

## **No thanks to Thanksgiving by Rabbi Simon Altaf**

Written: 7th Nov 2011

Yahushua - The real name of the saviour and Messiah

YHWH - The real name of G-d.

AFNHSS - Abrahamic-Faith Netzarim Hebraic Study Scriptures

It is commonly perceived that that Thanksgiving holiday started when the Christian pilgrims after arriving on the American shores were celebrating with the local Red Indian Native Americans.

These pilgrims were running away from persecution and harsh political climate in England in 1621. At least this is what you are all told.

It all sounds like very kumbayah but is this what really took place? Or do we have a sinister bit of history that is deliberately hid from people?

Wasn't it the same innocent pilgrims who later did the Harlem witch trials and killed many innocent women as witches when fourteen women and five men were hung on high until dead in 1693?

The man who was sent by the British Plymouth company in 1614 was John Smith a slave trader to investigate and enquire about the local area in Massachusetts. This should spell what was going on the same thing that was repeated with India when a little know East India company has gone there to do business but its aims to enslave the people. The same aims were of the British when they entered the great USA.

The Indians were the hosts to the guests to those so called Christians who then later massacred them all conveniently in the name of their white false Jesus.

The territory of the Wampanoag ran along the Massachusetts coastline. It was these red Indians who were to become history by being slaughtered and enslaved. How did these Indians get there? One theory is posited that some of these tribes belonged to the ten tribes of Israel that had migrated there by ships in the days of King Solomon.

Look at the chagrin of the British that John Smith who visited the town called Patuxet renamed it to Plymouth in honour of the Plymouth Company back in England and did not even feel like asking the inhabitants. These details can be scanned in the pages of a book called "The Colonial Horizon" edited by William Goetzinan in 1969.

However the Wampanoag did not rename their town, why would they? They continued to call it Patuxet. Another way of spreading British love was to give the native Indians small pox blankets unknown and without immunity to this European disease this would be an effective tool. At worst it will only help to wipe out their population and the British Christian criminals could then thank their white false 'Jesus' for this victory. In fact this

happened where 70% of the Wampanoag lost their population as a result of the ravaging disease. Oh, yes they could happily exclaim it is sent by their false g-d 'Jesus'. Had they really known what Yahushua the Real living Saviour who was a man of colour had thought about these things would have been very different? Did He not teach to love your neighbour but these criminals instead killed their neighbours and took over their lands.

It would not be surprising that even if Yahushua was around they would even try to enslave him because He is and was Black. But the days are coming that they would themselves be enslaved in the kingdom to come when they pay the penalty of their sins of the past while many are paying it now in She'ol (in prison cells in the netherworld).

If YHWH is just which He is then he will exact the penalty "blood for blood", "life for life", for all the innocent people massacred by these Christian criminals who simply went to conquer lands in the guise of peace.

A puritan who has been quoted by Perry Miller of the Harvard University said the following after the plague wiped the Indians out "The wonderful preparation of the

Lord Jesus Christ by his providence for his people's abode in the western world."

The false Caucasian 'Jesus' may support such a statement but the living Saviour would never support this kind of theology.

The very people who welcomed them they gave disease to them and then massacred them at their weakest following by overtaking their lands. The so called first feast they had with the Indians had no Turkey while the pilgrims were hiding in perimeters similar to today's prisons with eleven foot walls. Does this sound like a welcome house for guests?

When Israel was in the wilderness they were living in tents not much different to those people who are protesting capitalistic greed to occupy Wall Street and the ones in London the St Paul's Cathedral blocked out to protest.

John two hawks gave this account of the so called first Thanksgiving.

<http://www.countercurrents.org/us-ford271106.htm>

"Thanksgiving' did not begin as a great loving relationship between the pilgrims and the Wampanoag, Pequot and Narragansett people. In fact, in October of 1621 when the pilgrim survivors of their first winter in Turtle Island sat down to share the first unofficial

'Thanksgiving' meal, the Indians who were there were not even invited! There was no turkey, squash, cranberry sauce or pumpkin pie. A few days before this alleged feast took place, a company of 'pilgrims' led by Miles Standish actively sought the head of a local Indian chief, and an 11 foot high wall was erected around the entire Plymouth settlement for the very purpose of keeping Indians out!"

Dr. Tingba Apidta, in his "Black Folks' Guide to Understanding Thanksgiving," surmises that the settlers "brandished their weaponry" early and got drunk soon thereafter. He notes that "each Pilgrim drank at least a half gallon of beer a day, which they preferred even to water. This daily inebriation led their governor, William Bradford, to comment on his people's 'notorious sin,' which included their 'drunkenness and uncleanness' and rampant 'sodomy.'"

Dr. Apidta also writes the following in his accounts about Wiles Standish one of the so called pilgrims: "He went to the Indians, pretended to be a trader, and then beheaded an Indian man named Wituwamat. He brought the head to Plymouth, where it was displayed on a wooden spike for many years, according to Gary B. Nash, 'as a symbol of white power.' Standish had the Indian man's young brother hanged from the rafters for good measure. From that time on, the whites were known to the Indians of Massachusetts by the name 'Wotowquenange,' which in their tongue meant cut-throats and stabbers."

Plymouth Rock is really where the nightmare of our people's slave trade began when slave ships were sent out to bring in slaves from Africa a noble task for these same

Christians out to colonise and sanitize the Black people who they considered barbarians. Lewish Dabney's 1867 book documents this slave trade and its start here. The first slave ship sent out from America was the Desire a seventy nine foot ship to bring back African slaves.

The real Thanksgiving was the celebration of an Indian massacre in 1637 of Wampanoag's southern neighbours, the Pequots. They even burned a whole town down with women and children in Connecticut with the help of some allied Indians. This was the doctrine of divide and conquer by turning Indians against Indians.

William Bradford a Chronicler had this to say for 1637; "Those that escaped the fire were slain with the sword; some hewed to pieces, others run through with their rapiers, so that they were quickly dispatched and very few escaped. It was conceived they thus destroyed about 400 at this time. It was a fearful sight to see them thus frying in the fire...horrible was the stink and scent thereof, but the victory seemed a sweet sacrifice, and they gave the prayers thereof to God, who had wrought so wonderfully for them, thus to enclose their enemies in their hands, and give them so speedy a victory over so proud and insulting an enemy." The rest of the settlers concurred. The Governor John

Winthrop's proclamation read as follows: "This day forth shall be a day of celebration and thanksgiving for subduing the Pequots." AT this time 700 Pequots were slaughtered. The authentic Thanksgiving Day was born which is celebrated today.

This did not end here. The invading British then launched an all out attack against the remaining Indians who did not side with them. Their local government in Massachusetts offered twenty shillings bounty for every Indian scalp and forty shillings for every prisoner who would be sold into slavery and sent off to the West Indies.

What does this mean to us as believers? We separate ourselves as YHWH has said, "Ye be Set-apart as I am Set-apart, Lev 11:44... From all criminal enterprises and avoid any such days not to bring blood guilt upon us or our children. We are called by Melek Yahushua to live in peace and to love our neighbour and not to celebrate the criminal activities of a few.

YHWH does not honour such days, nor such people and those that involved themselves in mass murder and plunder will be brought to book one day. Their names are already written in sepher Ha rashayim (The book of the wicked).

May His name be praised.

Shalom Shalom

[www.abrahamica-faith.com](http://www.abrahamica-faith.com) **Beyth Yahushua – Son of Tzadok, Son of Dawud**

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John were then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know? What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildy, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps? Who were Mark, Luke, Matthew and even John? What connection has Joseph of Arimathaea with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial? It makes no sense. How many rich people give you their plot of land to bury your dead today? None.

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is a copycat Judaism answer that the curse was lifted but it wasn't. Jewish and Christian answers on this are wrong. What about the genealogy of Luke and Matthew why the two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up and he surely will in this book.

Who were the Hebrews, what is the term "West" in Hosea 11:10 referring to? Hosea 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations.

This book will give you new insights and the rich history of Yahushua.
