Job 24:4

**They push the needy off
the road, so that the poor
of the land are forced to
hide.**

We came back from North Wales quite late and although I did not realise that that very morning 3am was the execution of Saddam Hussain. We watched as they showed on TV the Shi'a Muslims rejoiced and shouted go to hell Saddam as Saddam was being hanged. I felt rather sad that another life was lost to Satan even though this was the butcher of Baghdad who had executed countless people in Iraq some whose bodies may never be found. Life is precious and certainly when any life is lost we feel sad even if it is of an evil dictator. The irony of the whole situation was that the Muslims shouting Saddam go to hell are also going to join Saddam where he is and of course that is the real place of hell no matter how righteous they claim to be or following their prophet who has simply deceived them unless they repent and have the blood of the lamb washing their sins away.

1 John 5:12 He who has the Son has life; he who does not have the Son of God does not have life.

Thus I feel it is imperative how important a message we have the good news the (Basar) meat of Yahushua of Nazareth that the Muslims are given the gospel of eternal life, the true gospel of Yahushua of Nazareth. Saddam's end unfortunately does not indicate a new beginning contrary to popular belief but an old start, it means going back to the old Islam and what I term revival of true Islam, there are plenty to replace Saddam so there is no shortage of such people in Islam. The Shia's may rejoice for a short time but the Sunnis (The two main branches of Islam) will also get their day. This will result in more violence against the Shias and vice versa tit for tat control over Baghdad as a result of the power vacuum that exists in Iraq today. The US is bleeding in Iraq with a billion and a half dollars a month expenditure so how long can this last with American sons and daughters being killed by violence? Sooner rather than later the US forces will have to depart, Saddam is dead, Muslims will demand Americans go home. The reality is hit home with 3000 casualties and rising this beast cannot be contained. Only Islamic dictators are good at containing violent Muslims because they do not understand the language of love or peace and the dictators know how to deliver the blow to stop these kind of radicals who will use human rights in their favour to inflict more damage on the innocent civilian population the reason why Muslim nations always have dictators.

I was speaking to a friend from Israel a Jewish believer and was not at all shocked to find out that in the Christian world today people are

making money from two names. One name is the Muslims, by saying we are preaching to the Muslims they are collecting money and yet no work is being done in Muslim lands to effectively reach the Muslims or even a bare minimum, a case in point is Pakistan. Many ministries claim many things but hardly a Muslim is being offered the gospel in Pakistan. Perhaps only an ex-Muslim can have the pain of seeing his former brothers die in sin thus we endeavour to reach these people with various methods which we cannot divulge here for obvious reasons. Since we are doers of the words and not simply hearers of it. When last year I met another Muslim convert in Pakistan he was very eager to reach out to the Muslims even though for him it could mean death because he is considered apostate. Yet the ones who can reach are best equipped even death does not deter some of us.

Fortunately many good Christian brethren in the West have a desire to reach the Muslim world and help to do so but the people they are giving money to are doing nada and even spending the money on their exorbitant lifestyles, e.g. the Anglican church in Pakistan where Bishops are so corrupted that they are into their own thing. This is a good seat to make money and to live a lavish lifestyle. The eight vows of Yahushua in Matthew 23 perfectly describe these people in authority.

Next time you give money please do check how many Muslims have they actually reached and by what methods as ministries do give personal reports of what they are up to. Eight years after my salvation I still find the situation not much different in England where I find very few Christians willing to step out in faith to reach the Muslims in this nation usually afraid of Muslims and the dogma of Islam. No one bothered to come and tell me of Messiah and His salvation eight years ago and today the situation is about the same.

The second people my Jewish friend was telling me some Christians are capitalising on is Israel and the Jews. Many good Christian people give money so the gospel can be given to the Jews first and support Israel and alas I am sorry to tell you according to this brother that hardly any big name ministry in Israel is giving the gospel to the Jews, in fact it is a good money spinning pastime with both the claim of giving the gospel to the Muslims and giving the gospel to the Jews. His own experience was such that all the so called big Christian organisations in the land of Israel of which I will not mention names, he went to at least three of them to get a job as a Jewish believer with no job and no home and was told sorry we have no job for you because we do not employ Jewish believers without European or American passports. I would like to see what the Messiah of Israel would have to say about that when He returns?

I was told that one of these ministries had sixty apartments rented for their staff and sitting empty funded for by their donors for evangelism in Israel yet they refused to help this brother with both food and accommodation simply because he did not have an EU or American passport!

Pastor John Hagee of San Antonio Texas is supporting building orthodox synagogues in Israel for Migdal Or and these Jews directly persecute the believers in Israel, they make new laws in Israel causing the Jewish believers to lose their citizenship and I am not sure if he knows that what he is doing is actually detrimental to our brothers and sisters in Messiah who are being driven out and persecuted as a result of these things.

Another ministry in the North is getting money based on helping the Jews but again sadly the money is not going to the believer community but helping filling other people's coffers typically no change. My friend was asked to join a certain ministry that said we can unite to bring lots of

Muslim and Jew the two names to make \$

money from outside abroad i.e. for the gospel to the Jews and Arabs simply as a money making venture.

The Russian Jews who have come in to the land in my opinion are not Judah by blood but pro-se-lytes Gerim into Judaism and the most corrupt because they have brought drugs and prostitution into Israel. They are not faithful to the land and usually end up going back either to Russia because of European Union membership or they get their Israeli passports to go to the US after their dirty deeds are complete. The most faithful Jews in Israel are the Saphardic Jews who are also discriminated against for having no money and lack of education, so much for freedom in Israel. I think we need to come out of la la land and start doing something for our brethren in Israel who are suffering. The poor Sephardic Jews no one wants to know about yet they number 60 million communities of these in Brazil today who are a majority in Christian denominations in the huge Brazilian landscape but no one wants to invest in these Jewish people since they are poor and uneducated. Its high time rich Christian ministries start to focus their efforts in that area of the world.

I am sorry guys that I have to spill the beans, my friend was warned not to tell people outside of Israel what is going on in the land so they can keep receiving the funds. What good Christians don't realise is that they have a tremendous amount of political clout that if they used in the right way they could force Israel not to persecute the believer communities in the land. Israel unfortunately the supposedly holy but unholy nation is co-acting an apartheid system where if they find out a Jewish person has become a believer in Messiah they revoke his visa. When Jewish believers go and ask for visa they are explicitly asked do you believe in Yahushua and if they say yes then it is cya naro, bye bye from Israel. Yet Atheists and homosexual Jews are considering Jewish but the ones in Messiah are not considered Jewish. These things happen and we need to report these incidents to bring pressure on Israel to stop behaving like this, when they misbehave like this who is going to cry foul?

The moral of the story, well always check and as much as possible try helping Jewish believers individually through people you can trust this way you know for sure that your money is going where it should go. There is a need for Christians to setup businesses in Israel and recruit the Jewish believers since no one wants to give them a job simply because they believe in Yahushua.

When we recite verses that say Genesis 12:3 Bless those that bless thee and curse those that curse thee, these do not apply only to the land of Israel. We must remember Israel had 12 sons, which became 12 tribes and the verses were given to our father Abraham who fathered Isaac and Ishmael. Isaac being the promised son inherited the spiritual blessings and the blessings and curses apply to all the 12 sons of Jacob i.e. all 12 tribes that are dispersed that means both Houses of Israel and not just for Judah in the land although the land of Israel is the special place for Yahweh's name. This means that if Christians are being cursed in any particular nation then the blessings and or curses will fall on the nation or people who are cursing Christians i.e. the House of Joseph or for Jews in the nations such as the House of Judah. We see this quite clearly in the nations where e.g. when Jews were expelled from Spain the nation came under a curse and this mighty empire was defeated by tiny England and the same we saw in Russia when the Jews were stopped from leaving the nation, the Russians came under the curse, not only losing the war in Afghanistan but also being broken up into pieces, we saw judgment in Indonesia and Pakistan thus proving that the blessings and curses apply universally to where ever the tribes are settled today and that includes places like Brazil, Spain and France else the blessings to Abraham would be meaningless since His progeny is scattered all over the face of the earth and not just present in Israel.

The only important element about Israel is that it is the sign and symbol of Yahweh's sovereignty and where the Messiah will return with Jerusalem being the capital of His thrown. Many Muslims and Jews the two sons of Abraham's salvation is intrinsically linked to the outcome of the big battle to come.

Two Houses of Israel or the twelve tribes of Israel

Whenever the words TWO HOUSE are invoked many Christians become very nervous at this terminology and sudden confusion enters their mind at what this could mean and they often think to themselves is this replacing the church and Israel or simply replacing the church since they may have never even thought about Israel? More often the problem is that some of the Christians who come across this terminology become very insecure

almost like their church seems to disappear in the distance and it makes them think what is going on since they cannot make heads or tails of this terminology that is new to them.

Rest assured all is in hand and in line with Biblical scriptures and no this has nothing to do with Mormonism, Jehovah's witnesses, British Israelism or some other insanity out there. When I first encountered the person of Yahushua (Jesus) of Nazareth I felt the same way in fact even worse as I saw the ground under my feet just disappear. When you are taught to worship Allah (The god of Islam) from childhood in a particular manner and recite the prayers in a particular way and then suddenly you learn that ALL that you were taught as a Muslim is a lie and mistruths then can you imagine the thousands of questions that enter the mind with no immediate answer in sight? I mean where do you go? Who do you talk to since your Muslim relatives/friends would think you have gone mad or become apostate, where do you complain since you are born in a family without a choice and your upbringing is no fault of your parents since they did not choose to be born Muslims either.

Enter the Two Houses of Israel, Biblically known as the House of Israel and the House of Judah.

If you have never been taught this then now is a good time to learn so if you have read this far then bear with me so we can uncover the origins of this truth.

The origins of this really goes back to our father Abraham that is if you accept him as the father of your faith?

Abraham was seventy five years old when Yahweh Elohim told him that He would bless him and join all the families of the earth unto him but how could this be possible since Abraham did not even have a son, his wife Sarah was infertile and they were getting on in age.

In the Jewish ArtScroll Bible Series, Volume 1, page 432, it is written:

There is ... an opinion shared by Rashbam [to Genesis 28:14], Chizkuni, Da'as Zekeinum, and quoted by Tur that the verb (ve nivrecu) in Genesis 12:3 is related to the root barak as in the Mishnaic term mavreek meaning to "intermingle or graft." [cf Kelaim 7:1, Sotah 43a.] As Heidenheim explains it, this interpretation is inspired by the fact that nowhere else besides here do we find barak in the sense of blessing in the niphil conjugation, while in the sense of "grafting" it is common in that form. [Bold emphasis mine]

Restoration Scriptures True Name Edition (YATI Publishing)

Beresheet Genesis 12:3 And I will bless them that bless you, and curse him that curses you: and in you shall all mishpachot of the earth be blessed mixed.

Rabbi Moshe Koniuchowsky comments

Here Yahweh Elohim had started to unfold the plan of salvation for the world through Abraham and thus Abraham in wording was told that families would be joined to him i.e. engrafted in him. This though seems impossible given the circumstances of Abraham but Yahweh was going to perform a superb miracle so that both Abraham and Sarah would know that walking in faith and truthfulness has an immense blessing and can bring wonderful new opportunities in life.

Yahweh had promised Abraham in Genesis 15:4-5 that He would give Abraham a son and make his descendants as numerous as the stars. Now if Abraham was going to have a son (Isaac) and through that son his descendants were going to multiply like the stars in the sky then surely the nation of Israel today with just the two tribes of Judah and Benjamin with albeit a few other ten tribe members do not meet that promise and as yet still to be fulfilled. The other problem is that the nation of Israel and its members can be counted but the descendants of Abraham were immeasurable as stars in the sky.

Genesis 27:29 Let peoples serve you, and nations bow down to you. Be master over your brethren, and let your mother's sons bow down to you. Cursed be everyone who curses you, and blessed be those who bless you!"

When Jacob receives the blessing from Isaac he again blessed Jacob through his twelve sons who were not yet born who were going to form the 12 tribes of Israel. Remember the promise started to be fulfilled in Abraham's loins and thus through Isaac and now Jacob to further reveal what is going on.

A turning point for Jacob's family

Genesis 35:9-11 Then God appeared to Jacob again, when he came from Padan Aram, and blessed him. (10) And God said to him, "Your name is Jacob; your name shall not be called Jacob anymore, but Israel shall be your name." So He called his name Israel. (11) Also God said to him: "I am God Almighty. Be fruitful and multiply; a nation and a company of nations shall proceed from you, and kings shall come from your body."

Yahweh changed Jacob's name from Jacob to Israel that means "upright with Elohim" and the name change in Middle-Eastern culture also means a nature change so here Jacob is given new unfolding prophesies that are now to be fulfilled through his children the 12 sons to become the tribes of Israel. Yahweh also tells him to "be fruitful" the Hebrew word Parats literally means "to burst forth" or "break forth" into many people. It is good for believers in Yahushua to have a name change at or after the onset of their new birth a more appropriate Hebrew name to reflect the inner reality of your outer being. I was called Mohammed before Yahushua saved me and thus after my salvation I changed my name to Simon, in Hebrew Shimon means "the one who heard God" and it is a very Hebrew name not Greek.

Some other interesting things here in Genesis 35:9-11, notice Israel is referred to as a goy (nation) and also Qahal goyim (Assembly of nations) thus we can now see Yahweh has started to separate the two house of Israel e.g. goy (Israel) and Qahal Goyim (10 tribes that were to spread in the world) though this division was not revealed until after the time of King Solomon.

Let's look at the Restoration Scriptures True Name Edition that helps us here to understand.

Beresheet Genesis 35:11 *And Elohim said to him, I am El-Shaddai: be fruitful and multiply; a nation-goy; and a congregation of nations-kahal-goyim; shall come from you, and melechim ^[i] shall come out of your loins; ^[ii] ^[iii]*

Rabbi Moshe Koniuchowsky of YATI comments:

[i] Many of the royal houses of both the east and west came from Jacob and had Yisraelite blood. This issue has been well documented by scholars. A perfect example is the Ethiopian royalty, as well as the royalty of Western Europe.

[ii] A nation, the Jews (goy), and a company of nations, or a congregation of nations (kahal goyim), a clear prophesy that from Jacob's body would come two physical houses, one Jewish and one "gentile."

[iii] Also notice that Yisrael is called a "goy," just like today non-Yisraelites are called goyim/gentiles. So when one is called a goy, that does not by any means eliminate Yisraelite DNA, for if that were true, the Jews of today also would not be Yisraelites, as often they are referred to as a goy, or the goyim of YHWH in Scripture.

Notice also that the children of Israel were to be enslaved in Egypt as revealed by Elohim to Abraham (Genesis 15:13) and then they came out of Egypt to become a congregation or the start of the church at Mount Sinai where Yahweh allegorically married them as a husband with a wife giving them the Ketubah (Hebrew for Marriage certificate) to His wife Israel (12 tribes).

Enter King Solomon

1 Kings 9:3 And the Lord said to him: "I have heard your prayer and your supplication that you have made before Me; I have sanctified this house which you have built to put My name there forever, and My eyes and My heart will be there perpetually."

King Solomon had built the most magnificent house for Yahweh spending by today's calculation about \$50 billion dollars, can you imagine the love he had and that he made sure nothing was left short and

...Two Houses of Israel or the twelve tribes of Israel

Yahweh was pleased with King Solomon but even then Yahweh set him straight by reminding him to walk with Him as his father David did and be obedient to reap his reward in this life and the next.

1 Kings 9:4 "Now if you walk before Me as your father David walked, in integrity of heart and in uprightness, to do according to all that I have commanded you, and if you keep My statutes and My judgments,

In King Solomon's time he was faithful and built a house (The magnificent Temple) to Yahweh but then he did not heed the call of Yahweh but married a lot of foreign women who turned his heart away from Yahweh thus he started to worship false gods and later Yahweh revealed to him that for this sin his punishment would be the separation of his kingdom 1 Kings 11:8-11.

1 Kings 11:8-11 And he did likewise for all his foreign wives, who burned incense and sacrificed to their gods. (9) So the Lord became angry with Solomon, because his heart had turned from the Lord God of Israel, who had appeared to him twice (10) and had commanded him concerning this thing, that he should not go after other gods; but he did not keep what the Lord had commanded. (11) Therefore the Lord said to Solomon, "Because you have done this, and have not kept My covenant and My statutes, which I have commanded you, I will surely tear the kingdom away from you and give it to your servant.

Thus in 931BC King Solomon's kingdom was split into north and south Israel ruled by two kings. Jeroboam is the king mentioned in scriptures for ruling the northern tribes of Israel e.g. the 10 tribes (Ephraim). Here we encounter the term House of Israel in 1 Kings 12:21 not for the collective twelve tribes but only for the northern kingdom Ephraim.

Its very interesting how Yahuweh's usage of the term the House of Israel is not for All tribes but the counted 10 tribes.

Jeremiah 3:4-5 Hear the word of the Lord, O house of Jacob and all the families of the house of Israel. (5) Thus says the Lord: "What injustice have your fathers found in Me, that they have gone far from Me, have followed idols, and have become idolaters?"

Notice the pattern here the whole twelve tribes had not yet gone into captivity but only the 10 northern tribes but the writer addresses first the whole house (Jacob) and then the ten northern tribes as the "house of Israel". The church today commits the same sin as the house of Israel namely setting up their own holy days such as Christ-mass and Easter (false deity name) yet the Bible gives no credence to such days. No wonder for 1600 years such idolatrous practices have continued in the churches without any fear of Yahuweh or what He may think of these man made feasts! Any sensible person only has to read the account of King Jeroboam to come to a realisation that these are not acceptable in any modern shape or form. The Holy days that the Bible asks us to celebrate are mentioned in Leviticus 23/Deuteronomy 16 such as Passover and Tabernacles but only a few Christians know about them and these are deliberately ignored by many such Christians who simply want to argue and hold to the pagan papal feasts while calling the other ones Jewish in their ignorance. They misapply grace by thinking that Yahuweh Elohim does not care but forget it was this particular sin precisely that caused the great offence to Yahuweh and for Him to scatter Ephraim in His anger.

The time has now come that once again that Yahuweh will punish these sins and many people will either be removed from the true Elohim of Israel or be grafted in as the seed of Abraham. I am making sure that I am here presenting as much material to the opposite argument in favour of the feasts of Yahuweh and I even offer a book written on the subject that can be purchased here. [Click Here for the book](#) on feasts of Yahuweh.

First came their scattering for disobedience

Leviticus 26:33 And I will scatter you among the heathen, and will draw out a sword after you: and your land shall be desolate, and your cities waste.

The House of Israel did become like pagans and behaved in the same way and acted out the pagan habits but Yahweh's plan was to mix them with the heathens and let them come back into the truth faith non-paganised recognising their Messiah and their roots. The sin was disobedience.

Leviticus 26:14-16 But if ye will not hearken unto me, and will not do all these commandments; (15) And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my

...Two Houses of Israel or the twelve tribes of Israel

commandments, but that ye break my covenant: (16) I also will do this unto you; I will even appoint over you terror, consumption, and the burning ague, that shall consume the eyes, and cause sorrow of heart: and ye shall sow your seed in vain, for your enemies shall eat it.

The trouble was both Houses of Israel suffered for their disobedience and literally Yahweh brought terror upon them which sadly transpired in the form of pogroms, burnings and evictions from countries. Now that Israel has been established since 1948 the time of the pogroms are over provided the Hebrew people recognise their home. Anti-Semitism still brews in churches and shamefully many Christians who are biological and spiritual Ephraimites still persecute their Judean brothers ascribing all the blessings of Yahweh to themselves and all the curses to the Jews and these frankly are pointed reasons why the Jews today cannot get along with the church.

1 plus 1 equals 2 house of Israel e.g. the 12 tribes

1+1=2 House

Jeremiah 31:31 "Behold, the days are coming," says the Lord, "when I will make a new covenant with the house of Israel and with the house of Judah

1+1=2 House

Isaiah 8:14 He will be as a sanctuary, but a stone of stumbling and a rock of offense to both the houses of Israel, as a trap and a snare to the inhabitants of Jerusalem.

1+1=2 Nations and also 2 countries

Ezekiel 35:10 "Because you have said, 'These TWO NATIONS and these TWO COUNTRIES shall be mine, and we will possess them,' although the Lord was there,

1+1=2 sticks

Ezekiel 37:16 "As for you, son of man, take a stick for yourself and write on it: 'For Judah and for the children of Israel, his companions.' Then take another stick and write on it, 'For Joseph, the stick of Ephraim, and for all the house of Israel, his companions.'

1+1=2 Trumpets

Number 10:2-3 "Make TWO SILVER TRUMPETS for yourself; you shall make them of hammered work; you shall use them for calling the assembly and for directing the movement of the camps. (3). "When they blow both of them, all the assembly shall gather before you at the door of the tabernacle of meeting.

1+1=2 Cherubims

Exodus 25:18 "And you shall make two cherubim of gold; of hammered work you shall make them at the two ends of the mercy seat.

1+1=2 Outcasts of Israel and Judah

Isaiah 11:12 He will set up a banner for the nations, and will assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth.

These are but some scriptures to confirm that the truth of two house is a reality taking place and that whether Christians see it or not is irrelevant to how Yahweh sees it. He sees the two families and one cannot find a single reference for a covenant of Yahweh to an entity called "the church". Those that are in the churches today and call themselves Christians do largely belong to the outcasts of Israel (Ephraim group) in one from or another, they maybe people from Judah as well but spiritually and Biologically these are Israelites rightful heirs in the 12 tribes of Israel. There are even Muslims and Hindus who belong to the House of Israel, perhaps over time they will recognise the Elohim of Israel as His Ruach works in their lives or if not they will perish, only time will tell. I have found one thing that even messianic Christian groups show a hatred for the two house and wrongly call this anti-Semitism. This is the sort of ridiculous theory you have to believe that the most normal of Biblical theologies

My mission is to proclaim the truth of the Scriptures

Matthew 28:19-20 "Go therefore and **make disciples** of ALL the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, **teaching them to OBSERVE ALL things that I have commanded you;** and lo, I am with you always, even to the end of the age." Amen.

Yahushua also said

which espouses the joining of the two sticks into one or Messiah ruling one flock is anti-Semitic.

Unfortunately the truth is that the hardening that happened is not just to Jewish Israel but also to Ephraim Israel (Romans 11:25) since both get the nourishment from the same olive tree. The Christians are hardened not to see the relevance of the Torah they would rather celebrate pagan Christ-mass but the Jewish Israel is hardened to see their Messiah and obey rabbinic man made Judaism. Well the messianic some of them are hardened to see the two house, different levels of this hardening exists and they all try to justify themselves as right, the orthodox Rabbis say the Christians are wrong and the Christians say the Rabbis are wrong and so and so forth.

Exodus 19:6 `And you shall be to Me a kingdom of priests and a holy nation.' These are the words which you shall speak to the children of Israel."

Mamlakah Kadosh goy

In other words Israel was to be a nations of both mixed gentiles and Jews i.e. Judah and this is the exact prophecy revealed to our father Abraham.

Genesis 12:2 I will make you a great nation;

Goy Gadol in Hebrew means Great nation.

Today Israel alone cannot fulfil this promise because Abraham's children are to be as vast as the stars but Israel in the land today is counted and mostly Judahites with the tribe of Benajamin with levites and few other northern tribe members.

I hope you see the word "together", Its quite clear that just prior to the return of Messiah scripture shows the two groups are returning Judah and Ephraim and the ones asking the way to Zion are clearly those who did not know the way to Zion (present church) but upon a wakeup call they want to return to the Elohim of Israel. The purpose of this article is to show that not all the prophecies can be fulfilled in Judah alone or Jewish Israel today, they absolutely require Ephraim as well and the sooner we come to the understanding that our Father in heaven wants the better for all of us.
