Christianity, the religion of Rome

YHWH – The four letter name of God

Yahushua – Commonly called Jesus in the West

Torah – First five books of the Bible written by Moses

AFNHSS – Abrahamic-Faith Nazarene Hebraic Study Scriptures

The other night I was watching a TV program on Channel 4 and they were showing a Christian man from a Pentecostal background in a global warming demonstration who was talking about how the book of Revelation speaks to every man differently and that the beast in Revelation is really all of us that we are the ones who are causing the global warming therefore this is how it speaks to each one of us and that to each person it has a uniquely different message. All I can say is Christianity has many unwise people and this was one example of them. The book of Revelation has many literal and allegorical symbols. While some Christians like this may think that by putting up some wind farms they can bring their own kingdom down from heaven run my windmill generated electric but nothing could be further from the truth.

When I left Islam for the truth which is messianic Judaism meaning Judaism with the Messiah of Israel Yahushua, I knew Christianity the daughter of Rome had many issues of how people behave and how they break God's holy LAW and still pretend to have a relationship with God only perpetuating self created illusion.

Deuteronomy 29:19 (NKJV) "and so it may not happen, when he hears the words of this curse, that he blesses himself in his heart, saying, '**I shall have peace**, even **though I walk in the imagination of my heart**' as though the drunkard could be included with the sober.

Another way to say this is I will walk as my heart pleases and still say I have peace but can I really say I am not drunk while I pretend to be sober? To be sober is to walk in the Law/Torah commandments of God and to be drunk is idiomatic to walk in personal or world laws that cannot complete with God's holy Law.

Moreover at that time I did not realise that in Christianity every person runs his own private interpretation club of how he sees the Bible. To the homosexual person God cannot send him to hell because God is loving, while God's justice is totally ignored. To the man in adultery he continues to do so as he sees himself emancipated to live the way he likes but heaven forbid don't ever tell him what God says will happen to adulterers when they will be outside the kingdom.

To the Pastor and Bishop of countless Christendom's denominations who daily teach error that the Law/Torah of God has been abrogated at the cross and now we are in the new dispensation and a new church age. All these people live in lies and teach lies because their religion is the daughter of Rome, the woman that seduces His servants to eat unclean, to have sexual immorality rubber stamped by the pagan king Constantine and modified later by other high church officials as the need arose to suit them.

I came to the firm conclusion many years ago that most of modern Christianity is the religion of pagan Rome and not God. However only in two branches of Christianity did I

see any respect for God and His Laws and that is the Seventh Day Adventists who believe in the 7th day Sabbath but are not taught the other holy days due to no fault of their own. The second is the worldwide Church of God.

The Church of God, which does keep some of the annual feasts but some still ignore the Covenant of circumcision, which is the covenant of Abraham. Furthermore most other Christian denominations put these two denominations down unfairly but I offer my respect for them for at least trying to live close to God's laws, commandments and judgments while the rest live in lawlessness and these who are trying to live right with God shall certainly be rewarded for this with kingdom rewards and be able to enter the kingdom, while the rest of Christendom will remain outside the kingdom thanks to their lying Pastors and Bishops. They will likely be saved in the second resurrection but will miss the first entirely. This is why I do not say that they are unsaved but they are being taught wrong teachings and erroneous theology as it is some kind of truth when it is not.

However note that I do not count the messianic branches of Christian churches that are usually smaller, which do keep the Sabbaths and feasts days and still need to conform to the oral law as they have no idea of how to obey many of the Torah commandments accurately but these will be in the kingdom as well because they also believe in the commandments and statutes and judgments albeit struggle to do them accurately due to the lack of proper trained teachers in Biblical Judaism alongside the oral Torah which some are learning while others are still debating if it is for them or not. Without the Oral Torah you cannot regulate your life that is the truth no matter which way you look at it and one day all of Christendom will have to accept this to come under the authority of Judah which many now deny.

Many of the regular taught lies that the Torah of God is done away is propagated daily on all major Christian channels in England such as Revelation TV, God TV, TBN, INS, Wonderful, Glory, Day Star and many others on the Satellite and Cable networks. Do these people and their owners not know what they are doing is wrong? I can tell you at least one of these channels owners does know that what they teach is mostly wrong but they continue the wrong teachings for the sake of status quo. It is my personal opinion that the owner of one of these channels is a very God fearing man and believes and keeps the Sabbaths and feasts but he knows that if he aired 100% truth most Christians who are living lawlessly will rebel and stop supporting the TV station thus the 10% programming that is truthful will also cease.

You will find that from time to time on all these channels sometimes very good people who bear Torah truth will come but their occurrence is limited while the false churches get to air daily on the most expensive slots. Just because they get to air the most expensive slots it does not make their message any more important!

The gospel of the kingdom is certainly not the lies that are preached daily let's examine it.

Peter the Jewish disciple of the Jewish Rabbi Yahushua preached repentance and Torah obedience and never once called himself a Christian or taught to abrogate Torah.

Acts 2:19-21 (NKJV)"Repent therefore and be converted, that your sins may be blotted out, so that times of refreshing may come from the presence of the Lord, (20). "And that He may send Jesus Christ, who was preached to you before,

(21).”Whom heaven must receive until the times of restoration of all things, which God has spoken by the mouth of all His holy prophets since the world began.

The Hebrew word for repentance is Teshuvah, which means to turn around and the only way you can turn around is to start obeying the Torah of Moses the righteous path to God that the Messiah also taught fervently and stop sinning by breaking His Laws. Every time you desecrate the Sabbath on Friday night to Saturday night by going to work, partying and clubbing, doing business transactions, cooking your food you are breaking His law and sinning. Every time you celebrate Easter or Christmas you break his LAW and join yourself on to idols and false gods that are worthless piece of wood and stone.

Matthew 9:35 (AFNHSS) And יְהוֹשֻׁעַ went about all the cities and villages, teaching in their synagogues, and proclaiming the besorah (good news) of the kingdom, and healing every sickness and every disease among the people.

So what did Yahushua preach? Certainly not harping about the cross 24/7 but taught the Torah and prophets that the fulfillment had come through Him and other events were yet to be fulfilled later and we are to obey the Commandments (John 19:17) and to watch the events (Luke 21:36). This is the real message of the gospel to propagate the Torah and to proclaim the King and not to say that the kingdom has come but we have lost the law!

Yahushua also said the following:

Luke 14:15 (KJV) And when one of them that sat at meat with him heard these things, he said unto him, Blessed is he that shall eat bread in the kingdom of God.

Another Hebraic way to say this is Happy is that man or woman who has bowed their knee to the King and His Kingdom and the Law of this coming Kingdom.

Yosef of Arimathea.

Luke 23:51 (KJV) (The same had not consented to the counsel and deed of them;) he was of Arimathaea, a city of the Jews: who **also himself waited for the kingdom of God.**

The Hebrew word here for “waiting” is an interesting one the word Shomer which means to guard so mystically speaking Yosef was not passively waiting but guarding himself for the kingdom of God. The only way you guard yourself is to be obedient to the Torah and Joseph indeed was.

Rabbi Paulos

Act 20:25 (KJV) And now, behold, I know that ye all, among whom **I have gone preaching the kingdom of God**, shall see my face no more.

Rabbi Paulos was proclaiming the Kingdom of God. By proclaiming the kingdom of God you also proclaim the Torah the law of the kingdom. The gospel the Hebrew word Besorah and the root Basar for meat is the Law of God that tells us the fulfillment is here get ready.

The gospel is not what the greedy charlatans have made it on Christian media. The very person Rabbi Paulos they quote to annul Torah was the one who said He has kept all of the Torah and adhered to the Temple rituals (Acts 25:8) as well yet most of Christendom today is stuck on we cannot keep Torah. This is the dead horse they keep beating up day in and day out.

Yahushua/Jesus taught kingdom rule and the King himself who has that rule while most Christians run around lawlessly proclaiming a shallow gospel invented by the Roman Catholic Church. How many times did the Messiah proclaim His death? Four times. How many times is the kingdom of God mentioned? In the book of Luke alone it is mentioned thirty two times. This is a very interesting number for us.

- ✓ There are 32 mysterious paths to wisdom.
- ✓ Each line of the Ten Commandments was 32 characters long on the tablets of stone.
- ✓ A human being is generally born with a set of 32 teeth.
- ✓ It's the freezing point of water.
- ✓ Its the numerical value for the heart.

This is the heart of God do you not see? When we take the first character of the word Beresheeth in the book of Genesis and the last character from the book of Deuteronomy which is the letter L from the word Israel we arrive at the Hebrew word Lev looking backwards, which stands for the heart. The Torah is the **HEART** of God, how could anyone claim it is abrogated? Can God remove His heart from His people? Christendom Today in fact has made this claim. You don't believe me. Tune in to any Christian channel tonight on radio or TV and you will most likely hear such words "we are free the law," "we are no longer under the law," such terms are spoken regularly without even understanding what they are saying.

If this testimony of Christendom and their TV/Radio channels is true then by their own testimony the heart of God is now only for the Jews and I testify hearing these words many times over and even debating with many Pastor's who have no stance to defend themselves of the very lies the devil wants them to preach now testified by an ex-Muslim, which is foolishly claimed as truth by wholesale microwave Christianity.

The only thing one propagates by saying that the Torah of Moses is abrogated is Satan's agenda of removing God's HEART/TORAH/MESSIAH from His people therefore trying to oust them from the kingdom and nothing further. I know this message is hard to swallow but I lost family to speak this truth so forgive me for being blunt and I have to be as a priest of the Most High I am commanded to speak the truth with tough love and teach it. Now for me to speak truth is gain and to speak anything else is fraud. Are you willing to stand for the truth or will you speak the lies of the anti-Jewish Church fathers still?

Did you know that the Hebrew word for truth is Emet spelt Aleph, Mem and Tav but when you remove the Truth from any society the idiomatic expression for the Torah of Moses then what is left? Chaos and death? Let me illustrate to you how this is DEATH.

אמת – emet the word for truth

תת - Remove the Aleph and we have Mot.

When we remove the Aleph from the word Emet we are then left with the two characters of the Hebrew language, which are Mem and Tav, which spell Mot meaning DEATH. This is what many are doing but most likely in ignorance because when you remove the Torah you actually remove the Aleph, which is the symbol for the essence and the source of the entire Universe, the symbol for the Father, our Abbah in heaven. Could I deny my Abbah? Never, could I deny the Son that is from His being? No. Then how can I deny the very Torah/instructions spoken through the Father? How can you? Many have committed this very crime which needs fixing before it's too late. Satan's agenda is preached in churches of all places heaven forbid.

Will you speak YHWH's agenda unlike the charlatans running around selling handkerchiefs on TV/Radio and holy water?

I have to speak the truth and sadly it hurts to hear this truth but the people on most of these TV/Radio channels maybe sincere but their sincerity is misplaced. Anytime we say God's Law is done away abrogated and annulled that is nothing more than a filthy lie. I am therefore forced to put an open challenge before any scholar in Christianity to debate me on any Public TV/Radio channel or any other Public forum to prove that God's Law has been abrogated. It's surprising that none of the disciples of Yahushua heard about this new fangled doctrine because they were still circumcising, eating kosher and keeping the seven annual feasts.

Most of Christendom and its 38,000 denominations are indeed the daughters of Rome and many still do what the Roman Catholic Church did such as Easter, Christmas and other man made days. Just because you do not do a rosary for Mary or bow before the statue of Mary the offence is even worse because Christianity removes the Law the very rule of God.

Where is your obedience to His holy laws, judgments and statutes?

If Christendom is true then why have they chosen to worship on the Day of the Sun while ignoring the set-apart 7th day of the week from Friday sunset to Saturday sunset? Do you not know that the Day of the Sun was allocated to the sun deity historically?

Why is Christendom not teaching their people to keep the 7 annual feasts? Why are they not teaching people that the Jews are God's people and not ousted from the covenant.

Why have some made themselves New Israel when ancient Israel is still standing?

Anybody who is worth his salt if he had the fear of God would serve Him rigorously as you find in both Orthodox and Messianic/Nazarene Judaism but not in the daughters of Rome we do not see this because its every man and his own law. This situation existed in ancient Israel too at one time during the reign of the judges, when every man ran his life as he saw fit ignoring God.

Jud 17:6 (KJV) In those days there was no king in Israel, but every man did that which was right in his own eyes.

After seeing this scenario in many churches I was bitterly disappointed and I decided to vote with my feet and leave these places as I did not see any obedience in people nor the heart to serve God in holiness. Some Christians were very good but deceived continuously by their clergies with false doctrines while others continue to break God's Law and call it freedom. I certainly did not leave one false religion to enter another! This was not compatible with my life or my testimony. I know I shall spend my life believing and keeping the Torah of Moses confirmed by the prophets and spoken of by the Messiah the very Torah/Law the HEART of God, yes I indeed am a Jew because I and God are in unity with his principles. He is my King and I am subject to His laws as His servant.

Many Christians continue to deceive each other and even their own brothers and sisters of blood for material gain in this world. This is indeed sad and appalling behaviour that I have witnessed first hand. In fact I have lost thousands of dollars through Christians trying to help them.

How could people who claim to have the truth live in such a way? The simple answer is because they have tread God's Law down to the ground. It's that Christians do not have the truth but they refused to live it!!! The problem was and still is rebelliousness in their midst.

I ask myself if they are all running after the flesh then how would they ever help those who are broken hearted and downtrodden or seeking the truth? Since each man has his own interpretation of the Bible therefore the Bible is no longer a tool to serve God but a tool to serve self.

There are many televangelists who live to deceive people such as Benny Hinn, Creflo Dollar, Kenneth Copland, Joyce mayor and many others like them with their false miracles deceiving millions. While travelling in luxury personal jets and staying in presidential suites donated by their followers. Where is the fear of God? The answer they have trodden down God's law/Torah to the ground.

When God called me out first He had steered me clear of the pagan feasts in Christianity and steered me in the direction of the seven annual Biblical feasts, which I learnt about and started to keep. He eventually showed me my biological lineage and that He does indeed have teachers who He has chosen to be in the midst of His people and that are His priests (Levites).

The is indeed true and has been verified amongst many cultures. There is a tribe called the Lemba found in Zimbabwe and they live like Jews but many call themselves followers of the Messiah Yahushua but they circumcise their sons, eat kosher and keep the feasts. Amongst them are biological Levites who guide them. This was an amazing truth that I recently read.

8th March 2010 By Steve Vickers

¹Lost Jewish tribe 'found in Zimbabwe'

The Lemba people of Zimbabwe and South Africa may look like their compatriots, but they follow a very different set of customs and traditions. They do not eat pork, they practise male circumcision, they ritually slaughter their animals, some of their men wear skull caps and they put the Star of David on their gravestones. Their oral traditions claim that their ancestors were Jews who fled the Holy Land about 2,500 years ago. It may sound like another myth of a lost tribe of Israel, but British scientists have carried out DNA tests which have confirmed their Semitic origin.

Here is truth yet many still refuse to listen to God and run after the Charlatans as I listed above. Every pastor I have so far challenged and showed the error they were living in has given the typical response that either we are in a new dispensation or we have no choice as this is our livelihood and our denomination's view.

So it's really up to you if you want to walk in the kingdom now and in the future or to lose your first resurrection when you die? And indeed many will not be in the millennium precisely because they rejected God's set-apart commandments. Even Yahushua said the following but blind eyes cannot see.

Matthew 19:16-17 (NKJV) Now behold, one came and said to Him, "Good Teacher, what good thing shall I do that I may have eternal life?" (17) So He said to him, "Why do you call Me good? No one is good but One, that is, God. But if you want to enter into life, keep the commandments."

Listen to Yahushua and even He tells you that in order to enter eternal life then keep the commandments. This is a short and sweet first century idiom to mean obey the Torah of Moses. He asked people to recite no denominational formulas but the formula is very simply. Repent and show your obedience by Torah keeping while most in Churches tell you to obey the four spiritual laws. Well you can either keep the law of man or you can keep the Law/Torah of God. I would rather be safe than sorry and stick to God His Messiah and His Torah.

Shalom Shalom
