

The Ark of Noah by Rabbi Simon Altaf

15th March 2011

Amended 16th Jan 2012

Terms:

Yahushua – The true name for Jesus which many in the Western world need to understand.

Torah – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians)

Tanach (Scriptures from Genesis to Malachi)

YHWH - The four letters of the sacred name of the L-rd.

AFNHSS – All the quotes are from the Abrahamic-faith Nazarene Hebraic Study Scriptures unless stated.

Gen 8:4 (KJV) And the ark rested in the seventh month, on the seventeenth day of the month, upon the **mountains of Ararat**.

Many are taught and believe that the Ark landed in Turkey on the Mountains of Ararat. Here is what commentators say on the subject.

According to Dr Constable he quotes the following from Mathews, pp. 385-86.

"Ararat,' known as ancient Urartu in Assyrian records, was an extensive territory and bordered the northern Mesopotamian region. It reached its political zenith in the ninth to sixth centuries B.C. Urartu surrounded Lake Van with boundaries taking in southeast Turkey, southern Russia, and northwest Iran. Among the mountains of modern Armenia is the impressive peak known today as Mount Ararat, some seventeen thousand feet in elevation, which the Turks call Byk Ari Da. **'Mount Ararat' as a geographical designation comes from later tradition.**

During the eleventh to twelfth centuries A.D., it became the traditional site known as the place of Noah's landing. Verse 4, however, does not specify a peak and refers generally to its location as the 'mountains of Ararat.' . . . The search for the ark's artifacts has been both a medieval and a modern occupation; but to the skeptic such evidence is not convincing, and to the believer, while not irrelevant, it is not necessary to faith." [bold emphasis mine]

Note the important words 'late' tradition. This means that this is not confirmed and never was but merely a guess that perhaps it did land in Turkey near Armenia. Some have gone searching for the Ark even in Iran but once again returned empty handed with a few pictures and of course old wives tales.

So once again we ask the question where did the Ark land. This has been a puzzling question for people of faith for centuries and explorers alike have gone up to search

for the ark but no one to date has found the ark. One might think that with modern technology and Satellite imagery it should be no problem yet we still see nothing, question is why? The answer is actually simpler than we think. The wrong location, and also the ark was made from a particular wood called gofer only mentioned once in the whole bible and this likely in Hebrew means a covering of reeds upon some kind of wood which was widely available in the region of Africa where Noah lived and it is unlikely that this would have survived for thousands of years up to this time unless it was preserved by some special covering which we do not yet know existed as did the Egyptians were able to preserve things. We do know that the type of covering used of Reeds was widely available in Africa during Noah's stay there. The motif of forty days and forty nights of the flood tallies with the African culture because in ancient times the Nile used to flood the local region for forty days and forty nights during the wet periods. I suspect Elohim was trying to connect this to show a wider flood. Some believers still debate whether it was a global flood however this still being debated. The question is this if this was a global flood then where did the second giants come from mentioned (Gen 6:4; Deut 2:11)?

The only evidence so far is that the Grand Canyon of America was not immersed in water so once again the discussion of a global flood or local flood.

This should make us realize that it's all about location, location and location.

Let us clear the fog quickly which has been cleared in the Abrahamic-Faith Hebraic Study Bible which can be purchased from www.abrahamic-faith.info.

I find it ironic that people go searching for the Ark in Turkey amongst the Turkish people while similarly we have seen people go to Europe looking amongst the Europeans for the lost tribes of Y'sra'el. The parallels are fascinating to me because the real deal is somewhere else.

Abrahamic-Faith Netzarim Hebraic Study Scriptures Second Edition
Genesis 8:4 Then the ark rested in the seventh month, the seventeenth day of the month, beside the mountain of Ararat.

The first thing you notice is that while the scholars argue over which mountains in Turkey the AF Bible simply states the obvious that it is a single mountain and not mountains in plural.

Gen 8:4 ותנה התבה בחדש השביעי בשבעה-עשר יום לחדש על הרי אררט:

If any of you reads Hebrew immediately can confirm in the Hebrew that it is not many mountains but a single Mountain. This fact is incredibly important to start tracing the Ark. In fact the Hebrew word Al Hari simply means on or beside the mountain.

One can quickly do a word study and trace the first occurrence of this word "hari" Strong's H2022 in Exodus 33:6.

Exo 33:6 (KJV) And the children of Israel stripped themselves of their ornaments by the mount Horeb.

Now ask yourself did the children of Y'sra'el strip on the top of the Mountain or beside it? They were not allowed to touch the mountain because it was set-apart. The motif of the Mountain reveals to us why Yahushua died and was resurrected on the Mountain of Olives. Note The Olive Tree is a symbol of Y'sra'el and peace, vigour, growth and new life.

- Y'sra'el was given the Torah on a Mountain.
- Noah landed near one.
- Abraham took his son Isaac to a Mountain.
- The angels fell on a Mountain in Y'sra'el.
- G-d gave his Renewed Contract by another Mountain in Jordan

And the Messiah died and resurrected upon one, while we are recognised as a nation which is also the symbol of a Mountain. Note the little stone that the Prophet Dani'el mentioned that would rise and become a Mountain one day, Dani'el 2:34.

Let me show you a funny side to this story. Imagine if Noah landed on the top of the Mountain as Christians have been teaching then was Noah a monkey that he was going to climb down with ropes and what about all the animals that would get stranded on the top of the Mountain then who would bring them down? Maybe they could call 911 or 999, help I am stranded, send in the helicopters.

So what else is at fault in the King James Bible the most reputed translation of the English text? I can tell you though it is a decent text but plenty of mistakes can still be found in it with some deliberate changes of names and teachings and even a genealogy removed for convenience. This is why when you will read the Abrahamic-Faith Study Bible your life and your theology will never be the same again and you will no longer be entertaining cheap alternative theologies from the alleged church that contains truth.

The only problem is that the true One was called Yahushua and truly the anointed One but you won't find him in Western Churches that are devoid of truth. It's when you come out of these churches that you receive truth. It's ironic that we think truth is behind those walls but many times you will find that this is simply not true since man has corrupted everything including organized religion.

As no doubt all of you can now see the inconsistency of the translators and how by adding a wrong translation it can throw off the person looking for something that does not exist. Does that remind you of the mark of the beast? Yes keep looking for the 666 another invention of the Catholic Church.

The mountain of Ararat or beside the Mount Meri?

Many believe that this is a mountainous range that runs between Armenia, Turkey and Iran. But the Ark has never been found in Iran or Turkey. The other explanation for this is that the closer language to Hebrew, the sister language Arabic helps us

understand because the word “herarat” means **Mountain of Intensity** or **passion, heat**, etc since this was a judgment call by Yahuweh and no picnic by the way.

The Arabic language carries many Hebrew words correctly to the ancient order. Note this is a single Mountain in **Central Africa near Lake Chad** and here is the shocker that Noah was an African Negro type looking man, no he was not Caucasian though I do love them but he was not otherwise we would find him in the Steppes of Russia. Noah was indeed an African Albino with hair of locks just like your Rastafarians. Shocked, I hope you are for all lies that exist in the Churches still.

In the African history sadly they did mistreat Albinos and I would suggest that Noah was ridiculed for and by the people for similar reasons hence the majority refuse to hear him even today. Albinos were killed in Africa and their organs were sometimes harvested as magical to cure diseases. The reason is they were seen to be like the first fallen angels who were black angels turned white. Hence why some people believe the ‘white’ man is the devil!!!

I don’t just say this about Noah by guess work; I have traced Noah’s African ancestors and can tell you exactly the location and the boundaries even of the Garden of Eden. If you purchase the book of Enoch that I have translated back into the English and also look at the book of Jasher from AF website that some of you may own there are important truths in those books that corroborate one hundred percent with the data presented in the AF Study Bible conclusively proving what I have just stated about Noah’s ancestry being African. Also if you get the AF translated text of these books then you have the added benefit of seeing things which were earlier left ambiguous and uncertain.

If you do not have the book of Jasher or Enoch I suggest you get yourself a copy from www.abrahamic-faith.com. I would have you not bother with the other translations of these books because they do not give you half the information I have given you in the commentated sections explaining many important essential truths and details. Whether you believe these books are inspired or not is really irrelevant for our discussion here because they were held to a high esteem in the ancient past. However since these books were written by Hebrews then they become relevant to us and our family life.

Just for your reference the land of Noah is called Bor-Nu and is in Central Africa. The words Bor-Nu means the land of Noah.

I think you may want to read my upcoming article on Abraham called “A great horror and darkness fell upon Abraham” to understand something which YHWH hid in a prophecy given to Abraham centuries ago which came to fulfilment in our days. More on that later in the other article still cooking in the pot.

The Mountain Meni in Central Africa is the main candidate for the resting place for Noah's ark near Lake Chad, which in ancient times was a sea known as Mount Meru. Or Meni. Its important to understand that the largest variety of animals are even today found in Africa alone and not in Iran or in Turkey. This makes it highly likely that Noah’s Ark rested in Africa from where civilization spread. I am sure some of you are shocked to hear this. I have more information available which I give in the AF

study Bible, I encourage you to make the investment to learn your scriptures well so you can answer the critics, see www.abrahamic-faith.com.

According to Godfrey Higgins 1874, in his monograph Anacalypsis: An Inquiry into the Origins of Languages, Nations and Religions, noted that "Armenia" could mean "mount of Meru."

While many people search for Ararat the Hebrew could simply be Har-r'arat. The closer meaning to the Arabic is Intensity or shaking because of heat. The word Har in Hebrew means a Mountain so when we split the three words har Ar-rat we have as follows:

Har – Mountain

Ar – City

Arat – An ancient African word that means 'And.' Confirmed in the Amharic Ethiopian language. These Amharic speaking people are one of the true Hebrews the sons of King Solomon descended from his one son and his marital relations with the Queen of Sheba known as Bilquis in Islam. The closest Hindi word for Ararat is Arti which means towards the love of Elohim. So one could posit the meaning likely to be "towards the Mountain" as a reference point indicating where humanity started from again.

Also the queen of Sheba ruled vast regions of Ethiopia and South Saudi Arabia including Yemen and large parts of Western Africa. She was a right-ruling woman so famous that she was even mentioned by Master Yahushua in Matthew 12:42 that she will be resurrected and will give verdict on the sinners. Here is another proof of the Black queen that King Solomon married since he himself was a handsome African Black man.

<http://www.youtube.com/watch?v=2pPHgeZjOAE>

Mattityahu 12:42 The queen of Sheba shall rise up in the judgment with this generation, and shall condemn it: for she came from the extremities of the earth to hear the wisdom of Sulahmon; and, behold, a greater than Sulahmon is here.

The other candidate is the mountain of Meru in Tanzania called Noah's Ark by the Kenyan authorities because it is surrounded by many fruit trees and a variety of animals not seen anywhere else. This is opined as another place where the Ark could possibly have landed. However the short choice we have made is Mount Meni near Lake Chad which used to be a sea called Mount Meri in Central Africa for various reasons too lengthy for me to explain here.

Why near a Mountain? In ancient times and even in modern times the African/Asian people often marked boundaries by objects, which in this case was the Mountain. In modern Western culture you may do similarly when pointing out locations to people one might say go two blocks ahead and look for MacDonald's on the left and opposite

that you will find the place you are looking for. Here Macdonald's would be used as an identifying marker. We know this mountain is still standing after 4000 years so it's a perfect object for reference.

Now imagine when people were travelling in ancient times through deserts and forests then what would be a good sign in the middle of nowhere? There is no sign better than a Mountain. How did Elijah find the Mountain of YHWH in Saudi Arabia? Did he have the GPS navigator in his pocket or did he look for the tallest peak when walking in the direction of Saudi Arabia (First Kings 19:8)? Even the name used for the Mountain Horeb is Hor-Eb means this mountain was Holy to Shem's ancestors called Horoites the devotees of the deity Horus who were expecting him to become G-d incarnate. One such ancestor being Joktan or Qahtan the first true pure Arab ruling the Arabian Peninsula. He lived and ruled in this area. His sons ruled Yemen for over a thousand years. So next time you hear people slandering Arabs as anti-Semitic pause for a moment, think, they are more Semitic than the modern Zionist Jews from Eastern Europe in Israel who call themselves Semitic but are not the sons of Shem from which the original Hebrew stock has descended. All of the Ashkenazim are the sons of Japheth and not Semitic at all. Just because one wears the garbs does not make his a Semite.

One of the sons of Joktan, the son of Eber the son of Shem mentioned in Genesis 10:26 is Hazarmaveth but in Arabic he is called Hadhramaut an area located in Yemen today named after his son. It is known and often concealed fact that many Arabs and Africans are more Semitic than all the East European Jewry put together. However I am also privy to the fact that many churches reign in ignorance and bigotry against Abraham's sons of the south who are all today labelled as terrorists except of course the East Europeans living in Israel and calling themselves Semitic. This once again confirms the Bible to be true that the sons of Japheth would come from the Northern steppes of Russia and take on the identity of Shem while the real sons are still out in greater numbers.

You can read about Hadhramaut here on Wikipedia.

<http://en.wikipedia.org/wiki/Hadhramaut>

Even though our ancestors committed many grievous sins against Yahuweh that we certainly are not proud of but shamed with sadness but He has never left us because of His abundant mercies, steadfast love and promises made to our Father Abraham, Isaac and Jacob. We must stand in the gap and pray for the sins committed by our forefathers that He may be merciful to them in their punishment in the hereafter and for our sins which He forgave us completely through the right-ruler's blood of Master Yahushua our Kohen ha Gadol (High Priest). Most of you are taught to just say the name of 'Jesus' and that's it the magic wand is waved and you are now cleansed and now Yahuweh's holy law/Torah can be broken because according to the bigotry of the Church it is no longer necessary.

However our Master Yahushua said the following by which we need to pay attention;

John 8:31-32 Then said יהושע to those Yahudim (Hebrew people) which believed on him, If you continue in my word, then are you my disciples

indeed;¹ **32** And you shall know the truth, and the truth shall make ye free.

MY WORD and THE TRUTH are not buzzwords as Christendom has made them out to be but they are both idiomatic expressions for obeying and keeping His Torah to receive the grace on a continual basis.

This is why He said the following to the rich man.

Matthew 19:16 And, behold, one came and said to him, Rabbi, what Good mitzvoth (deeds) shall I do, that I may have eternal life? **17** And he said to him, Why ask me concerning the good? There is indeed one good, if you **want to enter into Life, Guard and Do the commandments.**

We know YHWH is true and just and He declared as follows so there is plenty of hope for us yet.

First Samuel 12:22 For יהוה will **not forsake his people** for his great name's sake: because it has pleased יהוה to make you his people.²

Yahuweh will never forsake His people that He chose. Halleluyah.

Shalom Shalom

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a believer who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life. How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book.
