## **Is there any cure for a homosexual lifestyle?**

Yahushua – Jesus of Nazareth

Although a perfectly honest question and it may come as a shock to some that this is actually a deviant behaviour and can be fully cured. Yes indeed. No matter what claims are made by people out there such as science or otherwise homosexuality is a choice and not a gene that makes you sin by birth. Any man who has gone into this if honest with himself will know he made a choice to live this unnatural behaviour. God never designed you this way. You were made to be with a woman in marriage that is the natural choice and design. You were designed to produce children with a woman to raise your name. How are you going to do this with this lifestyle? It may be fashionable to be homosexual but I can assure you the end result is pain and torment in hell and then eternal destruction in the lake of fire like a criminal. Even while you are on this good earth you will be tormented day and night by the thoughts in your head and many people will taunt you because they will not understand your reasons that drove you into this lifestyle.

**Lev 18:22** Thou shalt not lie with mankind, as with womankind: it *is* abomination.

Yes it can be cured and I am not saying by a prescription drug but by prayers and the same blood of the righteous Messiah shed on the tree that can remove all the sins of any man. The homosexual orientation is really demonic oppression. The people who have it neither know they are males or females and are affected by spiritual principalities. We as believers know how to rid these principalities in the name of Yahushua (Jesus of Nazareth) through His authority.

### **Male or female?**

Homosexual people are confused about their sexual orientation? This is because in the spirit realm demons are asexual. Even Satan their head is asexual. They are neither male nor female hence when the demons either possess you or they harass you due to you opening up to them in certain ways either by drugs or heavy drinking bouts or other things that you do then they can easily enter your body and oppress you. Since they are asexual you are then left wondering if you are male or female!!! The same issue affects transsexuals too.

If you are leaning towards this behaviour then you need to seek help. The first thing is to admit you are a sinner and in need of help. I do not ask you to admit to me but to God. For help you are welcome to come to me.

The sin can be cured completely and I mean completely with no traces of the past. We need to deal with the demonic influence in your life that causes you an identity crisis and for this sin to persist.

Go to a good messianic Rabbi or Pastor and seek prayers to eliminate the physical entity that is obscuring the view of yourself. I have heard of many homosexuals who have left this lifestyle because Yahushua set them free. Pray to Him for your cure, He will cure you. Ask members of your family if they are Christians and Church going to pray for you. Go down on your knees before God and ask forgiveness of your sins, write to bible believing Christians to pray for you. I assure you that your healing is only a moment away. If you continue in this path then your abode after death is going to be the fires of Gehenna (She'ol/hell). No homosexual is going to be able to help you. This lifestyle will also kill you early, premature death. Look around yourself at what is happening in the homosexual world and how many famous stars are dying obscure deaths with this sleazy lifestyle!!! Why? This is because the sin will kill them.

Is it any wonder that most people affected by this sin happen to be in the music and film industry. This industry has a big problem with drugs and alcohol. This is the key ingredient to opening yourself up to demonic attacks. Did you know Satan ran the band of God before he was evicted from heaven! Many of today's rock and metal bands play such evil music that is truly a delight to the pits of hell for the demons who rejoice in it.

A leather leotard or plastic trousers are not going to help you but the prayers of a righteous saint will. Seek help today.

I am not condemning you but I sympathise with your behaviour and you can write to me I will pray for you and seek help from the throne room of God.

After you are delivered of this lifestyle you need to discard all your old items that have any relations to this lifestyle, find yourself a decent God fearing woman and commit to marriage with her. You need to stop meeting with perverted minds of filthy homosexual agendas and stay away from pro-gay marches, stay away from bad music that leads to more demonic influences, do not mix in with bad company. Its time for a change and change you must bring for your soul. Its time to save your soul and redeem it as the time is short. Many people have been delivered from this sin, people such as Dennis Jernigan. How come he was delivered if this is a gene issue?

In my opinion this sin propagates because of many Christian's selfishness to help others. They would rather condemn you and send you to hell then to extend a hand in love. If they extended a hand in love to the ones who are in need then less people would suffer such a sin as they are seeking help. Many in this lifestyle shy away from asking because of fear and rejection by the people around them.

**Pro 10:12** Hatred stirreth up strifes: but love covereth all sins.

Fear keeps this sin alive in many lives and it is time we remove the stigma and help those who really need it. I do not know about others and don't really care what they think but my doors are open if you are suffering from this sin and I will extend a hand to you as a friend and a teacher to show you the love of God that is needed and the blood of Yahushua to cleanse you of this sin.

**Jud 1:7** Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

Please understand homosexuality and its sins have been around for thousands of years and are not new. Lot did not get into this behaviour and successfully lived a righteous lifestyle while in a homosexual community, Gen 19:2, while Lot was in the land where homosexuality was rife just like in our society and it was tolerated and in fact it became even worse than Britain today.

The righteous king Josiah tore down the sodomite night clubs, Second Kings 23:7. I know that in a free and fair society it is every man's and woman's right to live as they please and do whatever they like in their own homes, I do not dispute that. I certainly do not advocate any vigilante behaviour against the people as that would be wrong. It needs to be dealt with love and prayer and it can be cured then this is why I advocate we help homosexuals out there and not condemn them as that right belongs to God alone.

So what does God think of all this?

**2Pe 2:8** (For that righteous man dwelling among them, in seeing and hearing, vexed *his* righteous soul from day to day **with their unlawful deeds**.)

Peter the disciple of Yahushua knew that what he was calling an **unlawful deed** is indeed the gay lifestyle of being anti-Torah and anti-God.

Abrahamic-Faith Nazarene Hebraic Study Scriptures (NT)

**Revelation 22:15** For outside are dogs, and those enchanting with drugs, and **those who whore**, and murderers, and idolaters, and whosoever loves and practices falsehood.

If this is not clear Rabbi Paulos made it clearer in his commentary on the scriptures but "to whore", means to commit these types of sins. He even spells it out about homosexuals but are you willing to listen and repent?

**Abrahamic-Faith Nazarene Hebraic Study Scriptures (NT)**

**First Corinthians 6:9** Do you not know that the unrighteous shall not inherit the kingdom of אֱלֹהִים? Be not deceived: **neither those who whore, nor idolaters, nor adulterers, nor passive homosexual partners, nor practicing homosexuals,**

God loves you if you remove the sin but he hates you if you are a homosexual or living in any deviant sin. This is why God came down personally to judge Sodom and Gomorrah. He threw Korah into hell for sin. He is a moral, upright and righteous God, He will not allow you to continue to live in sinful behaviour and turn a blind eye. If you think there is such a thing as a practicing homosexual Christian under the guise of love then you are mistaken and deceived. There is no such thing otherwise all of Sodom and Gomorrah could claim all the Christianity they wanted but they would still be burnt down and demolished.

Unfortunately the church has been carried away by their agape love so much that **they forgot that God actually hates sinners and sends them to hell** but if you repent He is willing to clean your slate and let you have a fresh start.

Make that choice today and don't be left behind!
