What happened to some converts in India recently!

22nd October 2009 report...

When a suicide bomber blew himself up on the girls university campus last week, the martyr for Messiah Pervez Masih did not allow this man hiding in a burka (complete women's covering) pretending to be a woman to go into the girls cafeteria. There was another Muslim guard with him who survived but was badly injured while Pervez was blown into bits protecting the girls. This was the unsung hero who helped to save many lives losing his own. He leaves behind his widow and children.

-- New King James

Revelation 17:6 And I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with great amazement.

These are Muslim converts in India.

Bro. M. Shaik (Evangelist) and his wife Sis. Modina (In-charge of children ministry) both are rejected by their own relative because of their faith in Jesus. Today, their relative (Sis. Modina's parents) asked them not to take water from their hand pump. Even near by neighbours also didn't welcome them to take water from their hand pump. Therefore, our brother & sister and their children are going through very hard time.

Two years ago in 2007

We are very sad to inform you that the Mosque's committee called for several thousand villagers and forced Bro. Aziz (One of our house Church leader) & his family along with other 5 believer families to deny Jesus Christ on 4th Sept 2007. The believers were treated very inhumane way from last few days by the villagers. The Mosque committee warned all the villagers not to keep **any social affairs with these 6 family members**. The **vegetables were not sold to them, no workers came to work in their field and house work, no customer came to their shops** and even **they warned the Muslims to kill them and destroy their houses** if

they do not deny Isa Al Masih (Islamic Jesus). A group of women were encouraged by the fanatic Muslims to torture physically to one of our believer sister and make her naked and examine her body in order to find out any Christian markings on her body as they think like this way. All the leading Newspapers reported about this incident.

Time to wake up

This is those who worship in the name of Allah will not buy or sell and force you to submit in the name of Allah by taking upon you his mark. Where did we hear this?

While many are being deceived into looking for a number 666 the real action is already happening. Ouch

Revelation 13:17 and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.

If you thought the Radicals are only after the faithful you are dead wrong!!!

A Muslim man told to cut short his moustache within a week or die by the Talibans!!!

While the action takes place in the EAST Christians have their heads turned west. Sure recipe for disaster while the Messiah warned!

Matthew 24:4 and Yahushua answered and said to them: "Take heed that no one deceives you.

The Christians need to be careful not to be deceived and getting their ears tickled by televangelists within their camps because the Messiah warned everyone to be careful!

Peter warned them be careful!

2 Peter 2:1 But there were also false prophets among the people, even as there will be false teachers among you, who will secretly bring in destructive heresies, even denying the Lord who bought them, and bring on themselves swift destruction.

Whose report will you believe?

Will you believe Yahushua and Peter or will you believe the false prophets in Churches and the teachers who teach false destructive doctrines? We do not know what happened to the Muslim man after the week's deadline passed whether he is still alive or dead.

Wake up Christendom!

Deadline for Whiskers

by [Abdulhadi Hairan](#), Oct 3, 2007

The group has set a deadline and its head said that if Mr Khan tried to flee the area, they will set his home ablaze.

A local pro-Taliban militant group has warned a businessman to cut his long whiskers within one week.

The man, Ameer Mohammad Khan, has at least ten inches long whiskers and he loves it. The militant group has declared that keeping long whiskers is un-Islamic and unnecessary.

According to daily Mashriq, a local Urdu newspaper from Peshawar, Ameer Mohammad Khan is a businessman of the Bara area where a group of militants called Lashkar-e-Islam is active for past few years.

The group has set a deadline and its head said that if Mr Khan tried to flee the area, they will set his home ablaze.

'Those long whiskers are un-Islamic and unnecessary. So he must cut them within one week' the daily quoted Mangal Bagh, head of the militant group.

This group has a rivalry with another militant group and more than four hundred people have been killed so far in their fighting.

There are many pro-Taliban local militants active in Pakistan's tribal areas who call themselves Jihadist, Islamists and local Taliban. They have already banned music and other entertainment activities. They have their own strict Islamic rules which they impose by force.
