

Understanding the two Houses of Y'sra'el and who are the Gentiles? By Rabbi Simon Altaf

Terms:

Yahushua – The true name for Jesus which many in the Western world need to learn.

Torah – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians) – Since Torah is instruction in Rabbinic understanding it can encompass all the books up to Malachi. Note the Renewed Covenant writings are a testimony of the Messiah written by the Netzarim

Tanach (Scriptures from Genesis to Malachi)

Septuagint (Greek translation of the Tanach done in 275 BC)

YHWH - The four letters of the sacred name of Elohim.

AFNHSS - Abrahamic-faith Netzarim Hebraic Study Scripture used for reference unless stated

It is widely though incorrectly accepted that the House of Judah has returned to the land of Israel and many Messianics confuse the House of Judah's return with the House of Ephraim yet we find that the complete return of the House of Judah and even the House of Ephraim has not happened at all and is yet future.

Will the real Ephraim please stand up?

It is true that when we start to uncover the truth we will be dealing with highly controversial materials and even some things taboo and many people will be shaken at the core of their belief systems when they are found not to be aligned with the deep mysteries of the scripture of the Hebrews.

Any servant of the most High is to speak the truth in love and rebuke gently and shake the ground and not back track. The prophets of Israel did not shy away from revealing truth but were generally criticized for being too truthful. I want to challenge the traditional held views and to show you what is widely believed is not always the absolute truth and needs correcting. We must think outside the box.

Let us examine the prophecy in Hoshea to see if this sheds some light on this subject.

Hos 11:10 (KJV) They shall walk after the LORD: he shall roar like a lion: when he shall roar, then the children shall **tremble from the west.**

When the two House adherents look at this prophecy this is the one they will look at and they immediately come to the conclusion that the ten tribes are going to return from the Western lands. There are many problems with this view first people do not return from rich and prosperous lands to a land not so prosperous and fraught with wars for no reason so in order to fit this theory then they have to artificially make America and Europe bankrupt financially to make their hypothesis fit only because they espouse a return based on lack of finances or a better fit in their eyes is to show that anti-Semitism will increase so that people can return out of fear. However the real factors of the return are neither anti-Semitism nor bankruptcy of these lands but solely the hand of YHWH and His appointed time to take Y'sra'el home.

From the verse of Hoshea I quoted above they have also failed to take in the full context of this verse because they did not read the next verse which it relates to which actually sheds further light.

Hoshea 11:11 (AFNHSS) They shall **tremble as a bird out of Mitzrayim** (Egypt), and as a **dove out of the land of Assyria**: and I will place them in their houses, says אֲנִי אֲנִי.

This verse continues from verse 10 so one can see that if the sons of Israel or the ten tribes come back from the Western lands such as America and England then why is YHWH calling them out of Egypt? Do you see the problem? America is not in Assyria and neither is Europe in Egypt or the Middle-East. This is a key piece of evidence that the adherents of this prophecy have completely missed. Furthermore, if the Y'sraelites are returning out of these lands than another problem is evident that these lands have a larger population of Muslims which hints at a certain population of the Muslims being from the stock of Y'sra'el.

It is particularly noteworthy that some of the Ephramites but not all traveled West from the East (Y'sra'el) and then spread in the Western hemisphere nations such as the UK, Europe and US, Australia and New Zealand etc but this has nothing to do with British Israel or that all of the US is Manasheh, which cannot be concluded from Scripture or history unless you want to call the US the Assyrian Empire and it is certain that a few errant teachers are teaching these kinds of theories today while the majority of Y'sraelites are still in the Eastern hemisphere and from Y'sra'el's vantage point West is Africa furthest West is America. Yes they would have ended up in America also because of the Atlantic slave trade. Some may have travelled there earlier hence how the red Indians ended up in the Americas.

So if the US is definitely not the Assyrian Empire which was domiciled in the Middle-East then we start getting the bigger picture, which is that Ephraim is largely domiciled in the Muslim lands also African/Asian lands. How do we know this? Hoshea is not the only prophet giving us this information but there are other prophets too which are important witnesses. They are domiciled in nations in and around the middle-east including east and West Africa. Neither white America or White Britain is or can be called the lost tribes. However any white person can join unto the Renewed Covenant of YHWH and be fully part of the spiritual and one day physical restored nation of Y'sra'el.

Will the real sons of Tsiyon please stand up?

The sons of Tsiyon...

Lam 4:2 (AFNHSS) The precious sons of Tsiyon, comparable to fine gold ...

Lam 4:8 (AFNHSS) Their visage is **blacker than a coal**...

They are black like a coal so what color is a coal?

If your answer to the coal is black then where should we be looking for the sons of Y'sra'el? Not in Europe and certainly not in the US although some have migrated there no doubt. Do you see a nation of fair Caucasians around the Middle-East? Were the Assyrians or Egyptians Caucasians?

This makes crucial the identity and the color or ethnicity of ancient Y'sra'el?

Does this mean Caucasians are not Jews or the sons of Tsiyon? Not at all because of earlier exile and migrations with some mixing had already occurred but the number of Caucasians to qualify for the sons of tsiyon however is in small numbers. We are looking at the majority not the minority. King Dawud was ruddy which means of mahogany or red-black complexion and the son (King Solomon) he produced with Bathsheba was jet black. The Hebrew word for red which is used in the Bible is Admonee (Strong's H132) while it correctly means mahogany or red-black coloured and not just red. Y'sra'el's people were Nilotic and not Caucasian Europeans so their ethnic make up will reflect ancient people of that region.

People automatically assume that they were white ignorantly drawing pictures of Yahushua with the wrong image and making all the Patriarchs white is just symptomatic of widespread ignorance in the so called Christian or whatever you want to call yourself.

The Hebrew word used for white in the Torah is also used for the name of a man called Laban, which tells us something important that he was an albino and he was the brother of Rebecca while noting that he was an African and two the same word is used furthermore the word is also used for white spots of leprosy.

Leviticus 13:4 If the bright spot be white (Laban) in the skin of his flesh,

Haven't we been judged by white Caucasian nations who have crushed our people continually by aggression in various ways, the British ruled many nations and now American Governments ruling by the sword yet claim to be the policeman of the world. Who gave America the right to attack Libya a nation with a leader that was supported and propped by the West since the last forty two years So a few thugs supported by the West which they have themselves branded as terrorists are now being helped to bring down Gaddafi's government that was put in place by the same people. Gaddafi may be many things but he has done more for his North African people then all the western governments have done for their suffering people. They have increased the suffering of their own people by taxing them to the hilt while the rich get richer and the poor poorer.

The middle-classes are made to pay for the errors of those in high finance banking. The wives of rich in Wall Street get bailout handouts of over two hundred million dollars to make more money for nothing while people in various States of the US struggle to barely make their mortgage payment or even become homeless. The pensioners pensions are dried up due to no fault of their own, the medical staff are being cut, jobs are going faster than one can imagine. Its unbelievable state created by thaks to the rich white folks who are bringing our age to a close.

The western nation leaders relish on unrighteous mammon and have really nothing to do with God or His set-apart ways.

Read about the filthy dealings of the rich wives here.

This tells us clearly the colour of judgment in scripture was white and has not changed. We also note that in African culture they often painted their faces with white paint to depict evil spirits. The Caucasian races like it or not have played that part very well.

We know there are exceptions to what they looked like as some Chinese Yahudi are the sons of tsiyon. While many forget there was large scale conversions to Judaism in Russia, Yemen the Himyarite kingdom and the Hellenist Diaspora indeed a man or woman can convert into Judaism and become a proselyte can call themselves a Jew and still be fully counted but it does not mean that they have to be biological Hebrews to start with to be a Jew. Whether you convert or not a true Hebrew is one who obeys YHWH's Torah and not one who rushes to the conversion pool to get his/her mikvah so they can get permanent stay in the land of Y'sra'el today.

This is not about black or white supremacy but scriptural facts and facts alone will dictate who Y'sra'el was and is. Those that complain that biology has nothing to do with it are what I term the ignorant playing hide and seek. Now you see it and now you don't. If biology has no part then why would YHWH call back the scattered. I am living proof that biology absolutely matters because it shows our forefathers stood at Mount Sinai and received the covenants so it matters otherwise the following verse is meaningless.

Debarim 29:14-15 Neither with you only do I make this covenant and this oath;
15 But with him that stands here with us this day before אֱלֹהֵינוּ our Elohim, and also with him that is not here with us this day:¹

If we set aside colours and note that the only people who have been brutally suppressed and even kept as slaves to this day were the black people. There is still black slavery in Sudan, Lebanon and Saudi Arabia to name a few nations. Slavery is kept secret and ignored by the rich in the West because of trade ties. How many Pakistani, Bangladeshi and Indian children are right now abused in the Gulf states is a fact known by some but ignored. These young kids are used for horse racing another unrighteous business for the devil to suppress these poor children whose parents send them off thinking they will earn money for them and yet they are kept slaves and many are sold by thugs in those nations to earn money.

Its also quite clear that in Europe many Caucasian Yahudim have carried the mantle of the Torah hence one cannot deny them their heritage but these are a minority and we do not chase the sons of the house of Ephraim in minorities considering these are aligned with the House of Judah while the others are aligned with the House of Ephraim (Ten tribes who are predominantly pagans). In order to find their way back they must go back to Torah. There is no separate kingdom for them that is an error.

Note in the conversions that took place it was the Caucasian Yahudim who have helped convert others like Russians, Yemenites and Greek Hellenists. Since the large scale ten tribes were in exile already at that time and were non-Jewish so our concern is more with the scattered ten tribes not lost but just scattered. How could the Yahudim convert anyone if they were mostly in slavery themselves which means they have to be

¹ This is the Renewed Covenant with all present and future believers. The Covenant is not finished but is in three stages. This was the first stage. We had the second stage of the sacrifice completed when Yahushua laid down His life (John 10:15) but there is another stage not yet complete which will complete when Yahushua returns.

free in order to do this and have the resources to do the conversions which indeed Judah did have. We know the longest slavery that continued was of the black people and no other race. Even today many look down on the black races, why? This is because the curses of YHWH were put upon them because they were Y'sra'el and walked away from the covenants so it is these that YHWH has to restore back. They are blacks of all shade, brown, light brown, dark, dark brown and jet black. Many people confuse the sons of Ham with Y'sra'el but we must not forget that there were cross marriages between the sons and daughters of Ham and Shem so they did get mixed. Abraham was a product of this mixture so what colour would he be?

Think about it if you have built a picture of Musa and King Solomon as two Caucasian men and then when the real ones turn up and are black in complexion what shock does that give you? It would be criminal of me if I did not tell you this truth and so I make my business by telling you exactly what YHWH has said and revealed to me through scripture and history which cannot be denied. Abraham my forefather was married to at least three black women, Sarah, Hagar and Keturah two being princesses while most make it appear that these were Caucasians the reality is they were not and I challenge anyone to prove it and I don't care how knowledgeable you are. I even will concede that Abraham had a fourth wife now you go and find out who are stuck to the one wife theory.

What about when Rabbi Paulos turns up in the resurrection and it turns out he was a negro? Will you be shocked or delighted to see him? In my case I would be delighted to see the man.

Acts 21:38 Then you are not that Egyptian, who started a rebellion, and led out into the wilderness four thousand men that were assassins?

So what colour was rabbi Paulos? Contrary to popular error Egyptians were Kemetic black people.

When we examine the southern two tribes of Y'sra'el we note mixing in these and many were of darker origin to start with but later mixed to incorporate other colours of the nations.

A 10th century author states "All of the Khazars are Jews. But they have been Judaized recently." - Ibn al-Faqih,

"One of the Jews undertook the conversion of the Khazars, who are composed of many peoples, and they were converted by him and joined his religion. This happened recently in the days of the Abbasids.... For this was a man who came single-handedly to a king of great rank and to a very spirited people, and they were converted by him without any recourse to violence and the sword. And they took upon themselves the difficult obligations enjoined by the law of the Torah, such as circumcision, the ritual ablutions, washing after a discharge of the semen, the prohibition of work on the Sabbath and during the feasts, the prohibition of eating the flesh of forbidden animals according to this religion, and so on." - Abd al-Jabbar ibn Muhammad al-Hamdani, in his early 11th century work *The Establishment of Proofs for the Prophethood of Our Master Muhammad*

We can see a mixing of races started to happen when Y'sra'el was dispersed.

This may be a shocking picture for you but this is actually the true picture as we see that the ancient Assyrian Empire ruled lands that today are all occupied by the majority Islamic people and another important region that contains a lot of the sons of Y'sra'el is the African continent. This is why we find the Lemba in Zimbabwe and the Igbu (Pronounced ebo or Hebrews) in Nigeria who are purely Y'sra'el stock and blood.

This also proves that when a Muslim comes to faith why he will immediately go back to the Torah without any hesitance while the Western Christians are not really happy to be Torah obedient because they are a product of Greco/Roman culture and are not really Hebrews biologically as many think. Just because the Church of God or some others claimed British Israelism it does not make it true no matter how many times they show these in Christian channels. These poor buggers just have an identity crisis. Why would you worry if you can join Y'sra'el no matter what your skin colour and to join it would mean submit to YHWH and obey His Torah and not Christianity.

The white races have the least mixture of Y'sraelites blood if you want to call yourself biological mix.

In fact the ancient Hebrews saw the white races that lived around the Mediterranean as unclean people. One factor today can easily discern many Hebrews and that is polygamy which was a common custom amongst our Hebrew people. This custom is hated amongst the western Caucasians and they run a mile when they hear polygamy, this is enough to show us they do not belong with us because what YHWH called set-apart we will never call evil. Have you ever wondered why they run? This is because there is not an ounce of Hebrew blood in them. People who belonged to the real stock of Y'sra'el had two things in common, Polygamy and lots of children. We see neither of these patterns in the Caucasian races but we do find them in the Eastern races which once again explains where Y'sra'el was dispersed. The Caucasian white races are happy with their paganism of Greece of a wife and a homosexual partner, of having one wife and secret mistresses. This shows the satanic lifestyle. The picture that many gentile Christians love to put of the so called western 'Jesus' is of a man called Borgia who was the son of Pope Alexander who beget him through an illicit relationship hidden from the rest. If you have this picture in your home its time you throw it out and stop desecrating the commandments.

We can ascertain that some Western Christians may have biological lineage to Y'sra'el by mixing but why would you worry if you join the covenant of Y'sra'el then be fully counted but not by being a half way house but believing all the Torah and not pick and choose as is habit in many today including the messy messianics and so called Torah fans who reject Torah precepts is laughable?

We know that the majority Westerners definitely have no biological ink whatsoever with Y'sra'el and people who rely on this kind of love affair should give this up as scripture does not support them. However if they wanted to be counted as Y'sraelites by conversion to the Messiah Yahushua then yes you are welcome and there is no problem there because this is one hundred percent bona fide counted as true Yisraelites without any blood ties.

The other big problem Christendom has is with leadership as they do not want to be under any authority structure but rather everyman is his own boss attitude which is contrary to scripture prevalent in the West. Scripture has the structure of the Patriarchs

and everyone else below them how they fit in but the world has a hierarchical structure contrary to scripture.

We know that there are Caucasian Yahudim but historically when were the Caucasians ever slaves in the past? Did you see a white slave in a white home in the 12th, 13th, 14th or even 15th century? If not then this indicates that the only people that were solely in slavery and for thousands of years were the black people and they were put down and even today in many areas black people are not thought of as good. There is a racial stereotyping that exists in various cultures where a black person is considered less intelligent and more into the ills of society. Also note many ill advised people think slavery is now finished but do not realize there are still black and other slaves in Arab lands which are openly bought and sold in underground slave markets in Sudan, Lebanon and other middle-eastern countries.

Debarim 28:32 (AFNHSS) Your sons and your daughters shall be given unto another people, and your eyes shall look, and fail with longing for them all the day long: and there shall be no might in your hand.

Historically speaking the **black people** lost their sons and daughters who were captured as slaves and taken away from their lands. The whole episode started with the large clans in Y'sra'el due to their disobedience known as the Northern ten tribes. So many Messianics who are totally if not partially ignorant to history and scripture come up with incorrect theories of the ten tribes returning. Let's see if YHWH says this is the case.

Ezekiel 37:12, 21 (AFNHSS) **12** Therefore prophesy and say to them, Thus says the Master אֲנִי אֲנִי; Behold, O my people, **I will open your graves**, and cause you to come up out of your graves, and bring you into the land of Yah'sar'el (Israel).

21 And say to them, Thus says the Master אֲנִי אֲנִי; Behold, I will take the children of Y'sra'el **from among the gentiles**, where they be gone, and will gather them on from every side, and bring them into their own land:

Has this happened yet? Many would like to think so but this is still yet future and is nothing to do with born again syndrome of the Christians. When did YHWH raise the skeletons of the dead Y'sraelites from the graves and take them back home? Never!!! So how could we say this is present day Israel? It cannot be because all these people are dead and will be literally raised to make them return home. In fact they are not dead in Israel but their dead carcasses lie in graves in gentile nations.

Here is another shocker for people of colour.

First witness

Miriam the sister of Moses

Bmidbar (Num) 12:10 And the cloud departed from off the tabernacle; and, behold, Miriam became leprous, **white as snow**: and Aharon looked upon Miriam, and, behold, she was leprous.

Note Miriam Moses's sister became white as snow upon her punishment. This clearly shows that Miriam was not Caucasian to start with, in which case when she became white as snow this shows the colour of the plague. Assuming Miriam was a middle-eastern colour which possibly could be light or dark black then what about Moses her brother? They were both black because we have proof of their black ancestors. They looked like Egyptians and the true Egyptians even today are not white.

Short evidence for Musa to be considered dark skinned

Second witness

Shemoth 4:6 Furthermore אַחֲרָיִם said to him, Now put your hand in your bosom. And he put his hand in his bosom: and when he took it out, behold, his hand was leprous, like snow.

What color is snow? Does that show that Moses was another color perhaps other than what is depicted in the movie The Ten Commandments? Popular stereotypes are often wrong.

When Moses saved Zipporah and her sisters from the shepherds (Exo 2:17) who did she say saved them from the shepherds?

Third witness

Shemoth 2:19 And they said, **A Mitzri (Egyptian)** delivered us from the hand of the shepherds, and he also drew enough mayim (water) for us, and watered the flock.

They said an Egyptian delivered us? Did Moses show his passport and nationality or was it from his appearance that the girls concluded that he was an Egyptian?

Did Zipporah conduct an interview of Moses? If not then we can conclude based on this evidence alone that people knew **the skin colour of the Egyptians was dark**. So what colour were the Egyptians? As a South-Easterner I can tell you instantly when I see a South-Indian or a North-Indian man or woman because I can recognize them from the shading of the skin colour and I can even tell you when I see a Sri Lankan so likewise Zipporah was not incorrect in her assumption to place him from Egypt though He was Hebrew of course, just as Hebrews live in Pakistan so they lived in Egypt. India is one of the few distant Eastern countries mentioned in Scripture which whom Hebrews traded.

Can we verify that there was mixing later? Yes. So what would the mixing produce? People of all shades. The colour white is not the original colour of the Hebrews but white people did come out of this mix no doubt later after the exile as the tribes mingled and married into other tribes and cultures. Even today many African Americans marry white people and produce mix offspring.

Fourth witness

Beresheeth 42:8 So Yosef recognized his brothers, **but they did not recognize him**.

Do you see that Yosef's brothers did not recognize Yosef and thought he was an **Egyptian** so what color was Yosef? Now answer the question again what colour were Egyptians? Clearly, Yosef not only had their colour but also looked like them. He was BLACK.

Now one final piece of evidence before I move forward. King Solomon the wisest man of the East was the product of the union between King Dawud and Bathsheba. The Hebrew term Bat-Sheba means the daughter of Sheba. Let us examine this a little more who was Sheba to identify Bat-Sheba.

Beresheeth (Gen) 10:7 (AFNHSS) The sons of Cush were; Sheba, Chavilah, Sabtah, Raamah, and Sabtechah; and the sons of Raamah were Sheba and Dedan.

The Sheba mentioned in Genesis is the son of Cush. What colour are the Cushan people from Sudan? The Cushite people lived and still live in Sudan in upper and lower Nubian regions even today and I have shown you that Bathsheba King David's wife was an ancestor of these people. Therefore now ask yourself what colour was the wisest man of the East King Solomon? Can we really put down black people as unintelligent? Well history and the scriptures show that the wisest man to live was of very dark skin in fact black as black can be or black as coal because he was also the son of Tsiyon and note the clear Hebrew trait in him many wives. Only white ignorance folks cite the many wives as bad for King Solomon when in fact it was not the wives but King Solomon's own heart and attitude that became weak towards his old age which caused him to depart by listening to and allowing his wives freedom and liberalism. Look what freedom and liberalism have done to our nations and our children. Freedom and liberalism often means I can do what I want don't tell me what to do while YHWH wants us to submit to His theocratic rule but most of you are happy to be liberal and free and remain godless. Why was King Dawud's heart not weak with eighteen wives? He was after YHWH's own heart that should teach us something. It's not the wives but us who can allow our hearts to become hard towards Elohim.

Evidence from the Renewed Covenant

Act 21:38 **Then you are not that Egyptian**, who started a rebellion, and led out into the wilderness four thousand men that were assassins?

What colour are Italians? The Roman officer asks Rabbi Paulos and thinks he is an Egyptian.

Rabbi Paulos is mistaken for an Egyptian 2000 years ago so what colour were the ancient Egyptians and what colour were they? Let me give you an answer that the historians suggest. **The ancient Greek historians such as Herodotus, Diodorus Siculus, and even Aristotle have written that the ancient Egyptian people were black-skinned. This may put us a step closer to identifying the real lost tribes.**

The million dollar question then remains is if these people were not Caucasian/white as many were led to believe and let us assume they were black-skinned according to ancient historians near the time meaning all shades of black and even brown then **where should we be looking for the true Y'sraelites or the ten tribes?** Should we look in **Europe, America or the Islamic and African lands?**

The logical place exactly as YHWH tells us is the Middle-East and surrounding nations such as the Asian and African continent which is the largest place of their domicile even today. Now the verse below should make perfect sense! Most people are identifying the wrong people with Ephraim that is their problem. They have what I can only term an identity crisis. Most migrations happened in these directions and a few to Western Europe.

Is it any wonder YHWH calls his dispersed ones from Africa?

Zep 3:10 From beyond the rivers of Cush (Sudan, Ethiopia, upper and lower Nubia) my worshippers, even the **daughter of my dispersed**, shall bring my offering.

By the way scripture can refer to a wife as daughter also so the wife of YHWH that was cast out and divorced was the House of Israel, the ten tribes which here He calls “The daughter of my dispersed” perfectly legible Hebrew term. Even Today Africans use the term daughter interchangeably for a wife.

Now answer the question who retained the Hebrew culture Western Europe, America or Africa/Asia and the Middle-East? The answer stares you in the face but will you let your heart listen to the truth or become stubborn as many others.

The prophet Zephaniah is our proof that the ten tribe members were headed into Africa because the book of Zephaniah is written around 640 BC and at this time historically Judah had not dispersed but Ephraim had so where did they go to? We are told that they were taken into Assyria but they also dispersed into the African states because the epicenter of all these states was Egypt and that was the connection to all of Africa so you could say Egypt was the heart and soul of Africa which was under the Assyrian tutelage. The next most mentioned place in the Bible is Cush which is Sudan right next to Egypt where you will find the Nubian people. Therefore the rivers that this prophecy in Zephaniah speaks about are beyond the Nile deep into the African regions south/west of Y’sra’el. How do we know this? Let us get our second witness from Isaiah 18.

Yeshayahu 18:1 Woe to the land shadowing with wings, which is beyond the rivers of Cush (Sudan, Ethiopia, Nubia): **2** That sends ambassadors by the sea, even in vessels of bulrushes upon the waters, saying, Go, you swift messengers, to a nation tall and smooth skinned, to a people terrible from their beginning onward; a **nation mighty and subjugating others, whose land the rivers divide!**

Do you see our connection with the Assyrian Empire with Africa? People mistake this for America while it has nothing to do with them but YHWH is actually asking messengers from deep in Africa to go up to **the two rivers both the Tigris and Euphrates** so the nation its speaking about that who subdued other nations just before Isaiah was writing was not Babylon but **the Assyrian Empire**. Now you may ask why it cannot be Nebuchadnezzar’s Empire instead. This is simple because Isaiah was warning Judah to repent and they had not dispersed yet and hence Jerusalem was still intact while it was Isaiah who himself tells us the character of this nation in verse 5. Isaiah was writing around 740 BC and it was around 745 BC that Tiglath-pileser III of

Assyria began his reign. Note the ten tribes had not dispersed in 740 BC, the dispersal actually came twenty years later.

Yeshayahu 18:5 For afore the harvest, when the bud is perfect, and the sour grape is ripening in the flower, **he shall both cut off the sprigs with pruning hooks**, and take away and **cut down the branches**.

This prophecy **he shall both cut off the sprigs with pruning hooks** and take away the branches was all about YHWH's judgment on his people who were cut down and taken away by a foreign nation that was Assyria. The vine in this passage is Israel and the branches are the people of Israel, this is not just talking about one or two grapes but whole clusters of grapes that were cut down which were going to be matured. The king of Assyria came cut them down and took them away. He indeed will come a second time in the future but this time the results will be different. So the prophecy is double for both past and future. How do we know that it was Assyria because the pattern was for them to conquer a nation and take away the inhabitants of that region and disperse them in other areas so that a rebellion could not form against them and they would place their own people in the conquered land such as Y'sra'el. This indeed happened and is how we end up with the hybrid Samaritan people in Y'sra'el.

We can pin it down further to the Assyrian Empire because the prophet Zephaniah spoke about the same people in verse 10 and when Zephaniah wrote this it was around the year 640 BC and this is the active time of the Assyrian Empire and it was not until 605 BC before Nebuchadnezzar would rise up for the Babylonian Empire where Judah was taken as slaves.

This proves that many people in the African regions today such as Zimbabwe, Rwanda, Nigeria, Republic of Congo, South Africa and others are Hebrew people by origin and biology, one day soon they will also get to know who they are and worship YHWH the true Elohim. Many ancient Hebrews were black and or darker skinned people as illustrated earlier. The word Mitzraim for Egypt in the ancient text described a land of black people enclosed and they were known as the Kemetic people the word from Ham. Note also that there are Y'sraelites in Haiti, Mexico, Caribbean, Latin American countries due to migration patterns.

Hoshea 11:11 They shall **tremble as a bird out of Mitzrayim** (Egypt), and as a **dove out of the land of Assyria**...

Anyone who dares look into history can verify that modern Christian practices are not in line with Hebrew practices. This proves further that Christianity as we see it today was corrupted by Roman influences and practices late in the first and second century onwards is not the true faith of our Fathers.

What do people call a son that rejects his father as his father? The Hebrew word appropriate is mumzair which is a modern swearing word used for an illegitimate son. Christianity rejects Judaism from where it arose so therefore it can no longer be considered part of the faith of Y'sra'el unless it goes back to the same practices. The Y'sraelites did not worship nor bowed before statutes because when it did occur by idolatrous Y'sraelites it was always considered profane and punished by Elohim as such. The same punishment would be meted out to Christendom because its time of grace has run out unless they repent and return. YHWH has already brought a foreign nation into

Western nations the radical Islamists who are willing to change the map of Europe because the Christians refuse to listen to YHWH's voice. If there is no repentance in the House of YHWH then the radical Islamists who are already being used as instrument of the divine judgment both in the idolatrous west and east will push further than at any time before until the European cry out for repentance. The idolatrous Europeans who do not listen will go and be cut off.

Now we may begin to grasp why the true Y'sraelites have still not returned to the land. The majority of YHWH's people will come out of the Islamic and African lands in the future and they will be very middle-eastern looking and all shades of black and brown. If we examine Afghanistan alone then we know out of the twenty million people there majority of which are blood line Judah and are actually Y'sraelites but today living as Muslims. We have the prophecy of Isaiah 54 to back this truth. Now how does it feel to know that Rabbi Paulos was not the Caucasian you find in book covers but more likely an Egyptian looking man of Negro colour? Can you imagine the shock and horror on the faces of most Christians? I can already see it.

Isaiah 54:1 Sing, O barren, you that did not bear; break forth into singing, and cry aloud, you that did not travail with child: for **more are the children of the desolate than the children of the married wife**, says אַיָּז.

It says "more are the children of the desolate than the married wife". The question then must be who is the desolate and who is the married wife?

Judah is the married wife and the one that is desolate or the second wife of YHWH is Ephraim (polygamy not monogamy) which apparently has more children literally. Today the Western world through monogamy a pattern they established from the Greco/Roman world they restrict themselves to a few children so this shows it cannot be the present day Christians since they are stuck with one or two children with this view. On the other hand Judah imposed a self imposed ban on polygamy so went into having monogamous marriages only which is one of the Torah patterns. We find the groups such as the latter day saints (Mormons) followed the laws of polygamy to certain or lesser degree and were shunned by the local society. This is clearly an established pattern of scripture but the only trouble is they did not do the other precepts of scripture and only made this a point of practice to attain heaven. In fact their founder Joseph Smith was killed by the people around him for hatred and jealousy. This should explain why Judah went into self imposed monogamy to avoid hatred of the Europeans including from Christians who did not follow the Hebrew Scriptures to the letter but the invented creeds and religion of the Roman Emperor Constantine.

Judah went into what is termed self imposed ban. The edict was set by Rabbi Gershom ben Judah to have one wife to protect the Yahudim from European bigotry and hatred and so we can see that she (Judah) was not going to be able to have many children with this style of living clearly marked in the prophecy of Isaiah 54 while this is not true for Ephraim who would not follow any man-made ban. Even today the tribe of Lemba in Zimbabwe practices both polygamy and monogamy. The Igbo (pronounced ebo) people of Nigeria which are the tribe of Gawd practice both polygamy and monogamy. The zooloos which have many Y'sraelites among them with Jacob Zuma the president of South Africa practices polygamy, he is from the Zooloos. Note the African continent is covered with many Y'sraelites. The Western races do also have Y'sraelites due to mixing but they are few in number. This is how black Y'sraelites through the

slave trade ended up in America and Europe and then became believers. Notice why? They are heading back home soon but this was indeed the first step of their re-awakening by finding their Messiah.

However the only other people in the world to accept polygamy in large scale today are the Islamic lands though they also practice monogamy as well but in either marriages Muslims will have at least 6 to 20 children each which proves the prophecy only fits with the Islamic lands and African lands because that is what Hoshea was telling us and Isaiah backs this up. You may well ask what about the fact that it says Ephraim will come out of the West and are not the Islamic lands in the East? We must look from Israel's vantage point not where we are living in the West.

Hoshea 11:10 They shall walk after ~~אֲנִי~~: he shall roar like a lion: when he shall roar, then the sons shall come **trembling from the sea**.

We have to find west from Y'sra'el's vantage point. The Hebrew word Yam for Sea where Y'sra'el was dispersed beyond the sea. If Ephraim is literally west of Israel even then it does not contradict across the seas because if you look below in the picture of the map West of Israel is the African and Islamic countries which ties in with what I have said earlier. We look from Y'sra'el and what is important prophetically from an End-Times perspective that the five nations that are listed below which are prophetically important are Egypt, Libya, Tunisia, Algeria and Morocco.

How many are Islamic? All of them, they are part of the end time enemies of Y'sra'el.

It is still not the United States or Europe even if the historians claim Dan is the Danish and the US is Manasheh I am afraid you will have to put those details on the back burner because right now what I am saying versus what they are saying can be tested against the prophet Isaiah, Jeremiah including Ezekiel. Time is proving and will further prove that I am correct and Christianities teaches or whatever other teachers are ill prepared and wrong. In Africa Nigeria has a sizeable population of Hebrews alongside South Africa and other African nations in fact even the Ark of Noah landed in Africa and not Europe as claimed. The largest species of animals are in Africa and not Turkey once again connecting our Patriarchs to their ancestors in Africa. If you purchase the AF Study bible these facts can be learnt through there available for purchase from www.abrahamic-faith.com.

Now please ask the question is the people of Netherland a Muslim land? No. Is American Muslim? No. Is England Muslim? No.

For those who do not know the geography of Y'sra'el need to understand that if we used the scriptural definition West here then it takes us into the African Continent in which we cross the sea and we end up in greater Africa with many Islamic lands and Isaiah has already clarified some of these lands so there is no contradiction. Also note we find Portugal and Spain west which also has a large contingency of Y'sraelites namely Judah. What many do not know is that many rich Y'sra'elites crosses into Africa long before they were exiled to protect themselves. Then later they were taken by the exile also so what actually happened is YHWH established believers there already ahead for those who broke Torah to learn it from the ones who had gone into not only Africa but also Babylon (Iraq).

This is why the prophecy makes perfect sense in Hoshea verse 11 which talks about Egypt. Why Egypt?

The first Exodus happened out of Egypt so the second Exodus must also and has to involve Egypt in some way for the children of Israel to be removed from there twice as everything almost happens twice.

The Two's.

Yahushua's two comings, Moses two ascensions, the two giving of the Torah's, the two Temples, The two Menorahs, the Two crossings of Y'sra'el upon water, the two entries into the land of Y'sra'el and **the two Exodus's** also. We note a thematic pattern of two's in scripture can we really deny it? We cannot continue to ignore the African nations as insignificant and irrelevant. Unfortunately they were only backward because of their disobedience to YHWH but now that the times of punishment are over they have a chance to prove themselves and excel in the world.

Ezek 37:21 And say to them, Thus says the Master יהוה ; Behold, I will take the children of Y'sra'el from among the gentiles, where they be gone, and will gather them on from every side, and bring them into their own land:

Note most of these people had died in gentile lands. YHWH will do the resurrecting first mentioned in Ezek 37:12 and then they will start marching back to home to the land of Y'sra'el. This means resurrection comes first for those that would have died at the arrival of the Messiah and then comes the return. Many Yahudim who have returned today and live in a secular non-Torah government which actually is against the law of YHWH and oaths which our forefathers took not to return in large numbers and take the land of Y'sra'el by force or go to wars with gentile nations. Y'sra'el has so far gone to war six times with gentile nations (radical Islam) and this was against the oaths but since

² <http://maps.google.co.uk/maps>

Y'sra'el broke the oaths then they have to fight to keep themselves alive and many will die...

YHWH's covenant with us is a two way covenant. The Yahudim were not promised the land for their genetic makeup or special bloodline a fact unfortunately ignored by many. The land was promised to Abraham as an everlasting possession but the promise attached a condition that required Y'sra'el to be Torah obedient in order to retain the land. Whenever Y'sra'el broke the Torah then YHWH threw them out of the land. The land will spew out the people who are rebellious to the Torah of the holy One of Y'sra'el.

Vayikra 18:28 Do not make the land vomit you out also, when you defile it, as it did the nations that were before you.

This is why gentiles can convert into Judaism by taking the oath to renounce all idolatries and obey the Torah. This should explain why we are still in exile today. We have to repent and then wait for the Messiah to come back to take us home. We are forbidden to take the land by force or to go to wars with the gentile nations yet this is completely ignored. How many teachers are teaching this? None except me. This should be a telling sign of how many outside understand this truth.

These oaths can be referenced in the Talmud Kesubos 111a.

According to Rabbi Teitelbaum, out of the three oaths the second oath is relevant concerning the subsequent wars fought between Y'sra'el and the Arab nations. He viewed the political Zionist State of Israel as a form of "impatience" and in keeping with the Talmud's warnings that being impatient for Adonai's love has led to much "grave danger". The Hasidism Rabbis know that the constant wars in Y'sra'el are a fulfillment of ignoring this oath. I would second this that ignoring the oath and trying to do your own redemption is tantamount to usurping the authority of YHWH and has causes a curse instead of a blessing.

³Rabbi Judah ha Nasi sent two rabbis on a tour of inspection to the city and this is what was conveyed.

In one town they asked to see the "guardians of the city" and the city guard was paraded before them. They said that these were not the guardians of the city but its destroyers, which prompted the citizens to ask who, then, could be considered the guardians. The rabbis answered, "The scribes and the scholars," referring them to Tehillim (Psalms) Chapter 127.⁴

Who are the scribes and the scholars? YHWH will raise them in every generation, you are reading one now.

We are moving towards the redemption of the whole of Y'sra'el but there is much work to be done amongst ourselves to organize and to prepare for the future. Scripture tells us the following:

³ http://en.wikipedia.org/wiki/Neturei_Karta#cite_note-whatnk-2

⁴ What is the Neturei Karta? (NKUSA) Accessed: December 24, 2006

Yirmeyah 50:5 They shall **ask the way to Tsiyon** with their faces toward it, saying, Come, and let us join ourselves to אֲנִי אֶזְרָא

In other words they will ask the **halacha (Torah) of Tsiyon**. They will turn their heads and then agree to walk in that halacha where they live and then their redemption will take them to Y'sra'el. No pre-tribulation rapture and no fanfare.

Yirmeyah 50:4 In those days, and in that time, says אֲנִי אֶזְרָא, the children of Y'sra'el shall come, they and the children of Yahudah together, going and weeping: they shall go, and seek אֲנִי אֶזְרָא their Elohim.

Why would they be weeping and coming together if Judah is already in the land of Y'sra'el? This is because those that will be alive will realize they were **into pagan idolatry such as Christianity** and other religions. At this time they will say goodbye to all these idolatries and then will go back home by the hands of YHWH because many children of Yahudah are still outside the land.

Note now (in future) Ephraim is walking together with Yahudah but before this they had refused to walk with Yahudah this is because at this time they agree with the rulings and the laws of the Torah which were enacted by Yahudah with which they had vehemently disagreed earlier such as the oral Torah.

Now that we know Ephraim then who are the gentiles?

Well right now we know that even Ephraim fits into the category of gentiles but when we remove Ephraim then it is fairly straight forward to know the gentiles.

The bible itself describes the people as gentiles such as Muslims they are gentiles and not Y'sraelites.

Zecar'yah 14:14 And Yahudah also shall fight at Yerushalim; and the wealth of **all the nations** round about shall be gathered together, gold, and silver, and apparel, in great abundance.

These are all Islamic countries that are qualified as gentiles but now we know we have the Y'sraelites in their midst but after they are removed the only ones that will be left will be true gentiles who can join Y'sra'el today by choice.

Apart from that if we do not consider the mixing then anyone other than Y'sra'el or who is not from the twelve tribes would be considered a gentile.

The other rule of thumb I would apply is anyone refusing to submit to Adonai's Torah will be called a gentile this includes westerners who refuse our laws on marriage such as polygamy and circumcision.

May the Master YHWH bless you all who choose to follow him.

Shalom Shalom

Beyth Yahushua – Son of Tzadok, Son of Dawud

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John are then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know?

What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildly, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps, who were Mark, Luke, Matthew and even John? What connection has Joseph of Arimathaea got with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial?

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is the curse lifted because of the virgin birth or the lineage switch. Did it? Answer NO. Christendom's answers on this are wrong. What about the genealogy of Luke and Matthew why two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up!

Who were the Hebrews, what is the West in Hosea 11:10?

Hos 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations.

This book will give you new insights and the rich history of Yahushua.
