

In search of the true Hebrew Israelites? By Rabbi Simon Altaf

Created: 11th March 2011

YHWH – The true name of the creator.

Yahushua – The true name for the one the Christians call Jesus though incorrectly and without proper knowledge.

AFNHSS: All quotes from the Abrahamic-Faith Netzarim Study Scriptures.

Many people have fixed in their head that the present day Jews mainly white Caucasians are the true Hebrews therefore anytime you try to show people that the majority of these are not the true Semitic people is met with opposition and even aggression at times. Why such opposition?

Some people have come and asked me questions about the variety of Jews in the world such as the varying Judaism' what really is a true Hebrew and who is not by ancient definition.

There are three main groupings of Jews in the world today as follows:

Middle-Eastern
Ashkenazi
Sephardic

First of all the majority of the Ashkenazi today are not Semitic so anytime anyone says anything against them while Christians will try to defend this "with do not curse the Jews or you will be cursed" without even understanding what they are saying is not true for just anyone claiming to be part of the ancient tribe of Yahudah (Judah).

This is only true for Shem or Shemitic people also the sons of Abraham were Shemitic while many today claim to be the sons of Abraham are Japhetic and not Shemitic.

Why did I just say sons and not son?

This is because the churches largely corrupted theology that Isaac is the only Hebrew and the rest of the sons of Abraham are not is a fallacy which I shall just prove.

Abraham was married to Keturah his wife in the south living in Beersheba in Israel in ancient times and she was the daughter of Joktan who was surprise, surprise the son of Shem. So then by definition would her sons who were black and the leading progenitors of the Arab races be classed as Shemitic or non-Shemitic? Joktan mentioned in Genesis 10:25 is the First real pure Arab and He predates all the birth of Yahudah by 100s of years. He was the first Arab Hebrew because his Daddy was Eber the first Hebrew and Keturah Abraham's wife was his daughter.

Her sons are as follows:

Genesis 25:2 2 And she had birthed him Zimran, Yokshan, Medan, Midian, Ishvak, and Shuah.

These are the real progenitors of the Arab people who inhabited the eastern Arabian peninsula so do the Arabs have the right to be in the land of Israel today or do Europeans claiming to be the sons of Shem while the majority of them are actually the sons of Japheth? Who is the real owner of that land many are fighting over today?

This also means that not any Tom, Dick and Harry in Israel today can just make a claim and own the land what many have done. Another disturbing report came from Israel that they were trying to wipe out the black race of Yahudis living amongst them. These are the hated one's often Ethiopian Yahudim. Please see the video below. This case alleges that a very potent drug is given to the black Jewry to suppress them having children and can at time render the women infertile for months as a birth control.

<http://rt.com/news/ethiopian-women-contraceptive-infertility/>

These black Jews by the way are the real sons of King Solomon from the tribe of Yahudah which are today given birth control medication to the women that can make them sterile and even cause irreparable damage to their bodies while they are not told of the dangers. The interesting thing is that this particular drug is banned in many European states and in Israel this drug is not prescribed to any Caucasian Jew. Now read between the lines. Also I want to make one thing crystal clear so that you do not venture into a wrong understanding. There are Caucasian Jews today who are the sons of Shem. However we have to separate the wheat from the Chaff but that requires another detailed study.

Some brave Caucasian Jews in Israel have blown the cover on the state's use of such medication which is being given without any guidance of its side-effects to the black community. This could be conceived as nothing short of what Hitler was doing with the Jews in the 40s when he also experimented with them through his doctors.

Some of us may see the parallels while others may not.

For all practical purposes and identification the majority Ashkenazi are not the true sons of Shem while there is a minority that is related to Shem. This is because anyone in the Ashkenazi majority honestly trace his lineage would find his Turkish roots. That is correct because the sons of Japheth ended up in Turkey followed by them living in Russia and around Russia where the Khazars converted into Judaism. The 15 CIS states of Russia are all Turkic. Turkic people even can be found in China.

This majority of the formal European Jewry was at one time living near the Caspian sea and were residents of a kingdom called Khazaria in the 8th century.

If you would like to read more about this then you should get the book written by a well known historian of the 20th century called Arthur Koestler who was Jewish who can show you proof by proof the origins of the people who called themselves Ashkenazi today and how this majority came to live in Europe from the break up of the Khazari kingdom near Russia.. These subsequently inhabited Poland (where large Jewish families are from). Also note the original Jews or Yahudim in Europe were massacred and they only numbered in the hundreds and not thousands long before the holocaust. The reason why the later Ashkenazi who took on the identity of the earlier Jews and their religion received similar treatment of pogroms and even the

holocaust is because they identified themselves with the Yahudiot religion called Judaism and practices of Hebrew Israelites.

If you look in Israel today some of these people are so cold with the typical Russian look. As an exercise I encourage you to engage a Russian in conversation, then engage a British and Engage an American. You will find out of these the ones with an indifferent look is the Russian while both the British and American are quite happy to talk about anything till the cows go home. Note also that the Khazari people had many converts who went to Ukraine, Belarus and Kiev. They also help establish the Hungarian script who are also of Khazari origin. They inhabited Poland in large numbers.

So in essence Hitler's holocaust was really directed against East Europeans who he ignorantly thought were the sons of Shem simply because they identified themselves with the faith of our real forefathers. There is no doubt in my mind that some people who were killed by him were the Sephardic Jews who were the sons of Shem and they were lighters skinned or Caucasian. What most do not know is that this was all a conspiracy by the so called Zionists who by the way are not after God or his Torah. They were political and a political movement to acquire land first in Uganda which failed then they managed to secure land in Israel and call it their home. They perpetrated the holocaust and had massive amounts of Jews killed so that they could get sympathy vote. They did not always hide their agenda as you will learn here.

We even know through the annals of history that many of these eastern European Jews could have been saved but were slaughtered because it was expedient as the Zionists knew that the more that die the better it is for them to claim a homeland in Israel since they had previously failed to get a place in Uganda. Hitler had offered to send all the Jews to Spain but no one will ever tell you that so why hide this history?

Because it pays to beat on the same old drum that we are the victims of the holocaust. A good book to read on the victim theology is one of a very good author called Beyond Chutzpah by Norman Finkelstein who is also Jewish. His book the Holocaust Industry is a real eye opener and this man is a history professor and knows his stuff well. He has defeated such Zionists as Alan Dershowitz and has featured on numerous TV interviews that the Zionist media will not want you to see.

<http://www.normanfinkelstein.com/>

I respect this man greatly for his in-depth knowledge of the historical situation in Israel and the two sides of the conflict. I encourage you to listen to him. When he exposed Zionism for the evil that it is then the Zionists lobby had him removed from his university job and accused him of all sorts of wrongs that he did not commit yet this man is Jewish. Even if you are Jewish and you speak against the evils of Zionism they will turn against you and I guarantee you that this has happened to Jews of all people this is simply because the Zionists love money and serve mammon so don't be fooled. I may also call myself Zionist if you may but my Zionism is simply placed with YHWH and not with political Zionists. I do not support any Zionists organisation in America nor in Israel and would prohibit any of you to do so because we are forbidden to join ranks with those who do not advocate the bringing in of Torah government. We do not care how much cash they wad around but they are politically motivated and racists at best. We live in the West with the illusion of democracies but are really controlled by governments and individuals who run the show behind the scenes.

Remember YHWH called us Zion his daughter (Ps 9:14; Lam 1:6; Zec 2:10) and its really a term for Israel and Jerusalem in the narrower context and I see it like that and not like controlling and manipulating markets and banks that mostly are involved in and overthrowing democratic or despotic governments of the world, that is not our business and we should steer clear of such ideas.

So now tell me what is the difference between living in a Muslim country who throws you in jail or worse kills you for standing against Islamic ideology versus political Zionism? Actually the line is very thin for those of you who think I am joking joining the two look what happened to Noman Finklestien who was removed from his job and not employed or allowed to be employed later. Does that sound like democracy or a police state covered with an illusion of democracy? It's time to take that green pill to see things more clearly.

The political Zionists are responsible for the holocaust and supporters of it. They have blood on their hands of over twelve million people and YHWH will judge them one day. I know it maybe painful for some of you to learn this truth but I encourage you to ask Yahushua our Master to bring shalom and understanding in your hearts and lives. I discourage all Black Hebrews who advocate hating the white man ideology and do not support such notions. One man's wrong does not allow us to condemn the whole white race. We must learn to forgive and make peace with ourselves and others. Notice what scripture says:

Matthew 5:9 Blessed are the shalom (peace) makers¹ for they shall be called the children of Elohim.

So if you want to see the face of our Elohim we must strive for peace.

The Zionist camp knew that if they had accepted the transference of all Jewry into Spain then they will not get the land of Israel so they refused to accept this. It was said by them that a cow of Palestine is worth more than all the Jews of Poland or even Europe depending on who you believe. Now you decide if a cow is worth more than over twelve million human lives? These twelve million included six million Jews, nineteen thousand Catholic Priests, Six million Christians, thirty five thousand Gypsies and countless Blacks that are never mentioned. Some suggest 50,000 blacks but I would suggest this figure is wrong. We also must never forget the black holocaust of slavery that displaced 26 million black people. Sin has a price and the Black Hebrews paid it.

For those of you who still doubt that the black Negro race are Hebrews here is what Zondervan publisher say with their own mouths and they are white folks:

Zondervan's Compact Bible Dictionary listed under Ham it defines as such:
The youngest son of Noah, born probably about 96 years before the Flood; and one of eight persons to live through the Flood. He became the progenitor of the dark races; **NOT THE NEGROES**, but the Egyptians, Ethiopians, Libyans and Canaanites.

So they admit with a stiff upper lip but they do admit it and make no other clarifications. However you will find all the clarifications in the Abrahamic-Faith Hebraic Study Bible where no Bible even comes close to its interpretation and commentary. www.abrahamic-faith.com

¹ This was for those who wanted to live out the life of Torah obedience echoing Psalm 34:14.

Here is the quotation for your references.

²Izaak Greenbaum -- head of Jewish Agency Rescue Committee
February 18, 1943

Addressed to the Zionist Executive Council.

**"One Cow in Palestine is worth more than all the Jews
in Poland"**

...Izaak Greenbaum

Here is what the first president of Israel thought of the old people in Europe.

"The old ones will pass. They will bear their fate or they will not."

Chaim Weizmann, the first president of Israel, made this Zionist policy very explicit:

The hopes of Europe's six million Jews are centered on emigration. I was asked: "Can you bring six million Jews to Palestine?" I replied, "No." ... From the depths of the tragedy I want to save ... young people [for Palestine]. The old ones will pass. They will bear their fate or they will not. They are dust, economic and moral dust in a cruel world ... Only the branch of the young

² <http://www.jewsagainstzionism.com/antisemitism/holocaust/index.cfm>

shall survive. They have to accept it.

Chaim Weizmann reporting to the Zionist Congress in 1937 on his testimony before the Peel Commission in London, July 1937. Cited in Yahya, p. 55. Ben Gurion informed a meeting of Labor Zionists in Great Britain in 1938: "If I knew that it would be possible to save all the children in Germany by bringing them over to England and only half of them by transporting them to Eretz Israel, then I opt for the second alternative." Ibid., p.149.

As late as 1943, while the Jews of Europe were being exterminated in their millions, the U.S. Congress proposed to set up a commission to "study" the problem. Rabbi Stephen Wise, who was the principal American spokesperson for Zionism, came to Washington to testify against the rescue bill because it would divert attention from the colonization of Palestine.

This is the same Rabbi Wise who, in 1938, in his capacity as leader of the American Jewish Congress, wrote a letter in which he opposed any change in U.S. immigration laws which would enable Jews to find refuge. He stated:

"It may interest you to know that some weeks ago the representatives of all the leading Jewish organizations met in conference ... It was decided that no Jewish organization would, at this time, sponsor a bill which would in any way alter the immigration laws."

This is clear cut proof that the political Zionists were quite happy for the masses in Europe to be slaughtered for a greater cause that was to get the land.

So then what about the blessings they are receiving today in Israel?

Well since many of these were converts into Judaism they started to keep the Torah and it is a proof in itself that those who obey the Torah no matter whether black or white, yellow or green, sons of Shem or sons of Japheth they would receive the blessings. This only goes to prove the power of the Torah of what Elohim has declared beforehand. While the true sons of Shem were sent into exile and others who were not were receiving the blessings and it is as simple as that. This does not mean YHWH changed his mind and decided to give the land to Japheth. The land is given to them for an appointed time only. I will illustrate in my final volume of the World war III – part 3 the second exodus, now we go home, what will happen to these people and what signs should we be looking at.

Now we need to understand two more things. Judaism has been preserved by the Ashkenazi and Sephardic people and without these two today we would not have a Torah, the Tanach or how to keep the feasts so we must be careful not to just write everyone off as I see many Hebrew Israelites doing.

The Sephardic community

The Sephardic community of Jews many which do carry the blood of Shem, they are mix of white, pale white or very light brown skin colour but these Yahudi are one of the branches of the sons of Shem. Although the true Hebrew Israelites were black people but these people came out of what I define as the mix of black Hebrews with European or Asian women in Egypt. Where did these Asians come from? They came from Asia invading Egypt and they were captured and even thrown out at one time then they were made slaves and eventually they were released and allowed to take citizenship in Egypt which is where we find the mixing happened.

It is well known historically that Egypt where the majority Hebrews lived were invaded by the Asian people in lower Egypt through the sea and land. The invading Asians were of course people of very light skin and since these people mixed with the Hebrews living in the land during their captivity they obviously are then likely to produce Asian skin tones. Note White or pale white is an Asian skin tone and these people are known as Cauc-Asians.

Our witness that the Sephardic are really the sons of Shem can also come from Arthur Koestler in which Hasdai Ibn Shaprut a Sephardic Yahudi living in Spain wrote to the king of Khazaria called Joseph enquiring of the mass conversions there by the local white folks.

The 13th Tribe page 25 by Arthur Koestler

This is the so-called "Khazar Correspondence": an exchange of letters, in Hebrew, between Hasdai Ibn Shaprut, the Jewish chief minister of the Caliph of Cordoba, and Joseph, King of the Khazars or, rather, between their respective scribes. The authenticity of the correspondence has been the subject of controversy but is now generally accepted with due allowance made for the vagaries of later copyists. [A summary of the controversy will be found in Appendix III.]

The exchange of letters apparently took place after 954 and before 961, that is roughly at the time when Masudi wrote. To appreciate its significance a word must be said about the personality of Hasdai Ibn Shaprut – perhaps the most brilliant figure in the "Golden Age"(900-1200) of the Jews in Spain.

IBID Page 28

I feel the urge to know the truth, whether there is really a place on this earth where harassed Israel can rule itself, where it is subject to nobody. If I were to know that this is indeed the case, I would not hesitate to forsake all honours, to resign my high office, to abandon my family, and to travel over mountains and plains, over land and water, until I arrived at the place where my Lord, the [Jewish] King rules . . . And I also have one more request: to be informed whether you have any knowledge of [the possible date] of the Final Miracle [the coming of the Messiah] which, wandering from country to country, we are awaiting. Dishonoured and humiliated in our dispersion, we have to listen in silence to those who say: "every nation has its own land and you alone possess not even a shadow of a country on this earth".

IBID page 29-30

We have our eyes on the sages of Jerusalem and Babylon, and although we live far away from Zion, we have nevertheless heard that the calculations are erroneous owing to the great profusion of sins, and we know nothing, only the Eternal knows how to keep the count. We have nothing to hold on only the prophecies of Daniel, and may the Eternal speed up our Deliverance . . .

There is a passage in Joseph's letter which deals with topical politics, and is rather obscure: *With the help of the Almighty I guard the mouth of the river [the Volga] and do not permit the Rus who come in their ships to invade the land of the Arabs .. I fight heavy wars with them [the Rus] for if I allowed it they would devastate the lands of Ishmael even to Baghdad.* Joseph here appears to pose as the defender of the Baghdad Caliphate against the Norman-Rus raiders (see Chapter III). This might seem a little tactless in view

of the bitter hostility between the Omayyad Caliphate of Cordoba (which Hasdai is serving) and the Abassid Caliphs of Baghdad. On the other hand, the vagaries of Byzantine policy towards the Khazars made it expedient for Joseph to appear in the role of a defender of Islam, regardless of the schism between the two Caliphates. At least he could hope that Hasdai, the experienced diplomat, would take the hint.

He does mention, however, that while he was in Baghdad, he had seen envoys from the Khazar kingdom looking for needy Jewish scholars from Mesopotamia and even from Egypt, "to teach their children Torah and Talmud".

Who were the Khazars?

Ibid page 7

But before becoming a sovereign state, the Khazars still had to serve their apprenticeship under another short-lived power, the so-called West Turkish Empire, or Turkut kingdom. It was a confederation of tribes, held together by a ruler: the Kagan or Khagan (Or Kaqan or Khaqan or Chagan, etc. Orientalists have strong Idiosyncrasies about spelling [see Appendix I]. I shall stick to Kagan as the least offensive to Western eyes. The h in Khazar, however, is general usage), – a title which the Khazar rulers too were subsequently to adopt. This first Turkish state – if one may call it that – lasted for a century (circa 550-650) and then fell apart, leaving hardly any trace. However, it was only after the establishment of this kingdom that the name "Turk" was used to apply to a specific nation, as distinct from other Turkic-speaking peoples like the Khazars and Bulgars. (This, however, did not prevent the name "Turk" still being applied indiscriminately to any nomadic tribe of the steppes as a euphemism for Barbarian

These sons of Japheth which were the Turks.

Genesis 10:2 The sons of Yapheth were Gomer, Magog (Turkey), Madai, Yavan, Tubal, Meshech (Turkey), and Tiras.

Now we can answer the question who the majority Ashkenazi are. They are actually Turkish and do not have a drop of Shem's blood. One would have to lie to prove that they did. However from the previous discourses between Hasdai a leading physician in the court of the Muslim Caliph in Cordoba in Spain it is evident that these ones (Sephardic) were indeed the sons of Shem as explained their lighter colouring would come from the mixing. Note some European Jews were the sons of Shem but they were very small in number like on the hundreds.

Now what about the middle-Eastern Jewry?

It is also a historical fact that there was a whole kingdom that converted into Judaism in Yemen. In 500 AD, the King of Himyar, Abu-Kariba Assad alongside his whole kingdom converted into Judaism thus rejecting both Christianity and Zoroastrian religion of Iran which had the influence in that region. This is a very important testimony to show that **pagan Christianity** was rejected by those who understood it well even at that time since this was a creation of the Roman Catholic church and her corrupt councils in the year 325 AD onwards. Original people living in these lands of Yemen were the sons of Shem the son of Joktan the first pure Arab who was black so they rightfully chose their true faith which means they are the true sons of Shem.

Let me show you.

Genesis 10:25-30 To Eber were born two sons: the name of one was Peleg;³ for in his days the earth was divided; and his brother's name was Yoktan. **26** Yoktan⁴ begot Almodad, Sheleph, Hazarmaveth, Yerah, **27** Hadoram, Uzal, Diklah, **28** Obal, Abimael, Sheba,⁵ **29** Ophir,⁶ Chavilah, and Yobab: all these were the sons of Yoktan. **30** And their dwelling place was from Mesha,⁷ as you go toward Sephar, the mountain of the east.⁸

Note Yoktan's sons occupied regions both in Eastern Arabia and some as far North as Africa and Western Africa. Some of Yoktan's sons ruled as Kings for a thousand years in Yemen.

Chavilah one name covers regions both in Arabia and West Africa which is mentioned in the Bible as Havilah (Gen 2:11).

Since Yoktan was Shem's son therefore one can prove that those people in Yemen opting for Judaism was nothing short of a call from Elohim. Mesha (Gen 10:30) is also the old name for the Meccan region of Saudi Arabia mentioned in Scripture.

We also know from Islamic historic sources that the Yahudim lived in Saudi Arabia and in other Islamic countries. One other thing that bears out by later Muslims is that they also knew that the Yahudim lived in Black lands of Africa which once again is testimony that many Hebrew Israelites were living there prior to the slave trade when many of these same people were brought into Europe and America. I am a living testimony of my forefathers who were enslaved in Iran later after freedom were extremely wealthy merchants of the Levite tribe.

What about the Khazars?

They were also converted into Judaism rather than into Christianity as they also say Christianity as pagan and also rejected Islam because of the hand of Elohim was upon them. This may be hard to swallow for some but this is the truth because a prophecy was given that they would be enticed/deceived into believing that they are the sons of Shem.

Abrahamic-Faith Netzarim Hebraic Study Bible Second Edition

Genesis 9:27 Elohim will entice Yapheth, and he will dwell⁹ in the tents of Shem; and may Canaan be his servant

³ A city near the Euphrates called Phalga.

⁴ The ancestor of the southern Arabs called Qahtan.

⁵ Sheba was black inhabiting regions of Africa.

⁶ See Appendix HB27.

⁷ Ancient name for Mecca in Western-Saudi Arabia.

⁸ Pilgrimage place of Islam.

⁹ See Appendix HB16.

The word for entice which is in the KJV is enlarge. The actually meaning of the Hebrew word is to entice or to deceive so much so that they will not only occupy the houses of Shem but believe that they are Shem!!!! Is this true today? Yes.

Today the white Ashkenazi believe they are Shem while we know they are not. Noah's prophecy said they will dwell in the tents (read Houses) of Shem. Today they occupy the land of Israel just as predicted. However a time will come when YHWH will sort out the right order when the true children some of which are already in Israel as illustrated earlier such as the black Yahudim, the middle-eastern Yahudim and perhaps some Ashkenazim who are the real sons of Shem while large parts of the twelve tribes still remain outside Israel. A lot more can be said but hopefully now you start to get the picture. I will give you the complete picture of the return when I complete my book later this year which will explain step by step what is going to happen and how YHWH will take us back to our inheritance so don't pack your bags and don't even worry about how it will happen.

I assure you everything is in YHWH's hands. One testimony to encourage those of you who have been following some groups who advocate packing your bags so to speak maybe sometimes literally ignore them.

I was a Muslim for 35 years of my life until 1998 September, I did not know that I was a Hebrew let alone an Israelite. I did not even know the connections of my forefathers being Iranian Yahudi until Yahushua suddenly out of nowhere called me out while working in a major Japanese merchant bank called Nomura in London spoke to me to "follow Him." I knew nothing, no bible theology, I had never touched a bible in my life until then but then He started to unfold the plan step by step. The first thing he did was show the feasts to me and forbid me to do the Christmas and Easter. Then He taught me the weekly Sabbaths and how to do them so my preliminary training with him took six years.

Some people have asked me how do you know that we are Black Hebrews and that why do you teach it. I will attest to you that I know a lot more than I attest to and I follow the good advice of my friend Ariel in Israel who was a lubavitcher Rabbi and became a believer, he told me not to reveal everything to the people. Some things that the Most High YHWH has revealed to me many are hard truths that the people will laugh at and ridicule so I follow that advice. There are things that I know but I cannot reveal and there are things that I must reveal when Yahushua tells me to, no matter even it breaks me, my family or my bank. Sometimes I hint other times I declare clearly that is how things are. I have spoken about this truth before, in fact hinted at it more than once even on Revelation TV and called myself clearly a Hebrew Israelite.

My son little Yosef Halewi who was born on Feb 2nd the boy YHWH promised me and for whom I was ridiculed, laughed at and called demon possessed and delirious by Christians. My own ex-wife not only divorced me but helped to slander me through others but I remained silent.

Muslims on the other hand said noting against me and gave me respect, invited me to their homes and even to their mosque while I was cut off by the so called Christian

community but I refused to enter another church that teach anti-Torah doctrines and pagan philosophy.

There was a conspiracy made against me by some Zionist Christians to destroy me but they failed miserably, their slander of me only made my resolve more stronger and out of all this was produced the AF Study bible. Can you imagine a Bible emerging from the Chaos and hypocrisy around me. It indeed happened and one day I will see justice. Those believers who were sincere and close to me saw first hand the hypocrisy of the Zionist Christian community.

I simply went to my bedroom and prayed to YHWH on my sheepskin mat for justice while I gave over their judgment to YHWH asking that he see their hypocrisy and judge them on his part for the breaking of Torah.

So naturally such people should take note their time is now short for judgment unless repentance comes the rod will fall. These are what I term hypocritical Christians with so called ministries and websites that people should steer clear of. They espouse hatred of Muslims and I will not stand with them to condemn the many sons of Shem that one day will see the light of Yahushua.

Now the wife that stepped into my life last year from China has been an absolute blessing into my life and I thank YHWH for bringing such a wonderful woman into my life and giving me a beautiful son. She was the one that YHWH prophesied to me that I will receive a son from another woman. When I asked him what about my present wife two years ago he simply just repeated what he said before. So when YHWH says something twice, the number two represents the Bet Character and it means it is sure to happen and you are not to question his wisdom and authority concerning kingdom matters since the house represents his kingdom on earth. Also the house represents his Torah and His rule, which means you MUST bow to his rule which I do daily. I do not make hypocritical prayers unlike most Christians out there who says one thing and do another. I don't say Father let you will be done on earth as it is in heaven then say I won't keep the Torah and I won't circumcise my son. Such hypocrisy can only be found in Churches and is best left there.

My son was born with an identifier of who we are. He has an inch long black spot just like the black skin of black people as a mark on the left side of his neck which is proof that my forefathers were indeed black Hebrews. YHWH shows up things like these every third to fourth generation.

This was YHWH's sign for me to reveal to me who we are and that to remember that the left side being the side of mercy that even in the Diaspora he is walking with us and that when we even did not know Him he was and is there as it was when I was unsaved for 35 years of my life even then he was there and I did not know it so you should not fret over things or wrongs done by others, he is fully able to repay them and will do so. Everything will be made clear in the end and those that oppose us will one day be ashamed.

YHWH bless you

Shalom Shalom

Beyth Yahushua – Son of Tzadok, Son of Dawud

Would you like to know the identity of Yahushua's family? Did He have brothers and sisters, did He get married, are not Rabbis meant to marry, was Mary Magdalene His wife? All these answered in the book. Are you fed-up of hearing objections such as if you do not know who Matthew, Mark, Luke and John are then how can you claim to have the truth?

Do you feel frustrated to go to your Pastor only to be told he does not know?

What caused Rabbi Paulos to persecute perfectly normal Jewish men and women who simply practiced Judaism? Who was Nicodemus, what relationship did Yahushua have with Lazarus? Did Yahushua have relatives? For too long He has been portrayed as the wandering man with no belongings and no family and living wildly, picking up food from the trees, fields and women offering him handouts.

This picture is both misleading and deceptive. Do you want to know the powerful family of Yahushua, fill the gaps, who were Mark, Luke, Matthew and even John? What connection has Joseph of

Arimathaea got with Yahushua and why would a rich man like him be willing to give his own expensive tomb for Yahushua's burial?

Do rich men do such things, if so then why was the rich man in Matthew 19:21 unwilling to give away all his money? Did Yahushua carry the curse of Jeconiah (Jer 22:24-30)? The answer that Christendom gives is the curse lifted because of the virgin birth or the lineage switch. Did it? Answer NO. Christendom's answers on this are wrong. What about the genealogy of Luke and Matthew why two fathers of Yahushua Heli or Jacob in Matthew 1:16 and Luke 3:23? Will the real father of Yahushua please stand up!

Who were the Hebrews, what is the West in Hosea 11:10?

Hos 11:10 (KJV)...then the children shall tremble from the west.

If we believe popular opinions then they are all in Europe and America but the reality is very different. This book is a wake up call to the last generations.

This book will give you new insights and the rich history of Yahushua.
