

From World War III – Unmasking the End-Time Beast

Beheading - Is This A New Phenomenon, or A Revival of True Islam?

The culture of beheadings is not something the Islamists have invented in the 21st century, as most people like to believe. The general opinion is that this is something the fringe element in Islam would carry out due to an incorrect extremist outlook (i.e. they are nice people otherwise). Again this is far from the truth as I will show later in this work. The problem is the political correctness that is plaguing the west and stifling free speech to deal with the issue at hand. Unless we are honest we cannot deal with the issue at all. We need to be sensitive and truthful about the issues we are facing. Our aim is not to isolate, or separate Muslims into groups, but to raise awareness of what is happening in our world and how best to deal with it.

If we take a look around ourselves can we honestly name one serious conflict where the Islamists are not involved? Is our war a war on terror, or a war against Islamic terrorists? How many Hindu, Jewish and Buddhist terrorists are we fighting? Lets take a brief snapshot of the world as it stands today:

- Chechnya Muslims active in that region of Russia.
- Philippines Muslims active in fighting against the government.
- Iraq Muslims active in beheading, bombing and killing.
- Saudi Arabia Muslims active in bombings and terrorist acts.
- Israel Daily suicide bombings, firing of Qassam rockets into Jewish settlements such as Gush Katif; over 6000 rockets fired so far.
- Afghanistan Muslims active in bitter conflict with the USA coalition forces.
- Egypt Muslim uprising against the Coptic Christians.
- Turkey Muslim suicide bombings on Western and Jewish targets.
- Pakistan Muslims active in the borders of Pakistan fighting with the government troops.
- Sudan Muslims active against the Sudanese Christians, forceful conversions and murder of innocent civilians both Christians and non-Christians.
- Indonesia Muslim insurgents forcing the Christians to convert or face death.
- Algeria Muslims insurgents fighting the government.
- Nigeria Muslims fighting the Christians and destroying churches along the north south divide.
- Bosnia Muslims fighting and killing the Serbian villagers and desecrating churches.
- Eritrea Muslims waging war against the Christians.
- Lebanon Muslims active against the Lebanese Christian massacres.
- India Muslims insurgents fighting in Kashmir breaking out into the street of India.

The list is endless and we can see that everywhere you look the Islamists are active. Do you still want to paint a picture of Islam being peaceful? Or, a “great religion that some have sadly hijacked?” Thing again! If you want to walk in the dark and bury your head in the sand and pretend it is not happening and that Islam is not the enemy that would still not turn Islam into a peaceful faith. It remains a religion of submission and

brutal ghastly violence against the most vulnerable peoples in our society, along with their equally vulnerable governments.

First of all Islam as a religion is very much stuck in the past so to say. It just does not move on. The rhetoric of peace will just not work. Sure you can fool the people some of the time, but you cannot fool all peoples all of the time. What does this mean? Islam wants to force people into a 7th century paradigm. This means you cannot re-interpret the Qur'an according to your whims and desires. No matter how peaceful a Muslim wants to become, he has to accept the Qur'an as a de-facto standard in his life. The teachings of the beheadings are taken out of the pages of the Qur'an, also elaborated upon by the Hadiths (sayings and deeds of Muhammad). The Qur'an cannot be interpreted without the Hadiths and you cannot separate one from the other. They are intertwined and used in all aspects of Islamic jurisprudence. The Hadiths are held to an exalted status by the dominant sects of Islam i.e. Sunni and Shiites. The Hadiths are considered part of the faith of Islam. Rejection of the Hadiths is seen as a rejection of Islam. Muslims believe one MUST adhere to them in order to live out a life as a good Muslim.

Anything the Muslims do must be seen through Islamic lenses, which most people rarely do today. Have you ever wondered why Muslims get so incensed when you call them terrorists? This is because they are trying to be good Muslims NOT terrorists, or extremists. What the west defines as terrorism, Islam sees as the legal code for jihad and Muslim conversions for the spread of Islam.

Also many people incorrectly say Wahabbism is a sect of Islam that has extremist views. Again the Muslims see this as a false view. Muhammad Ibn Abd al-Wahab (18th century) simply should be considered a puritan for Islam, who asked people to go back to the truth of Muhammad and his teachings. It is akin to the reformations in Christianity to go back to the truth of the Bible. The truths of the Bible teach peace and harmony and the truths of the Qur'an teach Jihad against the infidels.

Oh, by the way since you are thinking perhaps we can co-exist with Islam and Islam after all does call both houses of Israel the 'people of the book,' keep in mind they also call you pagans and idolaters if you ever call upon Yahushua the Son of God.

Sura 5:17 Pagans indeed are those who say that **God is the Messiah**, the son of Mary. Say, "who could oppose God if He willed to annihilate the Messiah, son of Mary, and his mother, and everyone on earth?" To God belongs the sovereignty of the heavens and the earth, and everything between them. He creates whatever He wills. God is Omnipotent.

Only one person has a stake in the denial of the deity of Messiah and His Sonship and that person is Satan the one who diverts.

In the Judeo/Christian worldview God is personal who wants to have a relationship with His creation loving all of mankind. He wants all of mankind to turn away from sin and be reconciled through the person of Yahushua the Messiah. Yahushua the Messiah thus elaborated the need for all to repent, and gave us two 'golden rules' of Hebraic conduct.

1. Love the Master God with all your hearts, soul and mind.
2. Love your neighbors as yourself i.e. love all mankind, treating them as we would like to be treated recognizing that we are all created in the image of God.

In the Islamic world we also have two interesting concepts; that Allah (the Islamic deity) is the Supreme Being and Muhammad is his last and final prophet being the supreme authority on earth. Anything that Muhammad says goes and you cannot question that authority. This is why when we read Islamic history we see that no one ever questioned Muhammad's authority and if anyone dared to challenge his authority, then they were swiftly dealt with and permanently ended up six feet under.

A The Jihad on Infidels

It is a widely held belief that in Islam it is incumbent on all Muslims to go for jihad for Allah and establish the caliphate i.e. the Islamic state. Jihad is the greatest thing a Muslim can do, to outwardly convert others to Islam by preaching first. If they do not listen, then one is to use all means possible e.g. setting up mosques, madrassas (Islamic schools and centres of worship) and lastly force i.e. to convert, or to kill any and all unbelievers. Do you see that Muslims in Europe are already actively setting up mosques, and Islamic centres? Force, the final step in this perverted evangelism, will follow later, given the right circumstances. Just take a look at Egypt, Indonesia, Lebanon, and Nigeria etc? Are we seeing the promised Islamic utopia in these countries? Not likely!

According to Imam Al-Qastalani (Shaafi), Imam Al-Mawardi (Shaafi), Imam Al-Taftazani (Hanafi) and Imam Jirjani (Hanafi) schools of thought, the condition to fight the Infidels is to give victory to Islam. That victory has as its aim and intention to make Allah's (the Islamic god) name the highest. The Muslim aim is to make Allah's faith the highest and the struggle is real. It always ends with fighting and the fighting has to be started by Muslims, after offering someone Islam. Their non-acceptance of Islam can start this violence.

Let us look at the first cases of how Muhammad dealt with people living in Saudi Arabia.

Sura 47:4 Therefore, when ye meet the unbelievers (in fight), smite at their necks [i.e. **behead them**]; at length, when ye have thoroughly subdued them [humiliated them], bind a bond firmly (on them): thereafter (is the time for) either generosity or ransom [can be released for a sum of money]: until the war lays down its burdens. Thus (are ye commanded): but if it had been Allah's will, he could certainly have exacted retribution from them (himself); but (he lets you fight) in order to test you, some with others. But those who are slain in the way of Allah, he will never let their deeds be lost.

The Qur'an is clear that this is to instil fear in the people's hearts who are unbelievers [non-Muslims].

Sura 8:12-13 Remember thy Master inspired the angels (with the message): "I am with you: give firmness to the Believers [Muslims]: I will instil terror into the

hearts of the Unbelievers [all non-Muslims]: **smite ye above their necks [cut off their heads] and smite all their finger tips off them.**" This because they contended against Allah and His Messenger [Muhammad]: if any contend against Allah and His Messenger, Allah is strict in punishment. [no mercy]

Again the Qur'an makes mention here that this is ordained by Allah himself to cut people's heads and fingers off. This is not allegory, but the real deal of Islam that most people are in denial about. For those who want to deny them, these Suras are in force today and have not been abrogated.

We are told by the ignorant masses not to judge Islam based on the actions of a few Muslims. So then what are we to judge Islam on?

There is only one answer, look at Muhammad and his actions. Would you not judge Christianity and Nazarene Yisraelite faith by the actions of Yahushua of Nazareth? Of course you would! This is the right thing to do, since the followers must never do things not advocated by the founder. Did Yahushua tell the Catholic Church to do the inquisitions against the Jews? Did Yahushua tell the Puritans to do the witch trials? No. Did Muhammad tell his followers to behead people? Yes. Did Muhammad tell his followers to wage a holy jihad against infidels? Yes.

In Islamic history these kinds of things are clearly established. In fact the Pact of Umar is one clear one, where Jews and Christians were treated very badly as 'dhimmis' (under a kind of protection where they had to pay severe taxes to live).

The Umar Pact - Coexistence with the Christians

Let us see what edict Umar Ibn Khattab laid down. He was the second caliph after Muhammad's death. This is known as the Umar Pact for all non-Muslims.

We heard from 'Abd al-Rahman ibn Ghanam (died 7/8/697 AD) as follows: When Umar ibn al-Khattab, may Allah be pleased with him, accorded a peace to the Christians of Syria, we wrote to him as follows:

In the name of god, the Merciful and Compassionate, this is a letter to the servant of god Umar (Ibn al-Khattab), Commander of the Faithful, from the Christians of such-and-such a city. When you came against us, we asked you for safe-conduct (ayman) for ourselves, our descendants, our property, and the people of our community, and we undertook the following obligations toward you:

- ❖ We shall not build, in our cities or in their neighbourhood, new monasteries, churches, convents, or monks' cells, nor shall we repair, by day or by night, such of them as fall in ruins or are situated in the quarters of the Muslims.
- ❖ We shall keep our gates wide open for passers by and travellers. We shall give board and lodging to all Muslims who pass our way for three days.
- ❖ We shall not give shelter in our churches or in our dwellings to any spy, nor hide him from the Muslims.

- ❖ We shall not teach the Qur'an to our children.
- ❖ We shall not manifest our religion publicly nor convert anyone to it. We shall not prevent any of our kin from entering Islam if they wish it.
- ❖ We shall show respect toward the Muslims, and we shall rise from our seats when they wish to sit.
- ❖ We shall not seek to resemble the Muslims by imitating any of their garments, the qalansuwa, the turban, footwear, or the parting of the hair. We shall not speak as they do, nor shall we adopt their kunyas.
- ❖ We shall not mount on saddles, nor shall we gird swords nor bear any kind of arms nor carry them on our- persons.
- ❖ We shall not engrave Arabic inscriptions on our seals.
- ❖ We shall not sell fermented drinks.
- ❖ We shall clip the fronts of our heads.
- ❖ We shall always dress in the same way wherever we may be, and we shall bind the zunar round our waists
- ❖ We shall not display our crosses or our books in the roads or markets of the Muslims.
- ❖ We shall use only clappers in our churches very softly. We shall not raise our voices when following our dead. We shall not show lights on any of the roads of the Muslims or in their markets. We shall not bury our dead near the Muslims.
- ❖ We shall not take slaves who have been allotted to Muslims.
- ❖ We shall not build houses overtopping the houses of the Muslims.
- ❖ (When I brought the letter to Umar, may Allah be pleased with him, he added, "We shall not strike a Muslim.")
- ❖ We accept these conditions for ourselves and for the people of our community, and in return we receive safe-conduct.
- ❖ If we in any way violate these undertakings for which we ourselves stand surety, we forfeit our covenant (dhimma), and we become liable to the penalties for contumacy and sedition.
- ❖ Umar Ibn al-Khattab replied: Sign what they ask, but add two clauses and impose them in addition to those, which they have undertaken. They are: "They shall not buy anyone made prisoner by the Muslims," and "Whoever strikes a Muslim with deliberate intent shall forfeit the protection of this pact."

From Al-Turtushi, Siraj al-Muluk, pp. 229-230.

As can be seen from this edict it was a very hard life for Christians and Jews in Islamic lands. In fact on his deathbed Muhammad cursed the Jews and told his followers to expel all pagans from Arabia. Based on this Umar cited that no two religions can co-exist in Saudi Arabia.

B The Slaughtering of the Jews by beheading

Let's see the evidence...

The life of Muhammad by ibn Ishaq Sirat Rasul Allah by A. Guillaume p 464 and 465

Even a Jewish woman was **beheaded** whose only crime was that she was a Jewess.

Aisha said; 'Only one of their woman was killed. She was actually with me and was talking with me and laughing immoderately as the apostle was killing her men in the market when suddenly an unseen voice called her name. 'Good heavens,' I cried, 'what is the matter?' 'I am to be killed,' she replied. 'What for?' I asked. 'Because of something I did,' she answered. She was taken away and **beheaded**. End quote – emphasis mine.

The beheading of Kab bin Ashraf

BUKHARI, VOLUME 5, #369

Narrated Jabir Abdullah:

Allah's messenger said "Who is willing to kill Ka`b bin al-Ashraf who has hurt Allah and His apostle?" Thereupon Maslama got up saying, "O Allah's messenger! Would you like that I kill him?" The prophet said, "Yes." Maslama said, "**Then allow me to say a (false) thing (i.e. to deceive Ka`b). The prophet said, "You may say it."**

Maslama went to Ka`b and said, "That man (i.e. Muhammad) demands Sadaqa (i.e. Zakat) [taxes] from us, and he has troubled us, and I have come to borrow something from you." On that, Ka`b said, "By Allah, you will get tired of him!" Maslama said, "Now as we have followed him, we do not want to leave him unless and until we see how his end is going to be. Now we want you to lend us a camel load or two of food." Ka`b said, "Yes, but you should mortgage something to me." Maslama and his companion said, "What do you want?" Ka`b replied, "Mortgage your women to me." They said, "How can we mortgage our women to you and you are the most handsome of the Arabs?" Ka`b said, "Then mortgage your sons to me." They said, "How can we mortgage our sons to you? Later they would be abused by the people's saying that so and so has been mortgaged for a camel load of food. That would cause us great disgrace, but we will mortgage our arms to you."

Maslama and his companion promised Ka`b that Maslama would return to him. He came to Ka`b at night along with Ka`b's foster brother, Abu Na'ila. Ka`b invited them to come into his fort and then he went down to them. His wife asked him, "Where are you going at this time?" Ka`b replied, none but Maslama and my (foster) brother Abu Na'ila have come." His wife said, "I hear a voice as if blood is dropping from him." Ka`b said, "They are none by my brother Maslama and my foster brother Abu Na'ila. A generous man should respond to a call at night even if invited to be killed."

Maslama went with two men. So Maslama went in together with two men, and said to them, "When Ka`b comes, I will touch his hair and smell it, and when you see that I have got hold of his head, strike him. I will let you smell his head."

Ka`b bin al-Ashraf came down to them wrapped in his clothes, and diffusing perfume. Maslama said, "I have never smelt a better scent than this." Ka`b replied, "I have got the best Arab women who know how to use the high class of perfume." Maslama requested Ka`b "will you allow me to smell your head?" Ka`b said "yes." Maslama smelt it and made his companions smell it as well. Then he requested Ka`b again, "will you let me (smell your head)?" Ka`b said, "Yes." When Maslama got a strong hold of him, he said (to his companions) "get at him!" So they killed him and went to the prophet and informed him."

Ibn Sa'd's Kitab al-Tabaqat al-Kabir adds another interesting feature to this story.

From the Tabaqat, Vol. 2, page 37:

"Then they cut his head and took it with them. they cast his head before him [Muhammad]. He (the prophet) praised Allah on his being slain."

The beheading of Kab bin Ashraf took place simply because he wrote some slanderous poems against the Muslim women and exposed Muhammad as a false prophet. Muhammad not able to withstand this criticism took swift action through his followers. That act laid the foundation for today that if anyone criticises Islam, it is not to be tolerated in any way shape, or form and swift action must be taken against such a person. This is why today if you debate with a Muslim they can get so offended at you labelling Muhammad as a false prophet, that they are ready to kill you for it. You will often find Muslims cannot behave well in a discussion about religion and get abusive very quick. In short this spirit of anger is the manifested spirit of Satan, not of the one true God and the Master Yahushua the Messiah. It is Satan who is a liar and was a murderer from the beginning; therefore whoever is under Satan will do likewise. The Spirit of God on the other hand is love and compassion, understanding and forgiveness. God can defend Himself, so there is no need for any individual to defend God. He is bigger than all of us and vengeance is His.

The second big event that happened was with the tribe of Quraiza. This was a well-known slaughter of many innocent Jews.

Their fate recorded in the Hadiths goes something like this...

**Volume 5, Book 59, Number 448:
Narrated 'Aisha:**

When the Prophet returned from the (battle) of Al-Khandaq (i.e. Trench) and laid down his arms and took a bath Gabriel came to him while he (i.e. Gabriel) was shaking the dust off his head, and said, "You have laid down the arms?" By Allah, I have not laid them down. Go out to them (to attack them)." The Prophet said, "Where?" Gabriel pointed towards Bani Quraiza. So Allah's Apostle went to them (i.e. Banu Quraiza) (i.e. besieged them). They then surrendered to the Prophet's judgment but he directed them to Sad to give his verdict concerning them. Sad said, "I give my judgment that their warriors should be killed, their women and children should be taken as captives, and their properties distributed."

In this event Muhammad ordered the beheadings of between 400 to 600 men, the women and children were taken as reward for the battle and split between the Muslims involved in the fighting.

Another account in the life of Muhammad book Ibn Ishaq Sirat Rasul Allah by A. Guillaume p 461-464 and 465 states;

Asad said to them; 'O Jews, you can see what has happened to you; I offer you three alternatives. Take which you please. (I) We will follow this man [Muhammad] and accept him as true, for by god it has become plain to you that he is a prophet who has been sent and that it is he that you find mentioned in your Scripture; and then your lives, your property, your women and children will be saved. They [the Jews] said, 'We will never abandon the laws of the Torah and never change it for another.' [p. 463] Al-Aus leapt up and said O' Apostle they [Jews] are our allies not allies of Khazraj, and you know how you recently treated the allies of our brethren.' Now the apostle had besieged B. Qanuqa who were allies of Al Khazrah. [p.464] Then the apostle went out to the market in Medina (which is still its market today) and dug trenches in it. Then he sent for them and struck off their heads in those trenches as they were brought out to him in batches. Among them was the enemy of Allah Huyayy b. Akhtab and Ka'b b. Asad their chief. There were 600 or 700 in all, though some put the figure as high as 800 or 900. End quote. Emphasis mine [my comments in square brackets]

The men were lined up against huge dug up trenches and were brought out five or six at a time and **beheaded**. These are not the only cases of beheadings, but they do tell us some of the things that Muhammad was personally involved in. It begins to paint a picture of why Muslims today who follow Islam strictly want to carry out the **same things** of their Islamic past. It leaves us in no doubt that the events on our screens today of the beheadings, the barbarism, the bombs are a by-product of an Islamic era that is being revived by Muslims all over the world. I predict things will get worse and suicide bombings, though common in Israel, are now happening in Iraq, Russia the USA and Europe, as I predicated in my first edition of the book Islam, Peace or Beast. These things will increase and government measures need to be taken to put these insidious crimes to a halt.

The Bible talks about these things happening in end of days.

Revelation 13:2 And the beast which I saw was like unto a **leopard**, and his feet were as the feet of a bear, and his mouth as the mouth of a lion and the dragon gave him his power, and his seat, and great authority.

Points to note:

- ❖ Beast = Empire/kingdom/nations.
- ❖ Leopard = Grecian Empire (ruled throughout the Middle East, today all Islamic).
- ❖ Feet of a Bear = Medo/Persian Empire, today all Islamic.
- ❖ Mouth of a Lion = Babylon (Iraq), today all Islamic.
- ❖ The Dragon = Satan the one who diverts and opposes, this is the meaning of ha Satan.

It goes on to tell us that there is a huge revival of Islam, the empire that everyone thought had died. Yet is actually going to come back and is even now being brought back. The larger part of this growth is organic, because Muslim households do have many children, at least six to eight children per family. And the smaller part of this growth is through proselytizing. Many Muslims feel that they have come to the west to get back at the west for ruling their lands. A case in point is the raj in India by the British. Some Muslims often say in private quite honestly that they (the west) plundered our lands. Now we have come to plunder them by making false claims. This often occurs with false social security claims and false immigration claims, such as a brother and sister claiming to be husband and wife, in order to obtain entry into the west.

At this point their religion plays no part in their thinking and their morality goes out of the window. So much for those five prayers and false outward righteousness. However having said that, I can vouch for some Muslims, who are very honest and upright in their morality. They will often put many Christians to shame. Muslims stick to the doctrines taught to them and do not argue over certain principles such as homosexuality, abortion, and food laws. Yet most of these things are taken from the Bible. Nazarene Yisraelites and Christians should agree upon the Bible, especially the clear directives. But sadly amongst Christians the arguments are never ending. The Bible stands proof against all those who want to deny His holy laws/Torah. Here I must say I have respect for the Jews, because they do not argue over the basic Torah principles of daily living. This is where Islam gets morality from, as it was the Jews who Muhammad saw practicing these things and it drew him close to monotheism. I myself firmly agree with all the Torah principles being eternal and unchanging and you will find this to be the case amongst many Muslim converts.

Revelation 13:3 - And I saw one of his heads as it were **wounded** to death; and his **deadly wound** was **healed**: and all the world wondered after the beast.

Points:

- ❖ Wounded head = Islam wounded; Islamic Empire brought to a close in 1924 when the Islamic Ottoman Empire ceased.
- ❖ Wound healed = Current day - People proclaiming Islam's resurrection that allows it to wage war against the powerful west. It is growing in influence and in winning converts.

The Bible also warns us that Christians would be beheaded for the witness of Yahushua the Messiah in the last days by this empire and the followers of Islam [see the classic case of Kim Sun Il who was an evangelical Christian in Iraq brutally beheaded]. Nick Berg had the same fate in Iraq, as the Muslims also beheaded him.

Is this a new tactic? Not so. Are more people going to be beheaded this way? Unfortunately yes. The Bible has proved to be true in the past, so this is the likely scenario to be followed as described in Revelation 20:4 as we enter Jacob's Trouble. In Bosnia the Serbs suffered the same fate. Why should it be different for other people? Islamists do not care about boundaries, or different views in acting out their violence on the non-Muslims, or against what it terms the Islamic push against the infidels.

What was the fault of these Serbs seen above? They were Christians and were in the wrong place and at the wrong time. They were beheaded because they tried to stop the Islamists from pillaging and looting their villages and desecrating their churches. Most in the west sit idly and do nothing, thus many more similar people will yet come to the same fate. Recently in Indonesia-Poso three young girls were beheaded. Their fault was that they were Christians. They were asked to deny Yahushua the Messiah, but they

refused and paid with their lives. In God's eyes these are His people who He will avenge very soon. The western response remains lacklustre and we continue to do business with murderers; for such reasons God's judgement is also upon us and His baton is swinging and hitting us as well. Too many of us are too ignorant to realize this because we do not want to hear about impending judgement, but only about the love of God. Yet we forget the justice of the Holy One.

Revelation 20:4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were **beheaded** for the **witness of Yahushua**, [believers] and for the word of God [either believers, or Torah keeping Jews]. Both houses of Israel are the beats main targets.

This is not new and has been happening for a while now, however we were just not told by the mainstream media machine. A good case in point happened in 1996 when Chechen Muslim fanatics murdered Evgeny Rodionov on the 23rd of May 1996 in the Chechen settlement of Bamut. The Muslims asked him to convert to Islam, join them and take his cross from off his neck. He refused, upon which they beheaded him, as he stood firm. This was his witness for Messiah. He refused to give up his faith, even to the point of death by decapitation, a most brutal way to die. He will stand amongst the righteous and inherit a heavenly throne as promised. The young lad was only 19 years old. He certainly showed bravery and refused to take the mark of the beast. His mother had to re-mortgage her house to find his body. His father died five days after his funeral because he was devastated by his loss. This young lad's sacrifice will not be forgotten by God to stand firm for His name.

Today, the Muslims actively wage war everywhere against Christians and Jews and say proudly and loudly that they are fighting the Crusaders and the Jews. It is not a big secret, yet our governments are bent on keeping this secret.

Yahushua gave us a very clear warning of the future of a people who would do these atrocities and they are the Islamists. The words of Yahushua should come home to those who have not recognized the end-time beast. Many believers are still stuck with Rome, the Vatican, or various USA end time theories.

John 16:2-3 They shall put you out of the synagogues [congregations] yea, the time cometh [a time will come which is here now], that whosoever killeth you will think **that he doeth God service**. And these things will they do unto you, because they have **not known the Father, nor Me**.

Why did Yahushua mention those words "**not known by the Father nor Me?**" This is where the clue lies; He was not talking about the Roman Armies because they never professed the Master Yahushua, nor was He speaking about the Greeks. He was actually talking about Muslims who claim to worship God as Allah, but reject the fact that Allah is the Father of anyone. Muslims claim to know Isa as a prophet only, yet deny the deity of Yahushua, because they replace Yahushua the true Master God, with Isa who is a false mere human Messiah. Essentially they know neither the Father nor the Son denying both. Yet we still have many Christians who are falling heads over heels, still trying to prove that Isa is the same person as Yahushua. This in itself is a lie, because Isa is not the Son of God according to the Qur'an. This is why Yahushua is particular

about His last proclamation in verses 2 and 3. **These are the only people who think they do God a service.**

Muslims would kill both Christians and Jews and think they are doing God a service. Actually it is Allah that they serve. And they do not discriminate whether you are a Catholic, Presbyterian, Pentecostal, Baptist, or whatever. The time has come to deal with Islam decisively. Either the Muslims governments need to deal with their errant peoples, or the west will have to take punitive action to deal a deathblow to fanatical Islam. Until this happens it will not only increase, but will thrive in the current environment helped by pro Arab politicians and the liberals in the west.
