**Can I utter the name and what is the name  
of our God?**

*2nd Dec 2010*

YHWH – Pronounced Yahu-weh  
Yahushua – The true name of the person many  
call Jesus

*Issue 24*

**Inside this  
issue:**

**Can I utter the  
name and what  
is the name of  
our God?**

**Is Allah the  
God of Love?**

Many people with the desire to know the truth  
and wishing to pronounce the name usually ask  
me can I pronounce the name of YHWH and if I  
do then is there any particular way to say it so  
that I may not profane it or offend God?

The answer varies from person to person but  
the reality is that there is only one real answer.  
Yes you can. Many people have run off with the  
idea that you cannot say the name except in a  
particular way however what is important is that  
YHWH can be pronounced in various different  
ways. Some people choose to say Yahoo-way  
using the Long U sound as in the word Flute  
while others use the short u sound as it pluck  
so it would be fine to say Yahoo-weh or Yah  
(short u)-weh. Some people say it as Yahovah  
however this sound is not found in the spelling  
or calling of YHWH but if we separate the syl-  
lables such as Yahovah here is what we get.

**John 10:9**  
I am the door  
by me if any  
man enters in,  
he shall be  
saved, and shall  
go in and out,  
and find pas-  
ture.

Ya- The short name of YHWH.  
Hovah – Strong's 1942 meanings 'calamity',  
'destroyer', 'mischief', 'naughty', iniquity,  
wicked and perverse.

As can be seen I have only given you a few

meanings but they are all negative therefore this name pronunciation is not correct and should be avoided however it would be wrong to say that such people are going to hell. I would say they either do not know or simply like to remain in ignorance knowing the facts. The term can be Huvah and used to pronounce the name such as Yahuwah in a long U as in the sound of the word Flu-te.

Now a popular argument with some is this that the name is only pronounced as Yahuwah/Yahoowah. This argument by the way is made by those who have little to no knowledge of ancient Hebrew and do not know the Arabic language which carries many sounds of ancient Hebrew correctly. Here is what they say to convince you. They give you the word Yahudah and then say the following:

יהודה

S [bo^] [b]

They suggest that if we remove the Dalet marked as Yellow above that it will be the sound of YHWH as Yahoowah. יהוה

Is this true? The answer is no. Now let me break it down for you in ancient Hebrew and Arabic so you know why these arguments are flawed by applying modern linguistic terms to ancient words.

If we have the word Yahudah יהודה then tell me who decide it is pronounced Yahudah? How about modern linguistics. The ancient Hebrew word is Yahud not Yahudah and that is in conformity with Arabic which shows us that it carries the correct sound. Likewise the modern Hebrews make the name of King David as Daveed but linguistically with ancient rules it cannot be. In fact it is Dawud pronounced Dawoud, once again the sound of the Arabic is correct while Modern Hebrew speakers are wrong about this pronunciation. Let me show you.

דוד

The middle Wav acts as a W and modern U so the Dalet plus U plus Dalet pronounces Dawud. In order to produce the Vah sound at the end you would have to have the vowel point letter Wav with the Ayin then we can get the Ah sound so it would be similar to the Hebrew word תקוה

Takoa. The only problem is in YHWH we do not have the Ayin ending but we do have the ayin ending in Yahushua hence it has the Ah sound at the end.

So I can show you that the argument can be torn apart in seconds for those who claim that Yahudah in modern speech and in Hebrew spelling makes room for YHWH to be pronounced as Yahoovah this is not so. Let me illustrate.

יהודה

This is actually pronounced Yahud as the ending Heh is only an expelling of your breath in the original hieroglyph script. So in pronunciation it would be closest to Yahudh, note there is no Ah sound. The Ah sound is modern and does not exist in the ancient text.

So if we removed the Dalet then what do we get with the four Hebrew letters, now we speak with the same use as the most ancient Hebrew picture script and not the Modern Hebrew.

יהה

The closest sound of the name now with all four letters being both consonants and vowels is YAHUEH or Yahu-weh you cannot get Yahuwah since there is no AH of that sound at the end as I illustrated earlier which is the faulty scholarship of many today. Many people present to you different names in the Bible and apply rules which are mostly modern and by modern I mean thousand year rules which do not work. So for instance let's take the modern Hebrew word Tikvah for hope. Note it also has a similar ending to YHWH's name, the last two letters are Wav and Heh so people using modern Hebrew sounds say since this ends in Vah therefore so must the sacred name also.

תקוה

Now let me show you what this word is in ancient Hebrew. Tkuh or Tikuh and not Tikvah. Wherever there is a Wav ׀ never assume it is a Vah sound. The ancient Wav was always predominately a U sound so

we have to use it as such unless other ending letter change the sound such as an ayin.

Also we need to be careful because God is concerned about ritual purity and there are many instances when we become ritually impure with our actions please see my article how to protect the name here.

How to protect the name of God? [Click link](#)

<http://www.abrahamic-faith.com/Simon/HTML/How%20to%20protect%20the%20sacred%20name.html>

When people come to the revelation of the sacred name of God they often ask how do I live with it now. Well you pronounce the name to glorify him in your prayers, in your devotions provided you are ritually clean. If you are doubtful or are sure you are ritually unclean then you use titles such as God, Lord, Adonai and Ha'Shem is a very good name to use for God.

People ask me how do I prevent the name from becoming vain. Vanity is not about how you pronounce the name but how you use it in your daily life by your actions. The way of the Hebrews was always action oriented and not theoretical things.

We are forbidden from using the name YHWH and ascribing it to foreign deities such as Allah. This is akin to bringing it to vanity. We cannot ascribe it to Krishna the Hindu deity and we certainly cannot ascribe it to the deity names of the various nations. One such false title is 'Jesus' and we should also avoid it and use the true name Yahushua. See my article should I call his name Jesus or Yahushua.

<http://www.abrahamic-faith.com/Simon/pdfs/What%20shall%20I%20call%20Him%20Jesus%20or%20Yahushua.pdf>

How do I live my life after knowing the name? You must live your life by Torah the law of God. You must keep the Sabbath on Friday sunset to Saturday sunset set-apart time. You must avoid eating unclean foods see Leviticus 11 or my article on Kosher foods.

<http://www.abrahamic-faith.com/Simon/HTML/Kosher.html>

You should start to learn to keep the seven annual feasts see my book The feasts of YHWH, the Elohim of Israel in the website.

All these things require process of learning so you may have to learn to undo the wrong things in your life and do the right things according to Torah so it's paramount you learn Torah. If you are not sure then you go and find yourself a good Torah teacher who also believes in the Messiah such as myself or someone else near you.

A good way to decide where to go learn is to pray to YHWH and ask for new doors to be opened and a teacher to be brought that can teach you. This is how you will by your actions sanctify the name and avoid it being profaned. We profane the name when we lie, cheat, and do the works of the flesh that are ungodly. So our aim should be through prayer to avoid such things altogether. If your job is one in which you have to regularly lie then look for another job where you do not have to lie. If your job is also one in which you have to give up the Sabbath then look for one in which you can keep the Sabbath. Give regular tithes of 10% from your monthly salary towards the work of the kingdom. Your tithe should go to a good Torah teacher and not to places of worship that do not teach Torah truths.

These are all simple things you can do and these will bring a real life change in the way you life and behave. I hope this article will help you to make the right choices.

### **Is Allah the God of Love?**

Some Muslims make the argument that Allah is also the God of love and that one of his 99 names is Al-Wadud which means the Loving one. So how do we deal with this argument and is it true what they have said about the ninety nine names? If I did not know Arabic or about the Muslim culture I would have no answer but in fact I do have a very succinct answer that many even in Islam do not know.

I am not surprised to see underhanded translation of the Qur'an because the Muslims want to prove that Allah is love but this was

never one of his attributes to start with. In fact He created the attribute. Now if you create the attribute does that mean you have it?

Also love is a relational attribute which means if Allah had that attribute then by definition he must also have someone to love in eternity while Allah claims he was all alone in eternity and had no son or wife to love.

So if a person creates an attribute then can you say that this person has that attribute? No. Because he created it hence he did not start with it. The Hadith (Muslim commentaries of the doings of Muhammad and his disciples) tells us these details.

I would recommend you to get my book “**Dear Muslim Meet YHWH the God of Abraham**” to learn more as that will help you from the website [www.abrahamic-faith.com](http://www.abrahamic-faith.com).

The Arabic word **wadud** has deliberately been used to translate into the translation 'love' however originally in classical Arabic the word does not mean love. It has only been used twice in the Qur'an and in line with the translation it cannot be translated as 'love' however the Muslims having no answer to the problem of love have deliberately made this fake translation.

In fact the word Wadd the root of Wadud was the name of an idol the pre-Islamic Arabs worshipped and so one can see Allah is trying to relate himself to Al-Wadd (Sura 71:23).

Sura 71.23 وَقَالُوا لَا تَدْرُنَّ إِلَهَتَكُمْ وَلَا تَدْرُنَّ وِدًّا وَلَا سُوعَا وَلَا يَعُوثَ وَيَعُوقَ  
وَنَسْرًا

"And they have said (to each other), 'Abandon not your gods: Abandon neither Wadd nor Suwa', neither Yaguth nor Ya'uuq, nor Nasr';-

The modern meaning of the word wadud should really be affectionate and still not the translation of love.

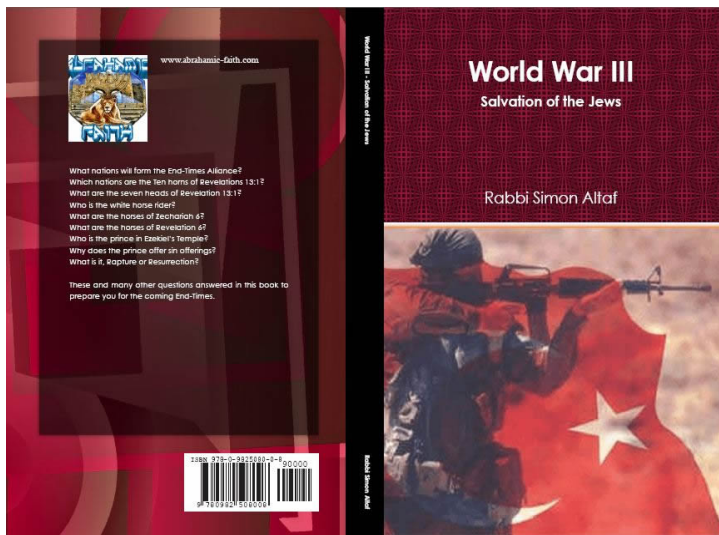

Ask an Arab how do you say “I love you” to a girl then you will see what I mean.

Don't fall for cheap theology...

May YHWH bless you

Shalom Shalom

How will the salvation of the Jews come about, will they convert to Christianity or will Christianity be folded into Judaism?

Will the 3rd Temple be built before the return of the Messiah? Analyzed and explained with the correct sound hermeneutics.

Will we have a war with Iran and when? Considering the pundits have been wrong since the last 3 years and only Simon has been on track up to this time. What signs will absolutely indicate impending war with Iran calculated and revealed.

When will the Messiah return, what signs should we be looking for, is it on a Jubilee year?

Will the Messiah return on the feast of Trumpets fact or fiction?

Rabbi Simon is the only Rabbi to look at the thorny issues that no one has addressed to date while many people mostly run with popular churchy opinions colored by bad theology by picking and choosing verses in isolation. Is modern Zionism biblical? Is Israel right to take over territories occupied by Palestinians today? Should people be selling up homes to go and live in Israel? All these thorny questions and even more answered in this book the sequel to the popular prophecy book World War III - Unmasking the End-Times Beast.

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John are then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know?

What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua

have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildly, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps, who were Mark, Luke, Matthew and even John? What connection has Joseph of Arimathaea got with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial?

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is the curse lifted because of the virgin birth or the lineage switch. Did it? Answer NO. Christendom's answers on this are wrong. What about the genealogy of Luke and Matthew why two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up!

Who were the Hebrews, what is the West in Hosea 11:10? Hos 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations. This book will give you new insights and the rich history of Yahushua.
