

## Twice the son of Hell, modern Pharisees of Christendom by Rabbi Simon Altaf

23<sup>rd</sup> Dec 2010

AFNHSS – All quotes from the Abrahamic-Faith Nazarene Hebraic Study Scriptures  
Yahushua – The Real name of the Messiah  
YHWH – The real name for the creator.

**Matthew 23:15** Woe to you, scribes and Pharisees, hypocrites! For you travel sea and land to make one proselyte, and when he is made, you make him twofold more the child of She'ol than yourselves.

I received an e-mail today from Australia which prompted me to write this article. The person described how in Australia the Aborigines, the original black owners of white Australia are being marginalised and converted into Christianity into believing that this will give them salvation if they follow the pagan ways of Rome and her daughters also known as the 38,000 denominations of Christianity such as Baptist, Methodist etc, etc. In fact they are being taught Greek paganism which Christendom incorrectly calls the ways of God. The aborigines the original owners of Australia became outcasts in their own country, their tribal laws were closer to the Torah of Moses which I will explain in a few minutes why. They are regularly beaten up and victims of crime under the white government and people who are snotty. Why? It is believed historically that these people originally came to Australia in the migrations from Tanzania in Africa which firmly places these people as those that God threw out of Israel for disobeying Torah also known as the Ten tribes.

**Deut 28:1** And it shall come to pass, if You shall listen carefully to the voice of אלהיך your Elohim, to Guard and to do all his commandments which I command you this day, that אלהיך your Elohim will elevate you high above all nations of the world:

Or

**15** But it shall come to pass, if **You will not listen**

**16** Cursed shall You be in the city, and cursed shall You be in the field.

**17** Cursed shall be your basket and your store.

**18** Cursed shall be the fruit of your body, and the fruit of your land, the calves of your herd, and the flocks of your sheep.

**19** Cursed shall You be when You come in, and cursed shall You be when You go out.

**20** אלהיך shall send upon you cursing, confusion, and oppose you, in all that You set your hand to do, until You be destroyed, and until You perish quickly; because of the wickedness of your doings, whereby You have forsaken me.

All these curses are literally true for both Africans and of course Australian aborigines and black Americans and many other eastern nations that came under the yoke of the west.

Christianity was forced upon them by the conquering white population both in Africa, Australia and America during the slave trade. Today many of these people are treated as second class citizens of Australia but they are not the only ones mistreated like this today. In Africa it was not long ago that blacks in South Africa were meted out harsh treatments by the white land occupiers. Also in Zimbabwe it was common for Blacks to be regularly beaten up by white farmers occupying black

lands. Now they wonder what happened to the lands that they had usurped from the original Black owners. What you sow you also reap.

Israel also mistreats the true sons of Shem like the Flashas (the real Black Yahudim) while the Zionist cult of Shabbatai zvi majority of the leadership of Israel mostly the Khazarian converts (Caspian Sea region) who came into Europe and then emigrated into Israel continue also to kill innocent Palestinian children under the guise of peace while the powerful nations of this world turn their faces away and appear to see nothing because of business interests and powerful Zionist media propaganda. The Sephardic Yahudim of Israel also the Semitic people are mistreated very widely by the Zionist oppressors and are not on par with the European Khazari converts calling themselves Semites when they are not. They originated out of an area near the Caspian sea called Khazaria and there is plenty of history to validate this truth. After Khazaria's dismemberment they ended up settling in Hungary, Poland, Ukraine, Kiev and other parts of Europe.

The hypocritical leaders of America who have an illuminatist agenda of ruling the world conspire with the Zionists in Israel under false peace plans which will never come to fruition because they don't really want peace as it does not serve the interests of the American Empire. The Zionists and American leadership have been caught red handed in Iran trying to overthrow a democratic government and accused of killing her scientists by planting bombs in taxis. The UK government is well aware of these things but pretends to not know about it while even aiding and abetting them. It would be better for our government to repent and not take sides with American ideas of governance but we continue to lack repentance and strong leadership. When repentance is not forthcoming YHWH will judge these nations including the United Kingdom then we wonder why we in Europe are hit by very hard winter weather when we usually do not get it. Americans should wonder why they are getting torrential rains in California when these things are not common occurrences. You cannot blame things on global warming which is simply an agenda of many nations to usurp other nation's resources by camouflaging it as global warming.

The Zionist leaders of unholy Israel have also been caught red handed of illegal organ trafficking with Kosovo. Even the Kosovon Prime Minister was implicated in these deals.

<sup>1</sup>It has been well over a year now since the first reports came forward out of New Jersey, USA, that Zionist Jewish criminals were involved in the inhumane and immoral practice of obtaining and trading human organs. This revelation was appalling and opened a floodgate of follow-up information that first came out of Sweden, and then out of the Palestinian territories, that this immoral practice has been going on for decades. However, thanks to the Zionist Jewish control over the media, any further news of this disgusting practice was soon either suppressed, or totally covered up. This very important news quietly disappeared out of the headlines...Until now!

Jonathan Ratel, who serves in Kosovo as part of the EU's rule of law mission, has announced that the seven suspected Kosovons working as physicians for a clinic called Medicus in the capital, Pristina, belong to an international network that trades in the organs of people suffering from extreme poverty, the Associated Press reported.

The donors were from Moldova, Kazakhstan, Russia and Turkey and were

---

<sup>1</sup> <http://northerntruthseeker.blogspot.com/2010/12/zionist-jewish-illegal-organ-harvesting.html>

enticed with the false promise of payments as much as 20 thousand dollars. However, they never got any money.

There are also charges pressed against an Israeli individual and a Turkish doctor who have not been arrested yet.

The organs were illegally removed from the victims and transplanted into rich recipients most of whom were from Israel, Canada, Germany and Poland.

Among the suspects are some of Kosovo's most famous doctors. One of them used to be permanent secretary of health and gave the clinic a false license. Also Dr Lutfi Dervishi, a university professor, who is said to be the ringleader of the group, set up the operations.

Police were alerted to the network in November 2008, when a Turkish man, Yilmaz Altun, appeared exhausted at Pristina airport while waiting to board a flight home. When questioned by police, he said he had donated his kidney to an Israeli recipient. Kosovo law forbids the removal and transplant of organs.

Those of you who love Israel be careful not to be caught out with unbridled love for a nation living in sin which is nothing more than idolatry so keep your love for Abbah YHWH, and Yahushua His Son to further the mission of the kingdom to spread Torah truth. It's clearly visible that present Israel has failed miserably in its task to take the light to the nations.

The so called road to enlightenment also happened in India when the Portuguese and the British went in with the pretext of business to usurp the local resources and steal the treasures of the Indian monarchy. The Queen of England still wears the Jewels in the crown some of which were taken from India one such famous one is the diamond of Kohinoor the largest diamond taken from India during the raj which recently India asked to be returned. The Queen Elizabeth was not amused and has no intention of returning it.

The brave Indians of course fought the oppression and threw the invaders out after 339 years of rule. The British tried to divide them by religion using Hindus against Muslims and Muslims against Sikhs but in the end all three religions united and removed the yoke of bondage. Once the yoke was removed they resumed fighting amongst themselves that was created by the British division of the land which became India and Pakistan and later a third nation came out called Bangladesh. Today India and Pakistan are sworn enemies thanks to various land disputes arisen as a result of the incorrect division of the land.

The East India Company was used to deceive the Indians to enter to rule the people. Portugal was already there doing its bit, the European powers are never far behind each other in their acts.

In Africa they went to straighten the savages with the pretext of reforming the barbarians but the real intention was actually to steal Africa's resources. Africans believed in Monotheism from the aeons of time but the Europeans were kept under dark about this and to this day many people do not know that the original Hebrews of the Bible were black Africans. Yes Indeed this is shocking but true. Has your Pastor ever talked about it? I doubt very much the rubbish that seminaries teach today they have an inkling of such truths. Abraham was an African as were his ancestors and Moses was North African but look at any movie today and Moses is portrayed as a blue eyed European. The truth is that both Moses and Abraham were black. When

YHWH expelled the Ten tribes the majority ended up in Africa and are still there to this day in 2010 hence why you see the people from Tanzania who crossed into Australia during the migrations surprise, surprise are black people. Today the policy of the Western governments is to keep puppet dictatorships in Africa who will keep the locals fighting and murder each other indiscriminately so they can never get anywhere while the West sneakily takes away their resources such as Oil, gold and other mineral wealth. Behind every African war today is a major western nation and you will be surprised to know that the Zionist government of Israel also has a hand in the pie as you will find out shortly.

The Europeans started to enslave the people of Africa and ship them back to Europe and America around the 16<sup>th</sup> century. Even the theft of resources is still going on in Africa today where such countries as America are involved.

Page 67 World War III – Salvation of the Jews...Rabbi Simon Altaf

If one wants to see an example of the rape and pillage of Africa then one can take a look at an American company called Anglo American mining company. They operate one of the largest gold mines in the world in Tanzania, for which the Tanzanian people receive five percent royalty, which means for every \$100 the host nation that has the wealth gets \$5 and Anglo American \$95 or to put it another way for every \$10,000 of gold taken out Tanzania receives \$500 dollars, while the US Company receives \$9500 dollars. **This is not helping but this is daylight robbery.**

Africa has not forgotten her horrors and remembers such personalities as Ann Nzinga "Queen of Ndongo" (1582-1663 CE) the warrior queen, she was a famous tactician and warrior who converted into Christianity under the Portuguese then fought them to death when she realised their game plan. She frustrated the Portuguese with the same agenda the Europeans have been doing of divide and conquer. She played the same games the Europeans played with many nations of dividing and conquering nations under the pretext of peace. While Queen Nzinga was a real freedom fighter she never gave up till her death. There were many others beside her who took up the fight.

Today African people are coming to realization of what is going on and turning away from the white man's oppressive religion to the true faith of the Hebrews which was Torah and the Messiah. The only thing that will free them from the curses which has descended in the form of white oppression is obedience to the Torah. A famous prayer by the Black King Solomon was as follows:

**Second Chronicles 7:14** If my people, which are called by my name, shall humble themselves, and pray, **and seek my face**, and turn from their wicked ways; then will I hear from shamayim (heavens), and **will forgive their sin**, and will heal their land.

No they do not have to wait for the GREEK JESUS but have to follow and Obey the Torah and believe the Messiah has come to redeem them. The only way to turn away from wickedness is to obey Torah. This was echoed by the Messiah Yahushua who is YHWH when he stated the following recorded by Matthew the Levite.

**Matthew 18:16** And, behold, one came and said to him, Rabbi, what Good mitzvoth (deeds) shall I do, that I may have eternal life? ... 17, **IF YOU WANT TO ENTER INTO LIFE, GUARD AND DO THE COMMANDMENTS.**

Please note if you want to Enter Life obey the Torah commandments according to the Messiah, so the Torah not only shows sin but also shows grace!!! Grace comes from accepting YHWH's covenants all contained in the Torah. When we reject the Torah we are really spitting in the face of the Messiah Yahushua by saying I accept the Messiah and reject the law of God is simply living in ignorance. Many in the churches need to realise this and remove ignorance from their lives but I doubt they will anytime soon.

Our sages have said that man fights for three things women, property and religion. If we examine all the present and past wars most of the wars were generated because of this. The first murder in the Bible also occurred because of a woman between Cain and Able. Cain who settled in central Africa has a city named after him Kano in Nigeria which many people may be surprised to learn. Indeed he settled and lived in the land of Nigeria. He was a metal worker as was also common in that region and had two wives in the North and south divide which is prevalent both in African and Asian cultures.

We note that the same missionaries who today try to use their New Testament and erroneously tell people that they cannot take more than one wife had their forefathers who were enslaving Africans taking their young women into their harem and sleeping around with them as they wished. Go and check history and you will see what these wicked people did. Africa always had monogamy and polygamy while Europe had adultery and prostitution and of course with the Romans and Greeks came homosexuality which is seen with a disdain in Africa and not favoured at all.

The Popes apparently Kefa (Peter) was one too according to Roman theology though false have ordained their man-made priesthood not to marry while they themselves have been caught keeping mistresses secretly. The Pastors today who tell their flock to take one wife and one marriage message have been caught red handed in adultery. As I said earlier Europe has always had adultery and prostitution and vice has always been common here and even legalised. One wife running away with another man is very common in these lands. I was told once by a Christian from the Czechoslovakia that all the married woman in one side of the street have slept with all the married men on the other side of the street and these majority go to the same church where adultery is very common and ignored. I put this man up in my house for a few nights because he came looking for his wife who had run away with another man to England and was happily living with the other man, such is the state of Christendom and lawlessness. Ironically these were both committed Christians. Well since the LAW/Torah of YHWH is not kept then we can understand why these sins.

Where was the New Testament when these things were happening? Nowhere to be seen apparently safely on their shelves eating dust and the Pastors happily ignoring it. When people take the law from the New Testament their thinking is fundamentally flawed because all the laws are contained in the Torah the first five books of the Bible and not in the NT. Its like trying to find the meat of an edible animal in the tail rather than the obvious parts.

Unfortunately such hypocritical teachings have been around since the inception of the Constantinian brand of Christianity. Even before the pagan king Constantine you can trace them to the likes of Ignatius of Antioch who was the first hater of YHWH's Law/Torah who many in Christendom like to refer to as a Saint. Apparently it's quite fashionable to call these kinds of people Saints though they are nothing more than lawless people.

The American leadership also went to Latin America with a pretext of helping the savages there to convert them to Christianity but in essence to steal Latin America's resources. You will find a number of assassinations of Latin America's democratically elected presidents such as Salvador Allende linked to America and CIA assassinations. The Latin Americans remember President Reagan affectionately as the Terrorist. He was also a Christian who admittedly brought down communism in Russia and probably saw himself as something of a Crusader of the 11<sup>th</sup> century. It's always the case that modern Christian leaders have other people assassinated and think they themselves are going into the kingdom of heaven. They are pretty deluded mocking God's law as irrelevant when it comes to men in power it's the same story all over the place today.

When the Europeans went with the pretext of converting the Arab savages in the Arab lands the Arabs were a bit more clued up so got the better of them and knew the agendas of the Christian marauders beforehand and so they gave them their own game-plan and chopped the head of any missionary they caught hold of as a warning to the infidels to stay away and we see this has continued to this day.

While many think of this as savagery cutting of heads of people while history cordially remembers General Henry Horatio Kitchener called "Lord Kitchener of Khartoum" who went to Africa to fight the Sultan in Omdurman and gave orders to uproot the grave of the dead Mahdi who previously fought the Turks and British so he could not be remembered or worshipped. Lord Kitchener had his bones dumped in the river Nile; he used his skull to make his ashtray and ordered the destruction of his tomb. This was in retaliation to the Mahdi having beheaded General Gordon a Chinese man in the British army who was defeated (Muhammad Ahmad ibn as Sayyid Abd Allah, a Muslim religious leader, a faqir in Sudan, who declared a jihad and raised an army in 1881 and successfully won many battles against the Ottoman/Egyptian and Anglo armies). This is what the Mahdi said about the Turks who were also Muslim.

<sup>2</sup>I am the Mahdi, the Successor of the Prophet of God. Cease to pay taxes to the infidel Turks and let everyone who finds a Turk kill him, for the Turks are infidels.

These were the ansars who are incorrectly called Dervishes by the European writers. General Gordon who was Chinese by birth and under Queen Victoria was beheaded and killed by the forces of Mahdi of Sudan in Khartoum. Lord Kitchener was asked to assist him but could not get there on time.

Eventually the Mahdi died of a Typhoid fever on 22 June 1885 without anyone killing him. Note Osama bin Laden also lived in Khartoum for five years until 1996. Perhaps he gets his inspiration from the Mahdi. We see the beginnings of Jihad in the modern world out of the same country of Sudan. Some of you might see it while others will not. I can quote you a leading prophet of the Bible telling us about Sudan however there is no need right now to digress.

So who is more civilised? The West or the East? The slogan and picture that you see today of the words "Your Country needs you" was one devised by General Kitchener during World War I and is indeed his. General Kitchener's removal of the Mahdi's head raised many scandals in England and even Queen Victoria was not amused.

---

<sup>2</sup> Holt, P.M., *The Mahdist State in Sudan*, Clarendon Press, Oxford 1958, p.51

General Kitchener wrote a letter of apology to the Queen and secretly buried the head of the Mahdi swiftly in a Muslim cemetery. This was a short history lesson for you to refresh your memory as it always helps to put things in perspective.

As we near the Christmas the paganism of Romans and Greeks, the winter solstice the majority of Christendom will be seen celebrating this when they are seen to buy and put up Christmas trees to celebrate supposedly the birth of the Messiah of Israel who by the way was not born on December 25 and never asked to celebrate His birthday. Apparently the birthday is only an excuse but it is fashionable in the West to get drunk and be a glutton for a week. Torah believing people like us who refuse to join such festivities are seen as foolish and backward and should be living in the desert somewhere just like Moses. The only problem is that these lands are spiritual deserts and lack living waters (Torah and Messiah) so technically we are in a desert already.

Yahushua was right when he rebuked the Pharisees from the school of Shammai telling them of making people twice the sons of hell. Many Christians do the same today by first bringing people into churches and then asking them to get into Pagan festivals which are forbidden in the bible. When people convert according to Christianity and not YHWH they then start doing all the sins they would not have done previously or at least had some fear about even as Pagans. After conversion and adding religion as a label to themselves as I have witnessed many Christians have no problem lying, cheating and slandering others after all the attitude is I can just say a prayer and be done with it. You would have heard of free grace all over the internet and churches where they can sin freely and still be saved. Wonderful isn't it. This then has to be the best religion for sinning sinners.

All they got to do now is profess the blood of the Greek JESUS who died for them so that their evils may be blotted away. So now they can go murder, pillage and kill all the people they want under the guise of counter jihad and then just say a prayer and all is forgiven at least in their own minds even killing children is allowable under what they term stressful situations such as created in Afghanistan.

The same Greek JESUS apparently said nothing about hurting and wounding people and leaving them on the pile of civilization with broken hearts and these people once wounded would never want to attend a church ever again. Sounds like you? I can relate to that. You can thank the Western brand of corrupt Christianity that has absolute zero to do with the teachings of the REAL Messiah.

The Messiah of the Hebrews said the following:

**Matthew 18:15-17** Moreover if your brother shall trespass against you, go and tell him his fault between you and him alone: if he shall hear you, you have gained your brother. **16** But if he will not hear you, then take with you one or two more, that in the mouth of two or three witnesses every word may be established. **17** And if he shall neglect to hear them, tell it to the congregation: but if he neglects to hear the congregation, let him be to you as a gentile and a tax collector.

In essence if the individual is unrepentant this should lead to his ex-communication for at least a month according to rabbinic custom but what is actually happening today is the person who is wronged leaves the church crying and the one who did the wrong is freely accepted in the Church laughing. Wickedness is called good and good is called wickedness, its tragic and very sad.

The real Messiah also said the only thing that sets people FREE was and still is the **TORAH OF YHWH**, He did not mention anything else setting people FREE. His discourse in Matthew 23 was all about religious hypocrites who claimed one thing but did another. These types of Pharisees went out of their way to convert people and then told them to rebel against the government of Rome, become a freedom fighter to attain eternal life, keep all that the Pharisees say and do as sacred and throw the rest away that they read in the Torah. Is this not what the Crusaders were taught by the Catholic Popes?

***JOHN 8:32 And You Shall Know The Truth, (The Torah) And The Truth Shall Make Ye Free.***

The only way you can know The TRUTH is by obeying it. Since most of Christendom does not know the truth (Torah) then how can they obey it? This is why they live in sin and many in their midst are twice the sons of hell by following after the dictates of the church and living in lawlessness and paganism.

If you really know the TRUTH (Torah) then you will reject all paganism including Christmas and Easter. You would turn away from their bad teachings to the good teachings of Moses, Joshua, Elijah, Isaiah, and Yahushua. These ones told you to obey Torah to be in YHWH's covenants and to receive Grace. None of these told you to wait for a cross not even Yahushua said wait for me to die before you receive your salvation.

***Matthew 19:16-17*** And, behold, one came and said to him, Rabbi, what Good mitzvoth (deeds) shall I do, that I may have eternal life? **17** And he said to him, Why ask me concerning the good? There is indeed one good, ***IF YOU WANT TO ENTER INTO LIFE, GUARD AND DO THE COMMANDMENTS.***

Did Yahushua tell the rich man to wait for His death? No. His death was for Israel and especially for the sons of Ephraim the Ten tribes who had been lost in sin (Breaking Torah). He had to pay the penalty as a sin offering to restore them back to the Torah. If you obey Torah you actually automatically come into the Covenants which are all contained in the first five books including the Renewed Covenant which Christendom knows nothing about and pretends to be scholars on the issue. Read his own words those who are in the camp of the ten tribes and even some who are living in complete sin in Judah are part of this deal.

***Matthew 15:24*** But he answered and said, I have been sent to the ***prostituting sheep*** of the Beyth (house) of Y'sra'el.

Are many Christians still prostituting? Yes with Christmas and Easter for sure.

Unfortunately many in Christendom are still guilty of the same mistakes that their predecessors were of enslaving the Black people, stealing the resources of Africa, Latin America and other nations all the while telling people how they should live while they themselves do not know how to live. Did you know that Israel is the biggest diamond producer and seller yet Israel does not even have one diamond mine? Enter Belgium to meet all the Jewish diamond merchants. Israel is the biggest producer and exporter of weapons and military logistics coupled with technical expertise for the execution of warfare.

Now you start looking at the African wars and the Islamic wars and calculate who is benefiting from weapon sales. Who is making money from diamond sales, while the

Africans the real owners of diamonds many true Israelites live like beggars? It beggars belief.

**Deut 28:33 The fruit of your land, and all your labours, shall a nation which You knows not eat up;** and You shall be only oppressed and crushed always.

**Sounds like African and the Western nations eating the fruit of the Israelites while they are living like beggars! Yes indeed.**

Christians love to ramp up Israel as a holy nation but they are not holy but Zionists, worldly and mostly Khazari converts who were not even Semitic Yahudim of which today many hold to the false Messiah Shabbatai Zvi the Turkic Rabbi who became a Muslim under threat which many of these await secretly but we must not forget that many sins are being committed by this nation and God will judge them in His appointed time. When we start to calculate the number of dead in the wars in the last thirty years Israel would have been a contributor to those deaths whether directly or indirectly and profited out of these wars. Israel even tried to sell atomic bomb components to South-Africa and ended up delivering special bomb triggers hidden in a tea chest according to AMERICAN author Sasha Polakow-Suransky's disclosure which both countries today deny.

The nation of South Africa at that time was an apartheid government persecuting the Blacks badly yet Israel was quite happy to earn money from the whites of South Africa ignoring the plight of the black people. In their love affair Christians forget that Israel's purpose was not to teach people warfare but teach them the Torah the light of God.

Yet the hypocritical Zionists today oppose Iran with her bomb. First sort out your own house then point your fingers at others. Stop building bombs yourself then tell others don't build for warfare. If Israel had trusted God then why build the bomb? Those who build a bomb do not trust YHWH but only in their own strength yet YHWH opposes such ideologies but will the blind see?

Do you think Christian America is fighting a just war in Afghanistan? Even the simple person on the street knows that this is a resource grab. Afghanistan has at least a minimum of one trillion dollars of resources in the ground. They are trying to grab as many resources from Afghanistan as they can but the Afghan Muslim war lords won't let them succeed. Even Europe is only there for what contracts and businesses they can generate from that land. The people of that land have remained poor since eons but no one cares for them. Some think they are Muslims and barbarians so why worry let them die. Europeans consider themselves cultured while in the 15<sup>th</sup> century Afghan and African kings were living in opulence and the Europeans were living in their small houses with one or two windows but today they pretend as if they were always superior because of their colour.

If you want evidence go and look at the Taj Mahal built by a Moghul king in India, no European country has such a place.

What about China? The Chinese won't let them succeed to bring the Chinese to their knees. The American pandering against North Korea and deliberate acts of provocation of war by conducting exercises with indignant South Korean leadership who think the Americans are their friends to defend them are simply to make both the North and South Koreans fight and kill each other. If the south wins then America can unite both North and South and the South Korean leader Lee Myung-bak

becomes the hero for his people while America gets a thank you and also gets ample space for a new air base so they can continue to spy on the Asian nations. This is all to remove China as an upcoming superpower however this plan will fail as you will see for yourself.

American illuminatists were guilty of killing three million Koreans in the previous war. It's time the Koreans realise the goals of this nation's illuminati leaders who claim to be Christians but are actually wolves in sheep's clothing. Their eyes are on the world and don't really care how many people die for them to achieve their goals. However they are doomed to failure as scriptures predict.

Here is what one writer had to say on this;

<http://www.counterpunch.org/whitney12102010.html>

By Mike Whitney

"Massacre of Korean Civilians

The U.S. Army, Air Force and Navy were directly involved in the killing of about three million Korean civilians—both South Koreans and North Koreans—at many locations throughout Korea, including Masan, Sachon, Tanyang, Iksan, Changyong, Wegwan, Ducksung, Sinchun, Wonsan, Pyongyang, etc. Several hundreds of civilians refugees were blown apart when the U.S. Army blew up Wegwan and Ducksung bridges in S. Korea..... Among the several branches of the U.S. military, the U.S. Air Force was probably more responsible than any other branches for the huge number of civilian killings because of its indiscriminate shootings and bombings of civilian refugees, villages, towns, and cities in violation of Hague Conventions. At the end of the war, almost all the North Korean cities were leveled to the ground by carpet bombing,

However now the European leaders have devised modern ways to do this. Today it's called cult of global warming another way to steal people's resources by lying and presenting fudged data to the world. If we are having global warming then why is it that since two weeks now in December 2010 we have been having severe winter weather in the UK which has not happened before since the 1960s? I do not recall seeing weather this bad since the last thirty years. Severe cold weather in Europe that has brought many airports to a grinding halt.

If it's the lie of the cult of global warming then why the cold wintry weather in the cities of the US such as California which generally have a warm climate all year around? Why shivering cold in hot cities of Australia? The global warming gurus continue to lie. The agenda is simply to enslave nations such as Africa, India, China and others who are too poor to do anything in order to convince them of global warming then they can sell them the goods to make money to start removing the alleged global warming which does not exist. The planet is not going to go into oblivion because the Bible teaches the return of the Messiah so if the planet is going to die then where is the Messiah Yahushua returning?

The Western world with its modern Christianity has not really changed their skin colour and continues to lie and cheat people across the world. When you talk with ordinary Christians they will say that this is because these globalists are only Christian in name and not by deeds. This may be true to some extent as this was also true in Africa, India when many civilians were killed and in Afghanistan where

many innocent Muslim children and women continue to be massacred in the name of the Western 'JESUS' and counter Jihad. The only problem is not even one Afghan has yet to date detonated a bomb in America or Europe then why bombard their land. Apparently fifteen of the suicide Muslim radicals took three planes and put two of them nose diving into the twin towers in New York and were of Saudi Arabian origin then should we not be bombing Saudi Arabia? No, maybe not, they just have too much oil that we need.

Ever wonder why many ordinary Europeans and Americans won't go to churches? Its not because of bad Pastors but because they would rather not be twice the sons of hell because they are already going there and if they go to church and then unless they obey Torah which is highly unlikely they will become twice the sons of hell because after their conversion they can freely lie, cheat, commit adultery, stab others in the back and all this in the name of the Greek JESUS and just say sorry God.

For the Blacks my advice is to return to Torah that YHWH may heal you and your lands and restore you back to Himself.

Therefore to sum up my advice is to any such sincere person of Christianity is to repent and return to the real roots of the Hebrew faith. The only way is to obey Torah and obey Yahuweh (YHWH). Your lying and cheating is going to get the better of you and instead of converting people and being heaven bound you are making yourself and others twice the sons of hell.

May YHWH bless you

Shalom Shalom

### **Beyth Yahushua – Son of Tzadok, Son of Dawud**

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John are then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know?

What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildly, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps, who were Mark, Luke, Matthew and even John? What connection has Joseph of Arimathaea got with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial?

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is the curse lifted because of the virgin birth or the lineage switch. Did it? Answer NO. Christendom's answers on this are wrong. What about the genealogy of Luke and Matthew why two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up!

Who were the Hebrews, what is the West in Hosea 11:10?

Hos 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations.

This book will give you new insights and the rich history of Yahushua.
