be grafted in." (20) Well said. Because of unbelief they were broken off, and you stand by faith. Do not be haughty, but fear.

Rabbi Paul again identifies the "Branches" as twelve tribes but if the "Root" was Judah then how can it be broken off and yet be self supporting? This clearly shows us that the "Root" is a person, L'ha Sharesh not the persons in the Tree but the "Root" is what identifies the "branches" for without the "Root" there is no identification so here it can only refer to the Messiah of Israel King Yahushua.

Romans 11:21 For if God did not **spare the natural branches**, He may not spare you either.

Stark warning for those who believe once saved are always saved even if they are living in sin or in backslidden state. God is able to cast out people and cut them off if they not turn from their unbelief.

Romans 11:22 Therefore consider the goodness and severity of God: on those who fell, severity; but toward you, goodness, if you continue in His goodness. Otherwise you also will be cut off.

Paul makes it clear that God is good towards the returning gentiles but if they continue in "unbelief" then they may end up just like Judah was.

Romans 11:16 For if the firstfruit is holy, the lump is also holy; and if the root is holy, so

are the branches.

The "firstfruit being holy applying the text in John 1:1 and Genesis chapter 1 only refers to King Messiah of Israel in its Biblical twist since He carries the name of Israel as witness for the firstfruit of resurrection (the first one to be raised from the dead), also it can be applied to the nation which was chosen to be the firstfruits i.e. the first resurrection only for those who are the believers in Israel the worldwide community not just the land we see today.

Paul defines four clear things.

- Firstfruit - Messiah in His dual role man and redeemer to have been the first resurrection, it can also define the Patriarchs in the order of covenanted ones to be raised from the dead and Israel the people.
- Lump - The descendents of the Patriarchs.
- Root - The Elohim of Israel or the King Messiah.
- Branches - All the children of Israel being from All the twelve tribes.

Jeremiah 2:3 Israel was holiness to the Lord, the firstfruits of His increase. All that devour him will offend; disaster will come upon them," says the Lord.' "

Here we can see that Jeremiah mentions the whole of Israel as the firstfruits i.e. the nation being chosen to represent **salvation to the world**.

Romans 11:25 For I do not desire, brethren, that you should be ignorant of this mystery, lest you should be wise in your own opinion, that hardening in part has happened to Israel until the fullness of the Gentiles has come in.

This is the mystery that the Ephraimites are returning and are being grafted in. The "fullness of the gentiles" is the same prophecy that was given to Ephraim with the blessing of Jacob in Gen 48:19 to become many gentile nations.

Genesis 48:19 But his father refused and said, "I know, my son, I know. He also shall become a people, and he also shall be great; but truly his younger brother shall be greater than he, and his descendants shall become a **multitude of nations (fullness of the gentiles)**."

The land has been purchased, I am awaiting maps and build plans to get an exact estimate of money needed to complete the project. I pray and wish to communicate to the brethren that I aim to get this project up and completed for this year's feast of Tabernacles so that the Pakistani Christian brothers/sisters for the first time in the history of Pakistan can celebrate this great feast together and we wish to take back the land that Satan has usurped for Yahushua our mighty King for everything
