Was Y'sra'el recreated by the hand of Elohim or men in 1948?

Who is the The eternal King of kings

John 10:9

I am the door by me if any man enters in, he shall be saved, and shall go in and out, and find pasture.

A little known truth.

At the time of the slave trade in American when the Hebrews were taken from Africa and brought over to the West the black babies used to be used as bait to catch big alligators in Florida by the Caucasian slave masters and these babies would get eaten by the alligators in order to lure the alligator into the trap. This is why one of the common terms in America for black Hebrews is alligator bait.

Many black Hebrews who chase after the white Caucasian Jews do not realize that the Caucaians are not the true children of Israel but are converts out of Russia and Eastern Europe.

Deut 28:41 You shall give birth to sons and daughters, but You shall not enjoy them; for they shall go into captivity.

Even many Spanish, Indians and Latinos are the children of Israel but don't know it that there was a program made in the US to exterminate them called The Alfred King Project. Africa was deliberately infected with the laboratory produced Aids virus in the US. The US today is the Type of ancient Egypt. It will be brought down low one day and that day is not coming closer and closer.

The Hebrews have truly lost their identity and wonder why they are suffering. Little do they realize that they are suffering the curses for being Israel who rebelled. The only one way is to return back and repent to obey the Torah.

Was the Recreation of Y'sra'el in 1948 Scriptural, Yes, No? By Rabbi Simon

If I asked any of you that has Y'sra'el been recreated by Elohim in 1948 then many of you will be more than happy to say yes. If I pressed you hard to show me a prophecy that says Y'sra'el would be recreated in 1948 you will run to the book of Yeshayahu (Isaiah) and show me the verse and say here you go.

Yeshayahu (Isa) 66:8 Who has heard such a thing? Who has seen such things? Shall the earth be made to bring forth in one day? Or

Was Y'sra'el recreated by the hand of Elohim or men in 1948?

shall a nation be born at once? For as soon as Tsiyon travailed, she brought forth her children.

If I then asked you have the Ysralites returned you will be glad to tell me of course just look over at Y'sra'el. Then if I plod you further where did these masses return from? You will be so excited to tell me from Europe and Russia just as the Bible said it would happen. I certainly am amused by your candor but then I ask you please show me where it says in the bible that the first returnees or the tribes will come from Europe and Russia. Mind you this is my way of narrowing things down so that we can both see what you say and what is in scripture lines up or not.

Ps 135:3

Praise יהוה; for יהוה is good: sing praises to his name; for it is pleasant.

This may give you pause for thought to search in the scriptures. Ah now things become a little trickier. I also advise you that the prophecy you cited earlier does not fit with the return of 1948 which gives you a 440 volts shock and you get taken back a little. You retort why?

It has now become apparent to me that you have likely learnt this stuff from some messianic or Christian assembly and have never really looked into the prophecies to verify these things for yourself for context or sat with a teacher knowledgeable enough to guide you why things cannot just be applied randomly out of the bible to fit anyone's preconceived worldview. That is what normally Christians do.

It's also clear to me that you do not understand that when Y'sra'el came into being in 1948 there were a lot of people in the Arab side murdered and evicted from their homes. A lot of people who subsequently went to Y'sra'el or supported Y'sra'el and its state, It was big money like the Rothschild's (Red Shield) the German bankers who used their unrighteous money to bring Y'sra'el as a nation together through the British with political lobbying and sweeteners.

So I ask you if you are even remotely suggesting that Elohim is responsible for sin and allows unrighteous wealth to bring His kingdom together? Is murder no longer sin? Then what about the murder of Palestinians in the land? Is usury no longer sin which is how the Rothschild's have been earning their money since the 18th century by putting the world into debt and then using that same unrighteous mammon to further their goals.

Should we just ignore these matters and treat this like a war where anyone can be killed but in a war when people are killed usually they have guns to fight back but the Arab men and children who were lined up from ten to fifty years of age had no guns to fight. This was no Joshua conquering the land from the mighty Canaanites but Zionists oppressing and removing poor Arabs hardly capable of defending themselves.

They were told to march towards Jordan; if they refused then they were shot. Village after village was depopulated the same way while the lies that are perpetrated in the Zionist media that Palestinians simply left. Does anyone just

leave a home where they may have lived for centuries or even decades? Would you leave your home where you have lived for twenty or thirty years without a fight if someone came along to evict you?

Does this sound like Palestinians leaving their homes voluntarily when villages were systematically depopulated one by one, another lie branded by the Zionists that the Palestinians had left to return. Their homes were bombed and forcefully evacuated. Does all this sound like righteous war? Perhaps the Palestinians are just rats and spiders which could just be squashed under foot, their women, children can just be randomly picked off while walking in the streets and shot and killed. Is this not the same attitude Hitler had over the Jews of Europe? And they act the same to other foreigners in the land. Yet even the Palestinians who wanted to remain in place would have fared much better under Moses.

Shemoth 22:21 You shall neither mistreat a foreigner nor oppress him, for you were foreigners in the land of Mitzrayim (Egypt).

The homes of Palestinians have been demolished at the whims and desires of the likes of Benjamin Netanyahu. What you sow you will reap. The time for this unrighteous nation and its judgment is looming and it's a matter of time before YHWH unleashes His judgment. If no repentance has come forth with actions then no one can stop the judgment for the cleansing that will go forth into this land first before the real Y'sralites are taken back and the illegal immigrants, the Zionists removed from the land. Only those will remain that Yahuweh sees fit according to His will.

The bullying of the nations was evident in the flytilla last week when nations were bullied from stopping people to fly into Y'sra'el for peaceful protests. Many of these people who did manage to get to Tel-Aviv were taken into jails for no apparent crime yet none was carrying a weapon and no one fired a shot.

Pro-Palestinian 'flytilla' stopped at airports by Israeli security

By Catrina Stewart in Jerusalem

Saturday, 9 July 2011

Israel detained dozens of pro-Palestinian activists yesterday at its main airport and deterred hundreds more from boarding flights to Israel in a security operation ridiculed by domestic media as excessive.

In the second mass event protesting Israel's policies towards Palestinians in as many weeks, up to 800 rights campaigners had hoped to land in Tel Aviv yesterday and declare their intention to travel to the occupied West Bank to try to expose Israeli restrictions on access to the Palestinian territory.

Israel largely thwarted those plans after issuing foreign airlines with a blacklist of more than 340 people compiled from social media sites. It urged the airlines to prevent the activists from boarding, warning them that they would bear the cost of flying them back. Most of those who did make it onto their flights – at least 55 – were stopped at Israeli immigration and faced deportation.

The sail boats that had taken part parked in Greece were sabotaged by the Y'sralite secret police in Greece and Turkey while both Greece and Turkey took part in the unrighteous actions with Y'sra'el. Or maybe it was the swordfish that put their long snout in the propellers and broke the propellers instead! The swordfish must have been working under cover to attack at the same time.

Yet these people have the audacity to say that they are a democracy. Yahuweh wants a theocracy and not a demolition demo-kretinacy that is leading people to destruction. One can understand that when

Was Y'sra'el recreated by the hand of Elohim or men in 1948?

Gog and Magog attack Y'sra'el part of the Gog-turks are already in the land pretending to be Y'sralites. These will also be flushed by Yahuweh (Ezek 38:1, 22).

Israel rejects allegations it sabotaged Gaza flotilla ships

By Barak Ravid and The Associated Press

Israel has denied claims it sabotaged ships trying to breach its naval blockade of the Gaza Strip.

Activists have accused Israel of damaging two ships docked in Turkey and Greece that are part of a flotilla attempting to reach the Palestinian territory with humanitarian aid.

Y'sra'el has become nothing but a bully state in the east and the nations see it the same way. No one today sees Y'sra'el as the nation that was meant to give light unto the world. How Can They Give Light That Don't Have Any Since They Are All Euro Foreigners, Illegal Occupants, Land Grabbers In The Land Trying To Force The Kingdom Of Yah Thinking They Have Some Kind Of Divine Right. The truth is they don't!!!

You can argue all day and praise them but the unrighteous state of Y'sra'el will not change because in 1948 it was created with unrighteous wealth. In fact things have become worse in Y'sra'e and day by day will not improve.

Y'sra'el today is the homosexual capital of the middle-east where homosexual men feel safe and go to look for refuge. Did Elohim not command to eliminate sodomy from the land? Would that not then mean that any type of homosexuality has to be banned in the land and those who are of this inclination removed? See what many are doing instead? In their ignorance they blaspheme YHWH and attribute sin to him. Do You suggest that Elohim created Y'sra'el in sin? This is what all of those who proclaim Y'sra'el have been doing. How foolish of them which lack understanding while ignorantly promoting vice.

We cannot just dodge the issue. The second issue is of Muslims and their mosques in the land. If this was really Yahuweh's recreation then why were the mosques not removed from the land immediately? Why was the Temple mount not cleansed? You may be forgiven for making the excuse that in 1948 the Zionists were not strong enough to do that but what about in 1967 when they were strong enough? The evidence is pretty clear that Y'sra'el's present recreation is by the hands of men, the claim to the land by the European Zionists is false but it was allowed to stand simply because the persecution they faced in the German holocaust. The nations felt an injustice had been done so they voted for the land to be given to these men. These men and women are gentiles and not of true Y'sralite stock but that is another dilemma that many of you need to resolve. You also need to answer how a white race ended up in a black land!

From these facts alone one is clear that Christians and Zionists have come to some very faulty conclusions without any understanding of what has been proposed is simply impossible. This is not a denial of the fact that Y'sra'el as a secular state does not exist on the contrary it does. It did come into existence via all the necessary secular channels but that does not give it credibility as a state recreated by YHWH. It is foolish to say that YHWH needed the vote of nations to recreate His state. Did he need the vote of nations in Egypt to remove his people from bondage?

Now to look at the prophecy in Isaiah 66:8 if it was true for 1948 and I will categorically tell you it cannot be applied to 1948. A land created in sin cannot have the righteous hands of Elohim upon it. A righteous Elohim can allow sin to continue until a time He no longer will tolerate it but we cannot attribute sin to him.

Am I the only one to ask these questions and see that things don't seem to fit? Maybe you do not see things as I do but that is OK however now I am putting you on the stand and asking you to reexamine your stance based on the evidences I have presented of what a righteous state should look like or even the beginnings of a righteous state.

Tell me about the King of Kings

Yeshayahu (Isa) 66:12 For thus says אֲנִי , Behold, I will extend shalom (peace) to her like a river, and the glory of the Gentiles like a flowing stream: then shall you suck, you shall be borne upon her sides, and be dandled upon her knees.

If the 1948 prophecy was a fulfillment for Yeshayahu (Isa) 66:8 then how are you going to answer the verse in Yeshayahu 66:12. This says when Yeshayahu 66:8 comes to pass then peace MUST follow. That the glory of the Gentiles will follow with worship in Jerusalem by the gentiles. Has peace followed? No. Instead we have seen six wars have followed in this land instead of peace in that region and more to come.

Luke 21:24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: **and Yerushalim shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.**

Jerusalem not only was but still is been trodden by gentiles but this time it is the Muslims and Khazari Jews who are also gentiles which are trodding it together fighting over land that belongs to neither of them.

It's clear both the Zionists and Christians have cajoled each other and created a myth in their heads of a state that is ordained by man and not the Most High. They can both clap for each other while the real Y'sralites are still dispersed outside the land and are awaiting deliverance in the future from the nations they are in. When that happens then the whole world will see the Biblical state of Y'sra'el being reborn. Right now we have all the east European gentiles gathered together in Y'sra'el who proclaimed a homeland by force and coercing the nations with unrighteous wealth of bankers like Rothschild's.

May the Most High Yahuweh bless you and those who Guard His Torah and look forward to the restoration of our land Y'sra'el when our people will return.

Shalom Shalom

Rabbi Simon Altaf

Many kings in history have been called the king of kings. On an earthly level each king likes to think he is greater than his predecessor or other kings around the world.

We find Artaxerxes was called king of kings and Ezra described him as such in his writings.

Ezra 7:12 Artaxerxes, king of kings, to Ezra the Kohen (priest), a scribe of the Torah of the Elaha (The Power) of shamayim (heavens), perfect shalom (peace), and at such a time.

The title of Shahanshah (Universal ruler) is a formidable title few people claimed in antiquities and why wouldn't Artaxerxes since he ruled Babylon, parts of Greece and Hindustan which was then both India, Pakistan and Bengal. The Hollywood directors love to make silly movies like 300 falsifying victories in movies which distorts ancient realities giving people the wrong impression of things.

The claims of a Persian defeat is an interesting fallacy with the exaggeration of a two million Persian

army. It was Alexander who went on the march to Persia, he was the one who defeated the Persians and went on to conquer Afghanistan and parts of Pakistan. It was the Pakistanis who back then were called Hindustanis who remember fondly almost killing him and stopping his march for world conquest. So much for Alexander the Great, his horse was buried near Jhellum in Pakistan and worshipped by some people who claim to be the descendants of Alexander. The only thing you will now find of his horse there is the bones and ancient tales of Alexander.

However, the reality was very different when Artaxerxes went to attack Greece his army destroyed the armies of Sparta the so called 300 famous Spartans and burned down their city so the movie 300 is an interesting myth that you can enjoy for ninety minutes while the Persians have a rich history where many of our people the children of Israel went in as slaves and ended up in the ruling classes. It make cause a shock to your systems to learn that Cyrus the great referenced in the Bible as the anointed was born of a Hebrew mother which by the law of the Bible makes him a Yahudi since he did eventually come to worship YHWH as His King and also as I explained in my earlier articles on the series of Abraham about the matrilineal ascent of the throne can be seen here too. The ascension to the throne in the African Negro culture was through the mother and here we see similar effects. The ancient Iranians in which my own family was living with the Persians were of a much darker complexion not far of from the Negroes the genetic children of Israel. If you ever saw one of my younger brothers when he was younger you would think he is a Negro because his colour and hair were similar to them and why wouldn't they be since we are the true children of Israel. I must admit we used to tease him when he was younger and say he is from Jamaica not knowing that our ancestors were all the same coloring of dark brown skin tone.

In the writings of the prophet Ezekiel Yahuweh calls Nebukadnetzar king of kings who was a ferocious king who went and conquered many territories.

Ezek 26:7 For thus says the Master **אֱלֹהֵי**; Behold, I will bring upon Tyrus Nebukadretzar king of Babylon, a king of kings, from the north, with horses, and with chariots, and with horsemen, and companies, and much people.

In the book of Apocalypse known as Revelation we have the following text.

Rev 17:14 These shall make war with the Lamb, and the Lamb shall overcome them: for he is Adon ha Adonim (Master of masters: Lord of lords), and **melech ha Malekhim (King of kings)**: and they that are with him are called, chosen, and faithful.

When Yahuchannan (John) described Yahushua he gave Him several titles one being the Melech Ha Malekhim or King of kings. This shows that Yahushua on an earthly level revealed His kingship. If we rightly assume that all earthly kings eventually die, look around is Artaxerxes or Nebukadnetzar here?

One can easily conclude that the King that lives on and can never die such as Yahushua who was put to death though He died for three days but He refused to stay in the grave and rose again must be the real King over ALL earthly kings. This indeed is Yahushua. It is well known that Nebukadnetzar while ruling was very brutal king and would kill anyone who did not adhere to his law. Remember the story of the three Hebrews who were thrown in the fire (Dan 3:20).

Now many of the so called Christians or otherwise today reject and disrespect Melek (King) Yahushua by not obeying His law and say it became abrogated after His Death and Resurrection. Many of these think that by reciting their silly formulas of 'Jesus saves me' or 'Jesus loves me' that somehow they are loved or that they will be saved. They forget that in a two way covenant which they claim in which both parties have to adhere to the terms of the covenant by which grace is merited through obedience or shall I put it in real Hebraic terms the treaty is honoured by the Melek of Melkim of granting favour, honour and deliverance. This is what salvation is all about.

Deliverance is not granted through lawlessness which many Christians are into. This is why Melek Yahushua will tell many Christians in the future that He never knew them and they lived on in their own delusions.

Mattityahu 7:22-23 Many will say to me in that day, Master, Master, have we not prophesied in your name? And in your name have cast out demons? And in your name done many wonderful miracles? **23** And then will I profess to them, I never knew ye: depart from me, you that work Torahlessness (lawlessness).

Here Yahushua reveals His kingship and authority. How can He tell people coming to Him to go away if He is not The KING of kings? If that was you then what will you do? Will you just walk out the door and say never mind I will go and get myself a Star Bucks to cheer myself up as I was just deceived not to obey the law. No, you will be dragged by the summoning angels and that will be your last when you are put in She'ol and in darkness.

Mattityahu 13:41-42 The Son of Man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; **42** And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

There you go you see the Melek will also issue a judgment and that will be the last you see this beautiful earth and you will never enter the coming kingdom. Ask yourself is this what you want to live for? Its time to get out of this lifestyle of sin and change your ways, repent and follow the Melek's Torah so that you may be found worthy on the day and enter the coming world. If you are not living according to the Torah then the result will be very painful and sorrowful.

If Yahushua is the great Universal King then one day all other kings (today's Presidents and Prime ministers) will go to pay homage to him hence why we find this in the scriptures.

Phillip 2:10 That at the name of יהושיע every knee should bow, of things in shamayim (heavens), and things in earth, and things under the earth;

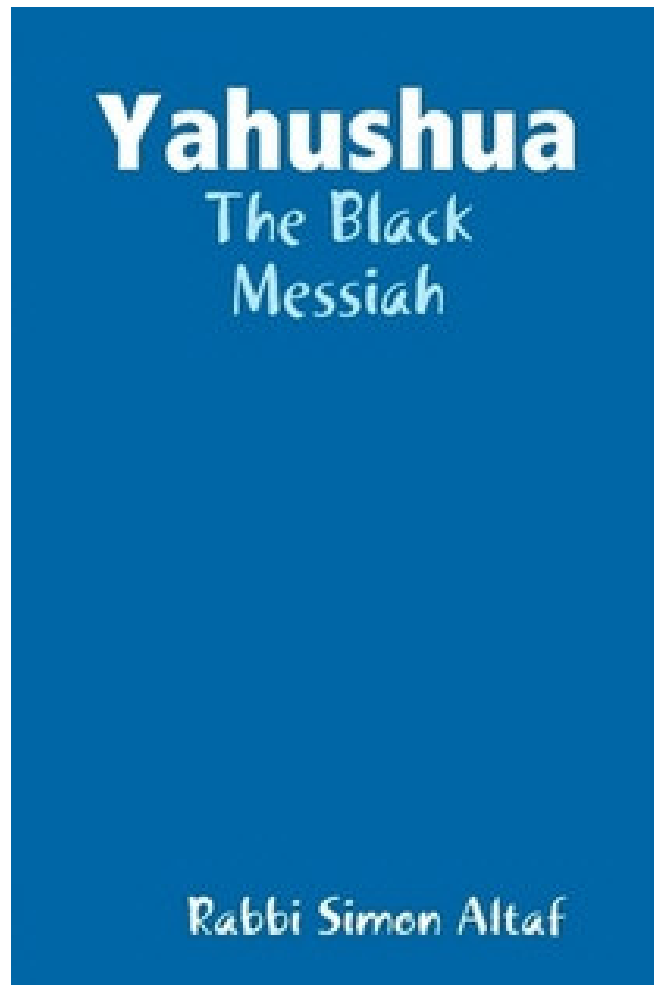

Even Yahoshua the son of Nun bowed before Him and took his shoes off. In ancient cultures and even in some modern cultures in the east to take shoes off is to show respect to the opposite party and even to show humility. Yahuweh demands it!!!

Yahushua 5:13-15 And it came to pass, when Yahoshua was by Yericho, that he lifted up his eyes and looked, and, behold, there stood a man over against him with his sword drawn in his hand: and Yahoshua went to him, and said to him, Are you for us, or for our adversaries? **14** And he said, No; but as commander of the host of YHWH Have I now come. And Yahoshua fell on his face to the ground, and did worship, and said to him, What says my Master to his servant? **15** And the commander of YHWH's host said to Yahoshua, **Loose your shoe from off your foot; for the place whereon you stand is set-apart.** And Yahoshua did so.

Who do you think you are that you can reject the Torah and be saved?

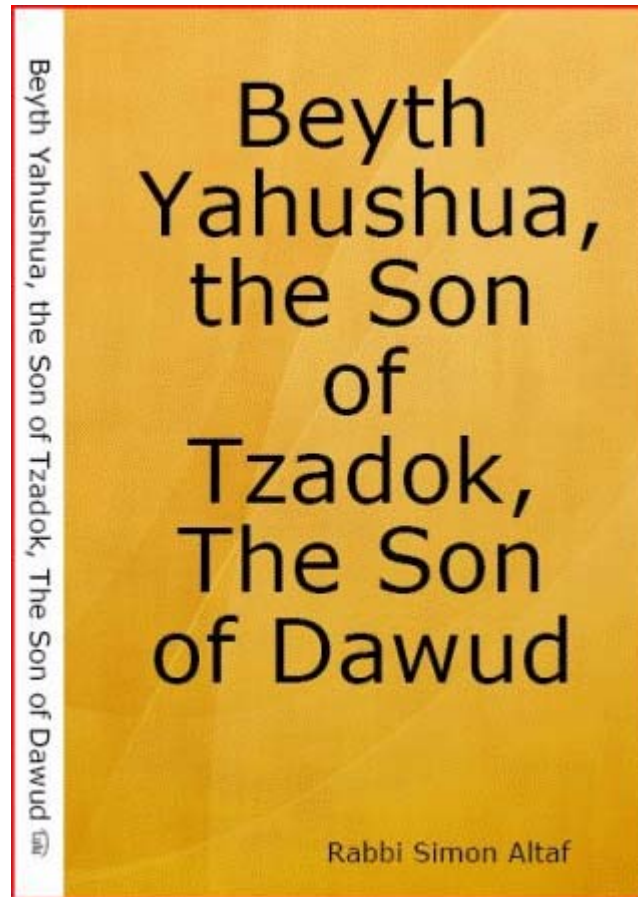

This will be the day of reckoning for many. Don't let yours be soured by your actions and or your Pastor's willful ignorant teachings which are causing you now to go astray!!!

Explosive New Titles

Its time to know the truth and act on it!

Have you been lied to about the true identity of Yahushua? Have you been shown pictures of the idolatrous Borgia Cesare and may have believed that this Caucasian hybrid was Yahushua the Melek? What ethnicity was Yahushua and what race of people did He belong to? Is it important that we know His ethnicity? What colour was Moses, King David and King Solomon? We examine and look at the massive fraud perpetrated upon the western nations by their leaders to hide the real identity of the true Hebrew Israelite people and race which are being restored in these Last Days. Yahushua said everything will be restored and that includes His and His people's ethnicity and colour. Would you like to know because it affects your eternity and His true message then get this book now.

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John are then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know?

What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildly, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps, who were Mark, Luke, Matthew and even John? What connection has Joseph of Arimathaea got with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial?

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is the curse lifted because of the virgin birth or the lineage switch. Did it? Answer NO. Christendom's answers on this are wrong. What about the genealogy of Luke and Matthew why two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up!

Who were the Hebrews, what is the West in Hosea 11:10?

Hos 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations.

This book will give you new insights and the rich history of Yahushua.
