

Satan gets platform in churches every Sunday by Rabbi Simon Altaf

Created: 22nd April 2010

AFNHSS – Abrahamic-Faith Nazarene Hebraic Study Scriptures

When the Pastor gets on the platform and proudly declares WE ARE NO LONGER UNDER the LAW. He makes this statement like he has just climbed Mount Everest or conquered the world. Little does he realise before uttering the words what these words actually convey.

You can see the proud look on his face and the rest of the congregation feeling so elated that we no longer have to lift a finger or wag a toe to believe or to do God's holy Law. This friend's is Satan's center stage and this is what he wants people to hear and the Pastor is doing Satan's job for him on Satan's day the day of the Sun. Yes that is right, we have may put a modern cloak around the day to suit us but this was his day whether we like it or not.

While Satan sits up there laughing and tells his fallen army see those Christian folks down there they are doing our job for us we do not need to worry as long as they teach to break God's holy law our job is being done for us and we can all take a break trying from defeating Adonai's army after all defeating God's holy army is not only hard work but impossible! The truth is hidden but not eradicated so as long as he can hide the truth but one day it will emerge. But there is a caveat!!!

As long as one Jewish man anywhere in the world prays the shachrit prayer and says "Lo ten lanu moreh", which means "**You will not exchange nor replace your Torah/Law.**" Indeed Satan clenches his fist and wants to destroy the Jews.

While Satan thinks he has the upper hand Adonai pulls out a Muslim convert to declare His Torah Truth and the Messiah to come. Now come meet Rabbi Simon Altaf the one who champions Adonai's Torah and truth, a man raised to deliver the goods and not Satan's agenda!!!

Satan will never have his way even if most Christians do not want to practice the holy Torah of Moses for the moment, who instead of proclaiming the King's law proclaim error and the deception of Satan in ignorance. Instead of lifting up God's annuals feasts they lift up Satan's agenda of celebrating Christmas and remember Ishtar the fertility goddess now labelled Easter. She seems to have had a sex change and now linked to the Jewish Messiah Yahushua even though He forbids such things and commands to uphold Torah but will you listen to Him?

Even if we look at the heroes of the Christian faith the mainline churches today do not even uphold what their denominational founders taught. The Methodist movement came from John Wesley, He was a Sabbatarian, who knew Adonai's holy day Saturday and His laws but today Methodists do not keep the Saturday Sabbath that John Wesley espoused but instead they have aligned themselves with the Catholic Church for the day of the Sun, which gives glory to Satan and not to Adonai but trying explaining that to a Christian who has no understanding of sanctification of time. It may not be apparent but days have meanings and the 7th day Sabbath is the only day that Adonai mentioned as specially created to sanctify the 24 hour slot each week but he never said that about the first day of the week Sunday. The first day of the week was usually reserved for travelling.

Let us have a quick look at the passages that the Christian Pastors love so much and see what it actually means from what is being taught incorrectly in pulpits all over the world influenced by corrupted western Christianity.

Romans 10:4 (KJV) For Christ *is* the end of the law for righteousness to every one that believeth.

This one has got to be one of the classics in my opinion and takes the cake. They love to throw this around like they are the top notch theologians even better than the person who wrote the letter namely Sha'ul or Rabbi Paulos known as simply Paul in the West. They make out like the poor man Rabbi Paulos was a runaway convert to their Roman popery made religion called Christianity and that he had a name change. Little do they know that it is a custom for the Jews to have two names and Rabbi Paulos did not have a name change.

First of all we read a statement by Rabbi Paulos ever saying he has now become a Christian in any of his letters, which were written to admonish messianic fellowships and not to erect a ban against Adonai's holy law. Many Pastors/Bishops deliberately distort this truth by saying Adonai's law is annulled or abrogated and Paul confirms it. If this was true then Paul would be a false prophet and a liar to be thrown out of fellowship and rightly to be adjudged accursed by his own words however this is not the case.

I have realised in Christendom shame has no boundary as long as the dollars come in these people do not care, just take a look around at the distortions preached by Benny Hinn, Creflo Dollar, Kenneth Copeland and co. However there are other believers in Christendom who do have the obedience for the law of Adonai. In Christendom one finds Rabbi Paulos has superseded the prophets of Adonai and the Son Yahushua has superseded the Father in heaven. This tragedy that is the height of false theology is evident both in the Church and in the homes of many Christians.

One thing I can guarantee is that 90% of the Pastors/Bishops have no understanding of the many words in Rabbi Paulos's letters which are full of idioms only understandable by diligent students of scripture. Rabbi Paulos used

an extensive set of ancient rabbinic methods which few understand since he was a Rabbi and a Pharisee par excellence.

Let's examine what Rabbi Paulos is saying in his letter. Is he saying that the law of God has ended? First let us exploit the contradiction in the way the text has been translated from the witness of Luke in the books of Acts in the King James Version of the Bible.

Acts 24:12 (KJV) And they neither **found me in the temple** disputing with any man, neither raising up the people, neither **in the synagogues**, nor in the city.

Question 1) Since the law according to the many in Christendom has been abrogated then what was Rabbi Paulos doing in the Jewish Temple? Yes it was the Jewish Temple and not a church where sacrifices were still being offered to the Adonai of Israel and Rabbi Paulos was there praising Adonai. No one had heard of the word "church" in the first century. Could those in Christendom stand up who suggest the law has been abrogated and explain?

Question 2) What was Rabbi Paulos doing in the synagogues because is it not that only Jews go there and their primary teaching is centred on the law of Adonai and the prophets? If you want to see then just see how they preach the Torah Parshah's and Haftarah (sections of teachings from the prophets).

Will the law breaker Christians now stand up please and repent of their wrong doings and turn away from sin and promise to obey the Law of Adonai?

These two questions should really spell out that Rabbi Paulos never advocated nor ever claimed rejection of the law of Adonai because one who rejects the law of Adonai will not be found in the Temple or synagogues of the Jews the very place where the Torah/Law of Adonai is not only respected but taught by the authorities of Judaism.

So what in the world is the text conveying that has been so misused in churches and seminaries and treated with such an ill regard and disrespect to Adonai? In fact all those that reject it today may it be Christians, Muslims or whatever they like to be known as are under an active curse of Adonai as I shall prove a little later.

Romans 10:4 (AFNHSS) For Messiah is the **goal of the Torah** for righteousness to everyone that believes.

The words in the Greek for "goal" states 'Telos nomou Chrestus,' which many Christian translators have incorrectly translated 'end' but its more accurate meaning is 'goal,' or to reach a place. Telos that it is teleological to something, Rabbi Paulos was trying to show this the way the Greek is constructed it is not to

show an “end” but to show a fulfilling or the reaching of a particular place. The Torah is eternal and there is no end for it. When we reach Messiah we do not stop doing Torah but we actually learn how to keep the commandments from afresh because if you belong to Israel then you will learn how to do them not how to do away with them!

Do you see how the mistranslating of one text can lead to catastrophic results? How millions in the guise of the gospel have been led astray? How many other words of scripture have been mistranslated and misunderstood this way? I can assure you 100s and I know because I have had discussions with Christians of all spheres from the old grandmother to the high ranking theologians with the big robes. The first day when I walked into a church I was very disappointed to hear these terms where Adonai was effectively being mocked by such words that we are not longer under the law with what little understanding and silly terms thrown around like there is no Jew and no gentile under Messiah.

What nonsense! If that is how a particular scripture is to be seen then who will run the 3rd Temple? Certainly not Christians! The speakers of these words do not realize that no Jew or gentile has particular meanings to people.

A Jew remains a Jew it's an ethnic identity silly. A gentile becomes a proselyte convert to messianic Judaism hence a Hebrew, the faith that the Messiah was proclaiming was and remains Judaism. As much as I would like to believe I am no longer of Pakistani ethnicity no such thing exists really. If I said this to my Caucasian friends they will laugh at me of an Asian gone mad but of course the madness has been induced by the churches which lack theological knowledge.

Since my skin colour did not change from brown to white I cannot say I am English. British yes, English no. Again that is the identity of the people who have inhabited England for centuries. You do not call people living in Scotland English because their identity is Scottish. This identify crisis needs to be rectified in the churches who do not know what they are and still call themselves gentile which really means “heathen.”

Now to show you if you reject the law of Adonai you are under a curse.

Galatians 3:10 (AFNHSS) For those who are slaves to Ma'aseh Ha Torah (rabbinic customs), are under the curse: for it is written, Cursed is every one that does not act on all the things which are written in the scroll of the Torah.

Ma'aseh ha Torah, means works, which were setup by the Rabbis. More correctly called Oral Torah in which we have gerizim and minhag, basically customs and traditions that are usually not in Scripture or are taken from passages in scripture to highlight or put a fence around a commandment. The word here Torah or Law can also be related to your local government laws, that say, what you do as a society to be an ordered society. So if the British

Government tells you that if you eat after 9pm you will go to heaven and all of you that try not to live up to that standard are indeed accursed since by definition that is a societal law and not Adonai's law.

Rabbi Paulos was using rabbinic shorthand to say anyone who rejects the law of Adonai is under an active curse. Let us prove this.

Deuteronomy 27:26 (AFNHSS) Cursed be he that does not continue in all the words of this Torah to do them. And all the people shall say, Amen.

Now do you see that you are under an active curse if you refuse to obey the Torah? So its time to mend your ways and return to Torah and obey Adonai. If you would like to know which curses can affect you then please read the list in Deuteronomy chapter 27 and 28.

Your only recourse is to find yourself a good teacher a Rabbi to teach you all truth and remove yourself from those that reject Adonai's holy law and walk in the commandants that pleases our Father in heaven. Abrahamic Faith does indeed run an online Yeshivah (learning academy) where we teach people about the scriptures and the meaning of words. You are most welcome to join at the link below.

So what is the solution? We must lift up the Law and that is the only way we lift up the flag of our Adonai and lift up His holy name. If we do not do this then we are only serving a man made religion in which we will not find fulfillment and peace. Peace will descend from the heavens at least in our personal lives only when we acknowledge the King and not a man made name. Now is the time to come out and declare and serve Him and show the world that you are His by doing the things the King demands like keeping the annual feasts, keeping the weekly 7th Day Sabbath which even Satan is trying to corrupt into the Lunar version and lifting up the name of the Messiah.

In conclusion please stop giving Satan center stage and putting Adonai down. Repent of your evil works and obey Adonai's voice (His Torah).

May YHWH bless you.

Shalom Shalom
