

The dysfunctional woman by Rabbi Simon

Written 9th Nov 2011

Updated 4th Jan 2012

On 9th Nov 2011 on Press TV the Iranian TV News Channel there was a program about women in the West and their rights why they feel the women are not getting equality in Britain.

There were two converted Muslim women one of which was Yvonne Ridley a war journalist discussing the nature of this problem in the west. They were asking women in the street how they felt about these issues.

Typically women gave answers such as we are getting there and not quite there yet but we have come a long way etc.

Why do we see so many women in the west who feel this way that they do not have rights or have equality issues?

I call this the dysfunctional woman syndrome. Even though there is nothing really wrong they feel they are wronged so it's a self perpetuated delusion. They want to compete with men full well knowing that they cannot do that in every facet of life it's impossible. In certain fields they can work on par but to say they can in every field is pretty ridiculous.

The western godless lifestyle is the cause at the heart of this issue.

The women in the east though far more disadvantaged and many even poorer are quite happy if they have a decent husband and a small home. They try to make things work in the home, they try to rear children the best they can but you never hear them complaining while turn on the TV and its complains galore.

While the western dysfunctional woman who has lost track of herself is only worried about self. She wants to be free. She wants to be independent. What does these terms really mean?

Free - Don't tell me what to do I am my own head.

Independent - I can do whatever I want even if its wrong don't tell me it's wrong.

Both of these are signs of a woman out of control. You will find plenty of women like this in churches too who are making a mockery of G-d.

These kinds of women if they ever marry by mistake make life difficult for their husbands and before you know it they are divorcing their husband's because he did not do

something they required him to do such as submit to them. They use the threat of divorce to keep all authority of their husband away from their lives.

The Creator does not count in their lives they are quite happy to pay a lip service to him he is only there for their fake humbug devotion in the Sunday lawless churches where they go for their personal fellowship and not to serve the Creator.

These dysfunctional women would rather depend on social services, job seekers allowance, welfare, which causes more women to rebel against their husbands, their fathers and brothers. They have already tried to become the head but all too often the western woman is the most confused creature on the planet.

The Hebrew women who live in the west and adopt the western lie and the lifestyle are equally deceived who end up in the same situation.

Patriarchal system versus monogamous systems

Ever wonder why the western women are blowing out their fuses running on their single cylinders? A man who has one wife in affect has a one cylinder woman. The end result she will wear out and blow out. A man with two wives has in effect a two cylinder horse power in which the burden can be shared. Western women perhaps think the men are stupid to stick with the one woman model with the I, I, I syndrome? Unlikely, otherwise our tabloids would not be full of men cheating on their wives with illicit relations the alleged monogamous men have relationships outside the home because by design this one man/woman relationship is not only anti-Torah and Satanic but will not work. While Israelite men who may start with one woman but add another wife as they see the need to fit more wives to help build the family to fulfil the Edenic promise of "being fruitful and to multiply" alongside kingdom building of course which always needs more than one woman. One cannot multiply with one woman the only thing you can do with one is stagnate, you cannot multiply, one times one is only one. This is the flawed western thinking adopting the Greco/Roman model which is a failure in its outset and a sure way to wipe your race out and anyone of other nations who adopts this model be it British, African or Asian are also falling into the deceived model of failure. The Caucasian race is already struggling to raise its number because of this flaw in their system. China has realised through studies conducted in 2011 that the one child model is a long time failure and a burden on the government in which the one child is lumbered with the mother, father and grandparents and if he refuses to support them then the government has to step in to support all of them. So they realised single children won't work and hence have now allowed families in which siblings do not have brothers and sisters to get another child.

In the same way our Elohim knew single wives don't work as you cannot build the kingdom of Elohim with one wife. Although women love to say in Churches let your will be done in heaven as on earth but they will not allow their husband's to get a second wife as if that is not YHWH's will. What hypercritical life!

Even when a woman is ritually unclean once a month she cannot be sleeping in the same bed as the husband for at least twelve days then how can a man and woman be happy with the monogamy created by Rome and Greece? No wonder it's well known these cultures always have and still continue to practice illicit relationships outside of marriage.

If a Torah right-ruling man comes to one's door and asks a single woman for marriage and she rejects that offer what can one say but wow unto that woman for so deceived are women in this society looking for signs and wonders. In the first place the man may have come because he was sent by on High but this of course is rejected by women who lack spirituality and maturity.

The women forget that Elohim created man first followed by the first rebellious woman who we don't even like to discuss namely Lilith. Chava (Eve) was the second creation from Adam, how can she be the head but is this not what western women are chasing after? They all want to rule as queens and be the head to be treated as queen. What foolishness. This foolishness won't get them anywhere! The burden of the home is shared by Torah right-ruling women and they don't look to out manoeuvre each other or rise about each other. They are meant to treat each other with respect and be treated the same way back. When Yahushua said love thy neighbour this also counts the wives to treat each others as friends and to love and respect each other.

Isa 4:1 And in that day seven women shall take hold of one man, saying, We will eat our own bread, and wear our own apparel: only let us be called by thy name, to take away our reproach.

The man does not go to the women but the women plead to the man to take them as his wives, yes seven women which is the restorative model in the millennial kingdom but doubtful we will see many of the godless variety of women ever understanding this.

The foolish in the Church man's religion tries to write that off as allegory. The Church has no right with no Contract/Covenant to interpret our scrolls.

YHWH has created seven women for every male so there is no real shortage. In almost every society women outnumber men at least five to one and in some places as high as eleven to one.

While isn't it that the dysfunctional western woman wants the man to beg her on his knee to become his wife? What irony! This is so true for unbelieving women but its also true for many believing one's too what I term the deceived flock behave the same way no matter where you go. There is actually no harm and nothing wrong with a woman going to a right-ruling man and asking to be wed to him. Maybe no one taught them that this model does exist.

All those families who help build together with more women as helpmeets make the effort all the worthwhile in building the true kingdom centric model. In a family where there is just one wife when she goes through child birth she is going through a stage of

recovery, there is prolonged time of bleeding from child birth so she needs time to recover. In a two woman home the husband can ask the number two to share the burden and make it easier for the number one but in a monogamous model the woman is dried out and when the husband does not receive intimacy for a number of months he goes out looking for another and this is happening in western society all the time but the women do not understand why. Its simple, one man and one woman do not build Elohim's household and cannot tango, it takes more than two at least three to start and increasing to more if the need be. There is true choice in the home, one wife may work and another may go out to study and a third may look after the home. The income is expanded, there is no more looking at the social security trap where both the husband and wife are depressed what will happen next. The man works and is not reduced to poverty with the one woman model and so does his helpmeets. While what is happening with the so called I am an Island and I can do it on my own and I, I, I woman is the complete opposite? She is finally left on her own to fend for her old age and dies a miserable lonely death. What a tragedy!

They are still waiting for their prince charming to turn up who will never come. While the believing one's are still waiting for their signs to drop from the sky which also will not come. Both types will end up with lonely old age for unfulfilled lives which could have been full of joy had they the understanding needed to follow through.

They will just remain 'I' and will slowly perish leaving no sign of themselves or any seed that reveals there was once a virtuous woman here. If one thinks she is virtuous and does not follow the Edenic pattern then what is she virtuous for eating noodles? There is no virtue in going to a lawless Church but there is virtue in serving YHWH and obeying His Torah serving the man placed there for the woman as her head. There is virtue in standing beside your husband with his other maidservants to uphold the Contracts/agreements of YHWH. This is what will stand the test of time.

That is the real proverbs 31 woman. Are you that? If you are likely the I, I, I and live in the three I's syndrome which is part of the dysfunctional western woman, there is only one way out and that is to seek a right-ruling husband and to seek to bind to a family that upholds the principles of Torah and the Messiah. Otherwise YHWH forbids you may end up the i-hop woman with your three I's!!! It will just be the Ipad, Iphone and Ipod but no real head and no real husband.

May all who Serve Melek Yahushua increase

Shalom Shalom

Beyth Yahushua – Son of Tzadok, Son of Dawud

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John were then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know? What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildly, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps? Who were Mark, Luke, Matthew and even John? What connection has Joseph of Arimathaea with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial? It makes no sense. How many rich people give you their plot of land to bury your dead today? None.

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is a copycat Judaism answer that the curse was lifted but it wasn't. Jewish and Christian answers on this are wrong. What about the genealogy of Luke and Matthew why the two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up and he surely will in this book.

Who were the Hebrews, what is the term "West" in Hosea 11:10 referring to? Hosea 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations.

This book will give you new insights and the rich history of Yahushua.
