**Proverbs 1:22 How long, you simple ones, will you love simplicity? For scorners delight in their scorning, and fools hate knowledge.**

I thought the time has come to really speak about what is Islam. We are often told that Islam is peaceful and that there are only a few extremist Muslims who want to kill people because they have a fundamentalist outlook.

Is this the truth?

First of all the question I have is do you want to believe someone who came out from an Islamic background, one who lived it, felt it in his core being and knew all about it or do you want to believe the political machine ?

If you became ill and needed an operation would you feel comfortable with a carpenter performing the operation or would you feel confident that a trained surgeon do the job after all a carpenter could also cut flesh with a saw?

The answer is that we would like to have a trained surgeon not a carpenter do the job, the same way you will only get truth from an ex-Muslim who came out of this background, not from a politician. The truth is that the

West does not really understand Islam and simply reading the Qur'an does not give you any enlightenment since there are verses that are abrogated and the Qur'an is not in any chronological order either. There are other Jurisprudence rulings that most Western people would not even know about unless they thoroughly studied Islam.

The moderate Muslims themselves are ignorant of their holy book, if you asked anyone with a moderate outlook they will tell you that there is no compulsion in religion so we are not to force people to convert.

They will tell you the meaning of Jihad is inner struggle and not external struggle.

This is what I call DIY Islam for the west. They modify Islam and give you what is not real until you enter in it and find out that this is not true Islam but concocted Islam.

Let me now give you a little bit of true Islam, in Islam you are to go out and offer Islam to your neighbours and to others around you, if they

accept all be well and good and they can have peace and joy with you and live in the Islamic caliphate (kingdom) but God forbid if they refuse you are to go to war with them and even to kill them if need be.

Now let me back this up with some sound evidence that no moderate Muslim can refute. For further evidence just look around the world at the actions of Muslims in Iraq, Israel, Pakistan, India etc to know what is real Islam.

According to Imam Al-Qastalani (Shaafi), Imam Al-Mawardi (Shaafi), Imam Al-Taftazani (Hanafi) and Imam Jirjani (Hanafi) schools of thought, the condition to fight the Infidels is to give victory to Islam as an aim and the intention must be to make Allah's (Islamic god) name the highest. The Muslim

## The true face of Islam

aim is to make Allah's faith the highest and the struggle is real and it begins with fighting and the fighting has to be begun by Muslims as a precondition after offering someone Islam and their non acceptance can start this off.

In a nutshell, the four schools of thought in Islam agree that Jihad is "Exhausting the utmost effort and energy fighting for the sake of Allah by the body, money and or the tongue or any other means.

The Qur'an has this to say which is only one of the verses on Jihad Surah 61:4 "Truly Allah loves those who fight in His Cause in battle array, as if they were a solid cemented structure,"

Furthermore Qur'an has this to say:

Sura 4:95 "Allah has preferred in grades those who strive hard and **fight** with their **wealth and lives** above those who sit (at home). Unto each, Allah has promised good (Paradise), but Allah has preferred those who strive hard and fight above those who sit (at home) by a huge reward".

We can see it cannot be any more clear than this, this throws out passages which talk about "there is no compulsion in religion".

Further more the Qur'an says the Muslims are to go and actively wage war on Infidels that includes Christians and Jews.

Sura 9:[29] Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor

acknowledge the Religion of Truth, from among the People of the Book, until they pay the Jizya with willing submission, and feel themselves subdued.

The Muslims that know their holy book also know that the no compulsion in religion verses have been abrogated and are no longer in affect.

Let me give you a real life example, last month an Islamic centre was opened in London Whitechapel and we had his highness **Sheikh Abd al-Rahman al-Sudais** visit us from Saudi Arabia the capital of harlotry in Mecca.

He had this to say here:

Worshippers had come to hear Sheikh Abdur-Rahman al-Sudais, the controversial Imam of the Ka'ba, Islam's holiest mosque in Mecca, Saudi Arabia.

He told the thousands gathered the new centre was an example of how the British Muslim community had "taken great steps towards achieving community cohesion".

"Muslims should exemplify the true image of Islam in their interaction with other communities and dispel any misconceptions portrayed in some parts of the media," he said.

"Muslims should remember that throughout this long history Islam has carried the message of building communities, not isolating themselves."

How gracious of the Sheikh to be so honest and truthful NOT.

This is what he has been preaching in Mecca, he reserves some of the most offensive terminology for Jews, he also despises Christians and especially Hindus.

He calls Christians "worshippers of the cross" and Hindus "idol-worshipping Hindus" who are unlawfully occupying Kashmir and must be vanquished by force.

In one of his sermons, Saudi sheikh Abd Al-Rahman Al-Sudayyis, imam and preacher at the Al-Haraam mosque — the most important mosque in Mecca — beseeched Allah to annihilate the Jews. He also urged the Arabs to give up peace initiatives with them because they are "the scum of the human race, the rats of the world, the violators of pacts and agreements, the murderers of the prophets, and the offspring of apes and pigs."

"The Day of Judgement will not come about until Moslems fight the Jews (killing the Jews), when the Jew will hide behind stones and trees. The stones and trees will say O Moslems, O Abdulla, there is a Jew behind me, come and kill him. Only the Gharkad tree, (evidently a certain kind of tree) would not do that because it is one of the trees of the Jews.' (related by al-Bukhari and Moslem)."

Now what does the bible tell us if we still haven't woken up and are quite happily singing Kum Ba ya in our churches, we need to wake up:

They have taken crafty counsel against thy people, and consulted against thy hidden ones. They have said, Come, and let us cut them off from *being* a nation; that the name of Israel may be no more in remembrance.

Ps 83:3-4

## The true face of Islam

Dan 8:23-25 "And in the latter time of their kingdom, when the transgressors have reached their fullness, a king shall arise, having fierce features, Who understands **sinister schemes**. His power shall be mighty, but not by his own power; **he shall destroy fearfully, and shall prosper and thrive**; he shall destroy the mighty, and also the **holy people**. **"Through his cunning he shall cause deceit to prosper under his hand**; and he shall magnify himself in his heart. He shall destroy many in their prosperity. he shall even rise against the Prince of princes; but he shall be broken without human hand.

The Bible tells us that this person will arise who will come in with cunning with peaceful words yet he will kill the holy people, i.e. Jews and Christians all those that line up with the God of Abraham, Issac and Jacob.

The person is building up his army and people like Sheikh Al-Saud are simply his agents, we know this fierce king has not shown up yet i.e. the anti-Christ is yet to come but make no mistake he is no other but from Islam, while we all look towards Europe and Roman Catholicism to supply us this person, I believe you will be frustrated to know the Bible speaks of no such person.

The other person who has been getting press time is been Al-Qaradhawi, is it any wonder our politicians are hugging up to these people whose only intention is to control the Western democratic states and annihilate those people who do not bow their knee to Baal (Allah).

### The Rule of Allah vs. The Rule of the People

"Referring to Western democracy, Al-Qaradhawi said in his speech: 'There are those who maintain that democracy is the rule of the people, but we want the rule of Allah.' What Al-Qaradhawi means is that the authority of the sovereign (who is Allah's shadow on earth) will emanate from Allah and not from the people, [namely],

that the sovereign will be chosen by Allah and not by the people, that the sovereign steps down only by Allah's edict and not by the will of the street – just as **[the third Caliph] Othman Bin 'Affan** said over 15 generations ago when the rebels demanded that he step down: 'Allah clothed me with a robe. If He wills He will take it away from me, and if He wills He will keep it on me.' [Al-Qaradhawi] meant that no corrupt sovereign can be removed without a divine edict – in other words, [he ceases to rule] only upon his death, because he does not abandon his palace unless he is on his way to the grave.

This also means removing Saddam Hussain by force was wrong based on Islamic principles, he can go on killing civilians we should just turn a blind eye.

In Psalm 83 we have this:

Psalm 83:5-8 For they have consulted together with one consent; They form a confederacy against You: The tents of Edom [Southern Jordan] and the Ishmaelites [Arabs]; Moab [Central Jordan] and the Hagarites [Egyptians]; Gebal [Lebanon], Ammon [northern Jordan], and Amalek [Esau's descendants who are also Arabs]; Philistia [people living in the Gaza strip i.e. Palestinians today] with the inhabitants of Tyre [southern Lebanon]; Assyria [Iraq and Syria] also has joined with them; They have helped the children of Lot. Selah

Now I encourage you to go and get a dictionary and verify these nations are all Islamic who are going to come up against Israel and anyone else that supports Israel. I don't want to disappoint your expectations of a European antichrist, next time someone says he is from Europe then I would encourage you to ask him to show you one verse in the Bible where God's wrath is on any one particular European nation other than Islamic nations.

I am afraid you will be disappointed to find no such verse.

It is good to know who is our enemy before they come looking for us to destroy us. Obviously it is Satan who will use these Islamist nations to perform his end-time work. So our message of hope of Messiah's return should be to these Muslims also because their souls are at stake.

Whilst we see bickering and fighting causing division in the Church and inaugurating of gay bishops the time is nearing for this vile person to come who is no other but from Islam and will show up soon, how soon we can only speculate. Muslims expect the Mahdi to come who will come and war with the Christians and Jews and then they will know that their Messiah is here not ours by the way:-) I am sure apostate Christianity will be with him who believe Allah is our God. Foolish lot.

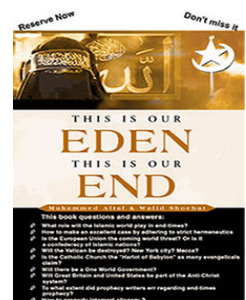

While the Muslims plan to annihilate the Jews and Christians:

"The Day of Judgement will not come about until Moslems fight the Jews (killing the Jews), when the Jew will hide behind stones and trees. The stones and trees will say O Moslems, O Abdulla, there is a Jew behind me, come and kill him. Only the Gharkad tree, (evidently a certain kind of tree) would not do that because it is one of the trees of the Jews.' (related by al-Bukhari and Moslem)."

Jesus told us to watch the times.

Matt 24:24-25 "For false Christs and false prophets will arise and show great signs and wonders, so as to deceive, if possible, even the elect. "See, I have told you beforehand.

If you want to know more I encourage you to read my

This book will be based on entire end-time study to show Islam and it's revival and how it affects all of us.

### **Beheading—Is this a new phenomena?**

Let us look at the first cases of how Muhammad dealt with people living in Saudi Arabia.

**Sura 47:4** Therefore, when ye meet the Unbelievers (in fight), smite at their necks [i.e. **behead them**]; at length, when ye have thoroughly subdued them [humiliated them], bind a bond firmly (on them): thereafter (is the time for) either generosity or ransom [can be released for a sum of money]: until the war lays down its burdens. Thus (are ye commanded): but if it had been Allah's will, He could certainly have exacted retribution from them (Himself); but (He lets you fight) in order to test you, some with others. But those who are slain in the way of Allah, He will never let their deeds be lost.

The Qur'an is clear that this is to instil fear in the people's hearts who are unbelievers [non Muslims].

**Sura 8:12-13** Remember thy Lord inspired the angels (with the message): "I am with you: give firmness to the Believers [Muslims]: I will instil terror into the hearts of the Unbelievers [All non Muslims]: smite ye above their necks [**cut off their heads**] and smite all their finger tips off them." This because they contended against Allah and His Messenger [Muhammad]: if any contend against Allah and His Messenger, Allah is strict in punishment. [no mercy]

Again mention is made here by the Qur'an that this is ordained by Allah himself to cut people's heads off and fingers, this is not allegory but the real deal of Islam that most people are in denial of. These Suras are in affect today and not been abrogated.

We are told by the ignorant masses not to judge Islam based on Muslims actions so then what are we to Judge Islam on?

There is only one answer, look at Muhammad and his actions who is the founder of Islam. Would you not judge Christianity by the actions of Jesus of Nazareth? Of course this is the right thing to do since the followers might do things never advocated by the founder e.g. in this case Muhammad. Did Jesus tell the Catholic Church to do the inquisitions against the Jews? No... Did Muhammad tell his followers to behead people? YES...

Let's see the evidence...

The beheading of Kab bin Ashraf

### **Ibn Sa'd's Kitab al-Tabaqat al-Kabir adds another interesting feature to this story.**

**From the Tabaqat, vol 2, page 37:**

"Then they **cut his head** and took it with them. .... they cast his head before him [Muhammad]. He (the prophet) praised Allah on his being slain."

The beheading of Kab bin Ashraf took place simply because he wrote some slanderous poems against the Muslim women and exposed Muhammad as a false prophet. Muhammad not able to withstand this criticism took swift action through his followers. This laid the foundation for today that if anyone criticises Islam, it is not to be tolerated.

Their fate recorded in the Hadiths goes something like this...

### **Volume 5, Book 59, Number 448: Narrated 'Aisha:**

When the Prophet returned from the (battle) of Al-Khandaq (i.e. Trench) and laid down his arms and took a bath Gabriel came to him while he (i.e. Gabriel) was shaking the dust off his head, and said, "You have laid down the arms?" By Allah, I have not laid them down. Go out to them (to attack them)." The Prophet said, "Where?" Gabriel pointed towards Bani Quraiza. So Allah's Apostle went to them (i.e. Banu Quraiza) (i.e. besieged them). They then surrendered to the

Prophet's judgment but he directed them to Sad to give his verdict concerning them. Sad said, "I give my judgment that their warriors should be killed, their women and children should be taken as captives, and their properties distributed."

In this event Muhammad ordered the beheadings of between 400 to 600 men, the women and children were taken as reward for the battle and split between the Muslims involved in the fighting.

The men were lined up on huge dug up trenches and were brought out five or six at a time and **be-headed**. These are not the only cases of beheadings but they do tell us some of the things that Muhammad personally was involved in and it begins to build up a picture of why Muslims today who follow Islam strictly want to carry out the same things of the Islamic past. It leaves no doubt that the events on our screens today the beheadings, the barbarism, the bombs are a by product of an Islamic era that is being revived by Muslims all over the world to a lesser and greater degree.

The Bible talks about these things happening in end of days and tells us to those who have eyes to see that these are the revived Islamic people.

**Revelation 13:2** *And the beast [Empire/Kingdom] which I saw was like unto a leopard [Grecian], and his feet were as the feet of a bear [Persian], and*

*his mouth as the mouth of a lion [Babylonian]: and the dragon [Satan] gave him his power, and his seat, and great authority.*

It goes on to tell us that there is a huge revival of Islam everywhere, the empire that everyone thought had died is actually going to come back and is being brought back.

**Revelation 13:3** *And I saw one of his heads as it were wounded to death [death of Islam in Ottomans time 1924]; and his deadly wound was healed: and all the world wondered after the beast [current day- people proclaiming see Islam can wage a war against the powerful west and is winning converts].*

The bible also warns us that Christians would be beheaded for the witness of Jesus Christ in the last days by this empire and peoples [Islam - see classic case of [Kim Sun IL](#)].

**Revelation 20:4** *And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God.*

Today the Muslims actively wage war everywhere against the Christians and Jews and say out loudly that we are fighting the Crusaders and Jews and it is not a secret yet our governments are bent on keeping this a secret.

Jesus' words come to home:

**John 16:2-3** *They shall put you out and will think that he doeth God service known the Father, nor me.*

Muslims would kill both Christians and Jews and think they are doing God a service. The time has come to deal with Islam decisively, either the Muslims governments need to deal with their errant peoples or the west will have to take punitive action to deal a death blow to fanatical Islam, until this happens this will not only increase but thrive in current environment

### Revival of true Islam

Four Christian Churches were bombed in Baghdad and two were bombed in Mosul over the weekend 31st July 2004 killing scores of Christians. This is not a new trend as Churches were bombed in Pakistan, Saudi Arabia, and many Churches have been desecrated by Muslims in Bosnia, Sulawesi in Indonesia, Sudan, and Lebanon to name a few places.

This just shows us the intolerant nature of the Islamic faith and to what extent it can stoop to kill maim and destroy others. Even though the Christians have done nothing to provoke these attacks yet they are never the less on the receiving end.

Even in England six Muslims recently came to faith in Christ in the Swansea area, the pastor who was going to perform the baptism was warned by the local Islamic Mullah not to perform the baptism or else. The baptism went ahead for four of the Muslims accepting Jesus as Lord whilst the other two withdrew out of fear.

In Yorkshire a Christian fellowship was stoned by Muslims disturbing worship services, the elderly Christian couple hosting the worship filed a police complaint to which they were asked "what have you done to provoke the Muslims"?

This shows us the Muslims are being protected by authorities and people live in fear of reprisals of bringing charges against them. The government is on the side of the Islamist agenda. One wonders what is going on with this nation and it's law makers, making laws to protect those that are out to destroy them.

In the last two days police made several arrests of suspected Muslims out to plot with al-Qaeda to bomb Britain. This again verifies those the government tries to protect are actually trying to kill, maim and destroy us. Until decisive action is taken against such people this will continue to get worse.
