Jews barred from the Temple mount!

If this had happened to the Muslims in Mecca there would be an outrage. The whole Muslim world would take to the streets with rioting if they had been told that the Jews would not allow them to visit their holy site.

It seems these days the ones who make the loudest noise are heard the most even if their lips are full of guile but then again the Arab Muslims do have the oil which gives them a voice, so they can make as much noise as possible with the Western governments appeasing them by airing their views on the Western Media.

Since this is precisely what happened to the Jews this week when the Temple Mount was closed to the Jews once again and has been since the outbreak of Oslo war. This is because the Muslim Waqf who take their instructions from Yasser Arafat who said the Jews could not ascend to the Mount on their day of mourning on tisha b'av or else he threatened violent riots so the police were forced to close the site to the Jews for fear of security.

The poor Jews once again have to keep their mouths sealed and bear the brunt, nobody wants to know

since it is considered that the Jews only have an axe to grind yet if this suppression was done by the Jews then we would surely hear screams of protest from the Muslim camp shouting that this evil Zionist entity is out to deny them their rights.

Funny isn't it when you consider that the Muslims have no mention of Jerusalem in their holy book (The Qur'an)? Yet when you read the Hebrew Scriptures you find page after page with the mention of Jerusalem as the place of the holy Temple Mount.

God will not be silent or mocked forever, God may be allowing this now but a time is coming soon that the holy God of Israel will have his presence on the holy Mount and get rid of all idolatrous worship defiling the sanctuary of God only then they shall all know the Lord God of Israel.

Joel 3:2 I will also gather all nations, And bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there On account of My people, My heritage Israel, Whom they have scattered among the nations; They have also divided up My land.

The nations who are out for peace i.e the pervasive road map for peace were rejoicing at the hudna (cease fire), some London newspapers cite that hostilities have gone down dramatically since the hudna. It seems like a big deal and what a great success we have but it is not as good as it looks.

The IDF had to counteract 167 attacks on Israeli civilians including the capture of three would be suicide bombers yet we are deluded into this false sense of peace when there is no peace. So if out of 300 only 167 attacks happened with mortars guns and bombs then what big deal is this hudna about that the London based papers are celebrating?

The nations trying to divide the Jewish land will be judged by God and will have to pay a heavy price for siding with the terrorists and making them feel welcome.

SURPRISING FACTS REGARDING THE HISTORY OF ISRAEL

Next year in Jerusalem!

*“For over 3,300
years,
Jerusalem has
been the
Jewish capital.”*

*“The Jewish
refugees were
forced to flee from
Arab lands due to
Arab brutality,
persecution and
pogroms.”*

Many believe America has become a terrorist target because it has befriended the nation of Israel. That could be so. The mass media often seems sympathetic to the claims of the Palestinians who claim the right to Jerusalem as their capital and to Israel as their land.

The following are some conveniently overlooked facts in the current Middle East situation, which was compiled by a Christian University Professor.

It takes just a minute or two to read. What does the following evidence prove to you?

1. Nationhood and Jerusalem. Israel became a nation in 1312 B.C.E., two thousand years before the rise of Islam.

2. Arab refugees in Israel began identifying themselves as part of a Palestinian people in 1967, two decades after the establishment of the modern State of Israel.

3. Since the Jewish conquest in 1272 B.C.E. the Jews have had dominion over the land for one thousand years with a continuous presence in the land for the past 3,300 years.

4. The only Arab dominion since the conquest in 635 C.E. lasted no more than 22 years.

5. For over 3,300 years, Jerusalem has been the Jewish capital.

Jerusalem has never been the capital of any Arab or Muslim entity. Even when the Jordanians occupied Jerusalem, they never sought to make it their capital, and Arab leaders did not come to visit.

6. Jerusalem is mentioned over 700 times in Tenach, the Jewish Holy Scriptures. Jerusalem is not mentioned once in the Koran.

7. King David founded the city of Jerusalem. Mohammed never ever came to Jerusalem or set foot.

8. Jews pray facing Jerusalem. Muslims pray with their backs towards Jerusalem.

9. Arab and Jewish Refugees: In 1948 the Arab refugees were encouraged to leave Israel by Arab leaders promising to purge the land of Jews. Sixty-eight percent left without ever seeing an Israeli soldier.

10. The Jewish refugees were forced to flee from Arab lands due to Arab brutality, persecution and pogroms.

11. The number of Arab refugees who left Israel in 1948 is estimated to

be around 630,000. The number of Jewish refugees from Arab lands is estimated to be the same.

12. Arab refugees were INTENTIONALLY not integrated into the Arab lands to which they fled, despite the vast Arab territory. Out of the 100,000,000 refugees since World War II, theirs is the only refugee group in the world that has never been integrated into their own peoples' lands. Jewish refugees were completely absorbed into Israel, a country no larger than the state of New Jersey.

13. The Arab - Israeli Conflict: The Arabs are represented by eight separate nations, not including the Palestinians. There is only one Jewish nation. The Arab nations initiated all five wars and lost. Israel defended itself each time and won.

14. The PLO's Charter still calls for the destruction of the State of Israel. Israel has given the Palestinians most of the West Bank land, autonomy under the Palestinian Authority, and has supplied them with weapons.

15. Under Jordanian rule, Jewish holy sites were desecrated and the

SURPRISING FACTS REGARDING THE HISTORY OF ISRAEL

Jews were denied access to places of worship. Under Israeli rule, all Muslim and Christian sites have been preserved and made accessible to people of all faiths.

17. Of the 690 General Assembly resolutions voted on before 1990, 429 were directed against Israel.

16. The U.N. Record on Israel and the Arabs: of the 175 Security Council resolutions passed before 1990, 97 were directed against Israel.

18. The U.N. was silent when 58 Jerusalem Synagogues were destroyed by the Jordanians.

19. The U.N. was silent whilst the Jordanians systematically desecrated the ancient Jewish cemetery on the Mount of Olives.

20. The U.N. was silent while the Jordanians enforced an apartheid-like policy of preventing Jews from visiting the Temple Mount and the Western Wall.

Conclusion:

The Jewish people do not have a voice in the political arena because they are portrayed as the oppressors rather than the oppressed but these facts suggest oth-

erwise.

Americans gets a bad name because they involve themselves in peace treaties to solve middle-eastern issues!

A life for Lust!

The Islamic Paradise is one which is full of sexual encounters but also full of eating and drinking.

The hadith make the absurd claim that you can belch your way to digestion!

These are the things that Muslims get embarrassed about because clearly we are facing two different God's, the God of the Bible and the God of the Qur'an. The Qur'anic God asks to follow him to indulge in orgies with 72 houris (big breasted virgin women) in heaven,

Koran 78:31 As for the righteous, they shall surely triumph. Theirs shall be gardens and vineyards, and high-bosomed virgins for companions: a truly overflowing cup.

Conversely, the God of the Bible would rebuke us for these things on earth, where as we are to be in his holy presence like Angels when in heaven. Yahshua said;

"The sons of this age marry and are given in marriage, but those who are considered worthy attain to that age and the resurrection from the dead, neither marry, nor are given in marriage; for neither can they die anymore, for they are like angels, and are sons of God, being sons of the resurrection" (Luke 20:34-36).

The other thing is these houris are meant only for Muslim males not for females as the Islamic women get nothing.

Koran 37:40-48

...They will sit with bashful, dark-eyed virgins, as chaste as the sheltered eggs of ostriches.

We have seen what corrupting influence these things have had on Islamic homicide bombers in Israel who go to blow themselves to murder the Jews for seventy two virgin houris in heaven! In his final instructions to his fellow comrades, alleged September 11 hijacker-in-chief Mohammed Atta reassured his fellow fanatics, "You should feel complete tranquillity, because the time between you and your marriage in heaven is very short."

Koran 44:51-55

...Yes and We shall wed them to dark-eyed houris. (beautiful virgins)

When Palestinians commit a suicide bombing in Israel, their deaths are announced in Palestinian newspapers as weddings: "The Wedding of the Martyr Ali Khadr Al-Yassini to the Black-Eyed in Eternal Paradise." (NY Times Sunday Magazine 10/28/01, "What Makes a Suicide Bomber?" p. 51.)

Well let's see the reference to the houris.

In the Hadiths, Mohammed goes one step further and expands the promise of virgins to include a free sex market where there is no limit of the number of sexual

My mission is to proclaim the truth of the Scriptures, because it is a commandment of our Lord Yahshua HaMashiach, who said:

Mat 28:19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

Our Lord also said

John 14:15 If ye love me, obey my commandments.

partners. Women and young boys are on display as if in a fruit market where you can choose the desired ripeness.

Quote from Hadiths

Al Hadis, Vol. 4, p. 172, No. 34

Ali reported that the Apostle of Allah said, "There is in Paradise a market wherein there will be no buying or selling, but will consist of men and women. When a man desires a beauty, he will have intercourse with them."

YOUNG BOYS

Homosexuality was and is widely practised in Islamic countries albeit hidden and kept under wraps. You may have heard of the Taliban Government before they were disbanded by the war who crushed homosexuals under a brick wall, this is another proof that the homosexuals exist in Islamic nations but since the subject is so touchy it is kept hush hush.

Koran 56:17

Round about them will serve boys of perpetual freshness.

To please the homosexuals among his followers Muhammad promised them pre-pubescent boys in Paradise. So after committing plunder, loot, rape and murder in this life, the followers of Islam get "rewarded" by untouched virginal youths who are fresh like pearls.

The relevant verses from the Koran are:

Koran 76:19

And round about them will serve boys of perpetual freshness: if thou seest them, thou wouldst think them scattered pearls.

So next time a Muslim comes parading around telling you how righteous his faith is and how gracious Allah is (the Islamic God) please refer him to these passages and ask the million dollar question, why would a holy God reject these things on earth and allow them in his holy presence?
